January 24, 2014

Club member Robin Durant was honoured on January 24th by the Rotary Foundation for his support as a benefactor which will provide funding for the Permanent Fund of the Foundation. Linda Frandsen, Chair of the International/Foundation Committee of the club, on behalf of TRF made a presentation of a set of "wings" and a plaque in recognition of his financial commitment.

With Robin's decision to make a bequest through his will, he becomes the second Rotarian in the 2013-14 Rotary year to make this commitment. Bill Reynolds had made this commitment earlier in the current Rotary year.

The club is pleased that 18 (28 %) of the club's current members are now benefactors of the Foundation. With this financial support, the Foundation's Permanent Fund continues to grow to enable Rotary to respond to the increasing humanitarian needs throughout the world.
