Andy Griffin, Helmut Hubert and Bill Reynolds were recognized for their continuing support of the Rotary Foundation at the club's regular meeting on January 31<sup>st</sup>, 2014. All three members of the club achieved another award level in the Paul Harris Fellow funding program with their substantial contributions to the Annual Fund.

Andy was recognized for achieving a PHF+3 level; Helmut Hubert was recognized for achieving a PHF+5 level; and Bill Reynolds was recognized for achieving a PHF+1 level. Linda Frandsen, the club's International/Foundation Committee chair, presented the three members with pins which signified their achievement level.

It is the commitment of Rotarians like Andy, Helmut and Bill, along with other members of the club who donate to the Annual Fund that enables the Rotary Club of Kelowna Sunrise and Rotary International to respond to the needs of the less fortunate around the world.
