A large number of Rotary Club of Kelowna Sunrise Rotarians continue to make the Rotary Foundation a priority when they wish to make a donation to help others around the world. On February 28th, two additional members were recognized for their continuing support of the Annual Fund of the Rotary Foundation when they were presented with Multiple Paul Harris pins.

Dieter Howald was presented with a PHF+3 pin; while Don Turri received a PHF+1 pin. Director Linda Frandsen presented both awards to the two outstanding humanitarians.
