In January of 2013, a front page story on the club`s website expressed appreciation to the members of the Rotary Club of Kelowna Sunrise for their generous support of the Annual Programs Fund and for surpassing the club`s goal by 134 percent. Now, ten weeks later, the Foundation Committee of the club is pleased to announce that the club has attained 175 percent of its goal with a per capita giving of \$175 per club member, for a total of \$12,250. Another great achievement is that all members of the club (100 %) have now made giving to the Program Annual Programs a priority. The goal for giving to the Annual Programs Fund for the Rotary year 2012-13 was set at \$7000.

According to club`s Foundation Director and chair, Tom Paterson, the club members have now donated and/or committed a total of \$56,400 to this date for the 2012-13 Rotary year. This does not include commitments made by those Rotarians of the club who achieved benefactor status in past years.
