

Club's Rotary Foundation Committee Establishes Fund Raising Goals for TRF for 2020-21

Story by Ed Kolybaba on Jul 09, 2020

The Rotary Foundation Committee of the club has set goals to raise \$US15,950 for the Annual Fund and \$US2750 for the PolioPlus Fund during the 2020-21 Rotary Year (July 01, 2020 – June 30, 2021). The amount established for each goal is a ten percent increase over the goals for 2019-20.

Rotarians are reminded that 92% of the donations to the Rotary Foundation (TRF) go directly to helping those in need around the world through its programs, which is the best investment we as Rotarians can make.

For the 12th consecutive year, TRF has received the highest rating – four stars – from [Charity Navigator](#), an independent evaluator of charities in the U.S. Additionally, [Charity Intelligence Canada](#) has also continued to rate TRF Canada with a 4/4 rating.

The [Foundation](#) has earned this recognition for demonstrating both strong financial health and commitment to accountability and transparency. The rating reflects the assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.
