The Rotary Club of Kelowna Sunrise Rotarians and many of their partners once again cooked up a delicious Christmas dinner for the women and staff at the Women's Shelter in Kelowna on December 18<sup>th</sup>. Thirty-six women and staff, along with 40 Rotarians, enjoyed a special time together. Bruce Spencer entertained the gathering with music from his ukulele. Gifts and door prizes were provided for everyone by the Women's Shelter.

This event is just one way that the club attempts to make a difference in our community.
