

Your Donation Makes a Difference, Points out Club Member

Posted by Ed Kolybaba on Oct 15, 2015

Congratulations are extended to club member Chris Murphy for attaining his Paul Harris Fellow, Level +1 Award on Friday, October 09, 2015. Chris was presented with the achievement award by Linda Frandsen, the club's Director of the International/Foundation Service Committee.

Chris expressed that he has contributed to the Rotary Foundation each year. He shared that giving to the Foundation is a painless act as he gives via direct debit. While he was surprised that he had already achieved this level, he was pleased that his donations were continuing to make a great difference in helping those in need, whether it be by providing a latrine in Pakistan or some other project that focuses on the increasing the health of people and providing safe sanitation in third world countries.
