The Rotary Club of Kelowna Sunrise was awarded with the RI Significant Achievement Award for 2012-13 for the Souls4Soles Program. A presentation of the Certificate of Award was presented by Doug Everett, the 2012-13 District Governor at the club's meeting on Friday, November 08.

The Significant Achievement Award recognizes outstanding Rotary club projects that address the most pressing needs of their local communities. These projects illustrate Rotary's avenue of Community Service in action and they provide successful models for other Rotary clubs to replicate.

In a letter from 2012-13 RI President Sakuji Tanaka, he expressed that "your club has made a meaningful impact in the life of your community and your project represents the very best work in your district and the Rotary world" and "on behalf of Rotary International and Rotarians worldwide, I commend you and encourage you to continue building Peace Through Service."

2012-13 Club President Craig Garries and Jim Belshaw accepted the Award on behalf of the club.
