Since late October of the current year, the club has inducted three additional members, while a fourth most likely will be inducted early in January of 2013. Peter Mackenzie, inducted on October 26<sup>th</sup>, John Marshall, inducted on November 23<sup>rd</sup>, and Ivo Damme, just inducted on November 30<sup>th</sup>, are the club's newest members.

Peter Mackenzie, who was proposed by Jerry Sedmak, works as a Human Resource Counsellor with the YMCA in Kelowna, in particular the YMCA's Options Program which is designed to assist eighteen year olds and older people who are not receiving EI. This program includes individuals who are new Canadians, youth, aboriginals and others. According to Jerry Sedmak, Peter has been practising Rotary for a long time and being a Rotarian was simply a perfect fit. Peter is married to Elizabeth (Libby) and they have been residing in Kelowna since 2005. Helmut Hubert conducted the induction ceremony.

John Marshall, who works as an independent realtor, particularly with Realty executives and also with residential and commercial property sales, was inducted by Marion Henselwood. John has resided in the Okanagan for some time

where he has been an active community member, having been involved with the Kelowna Minor Hockey Association as a coach, and with the Kelowna Regatta Committee, Reach Out and the Legion and Jaycees clubs. According to his sponsor, Pat Bentley, Peter likes playing pool, enjoys dogs, and likes scotch and cigars. He is presently a member with the Kelowna Masonic Lodge. John is married to Crystal and they have a son.

Ivo Damme, originally from The Netherlands (Holland), has been living in Kelowna since 2008 with his family, which includes his wife Mikki and more recently their six year old twins. Ivo is self-employed as an Exempt Market Securities Broker. Since his interest is in helping youth, no doubt he will be encouraged to actively support the youth program with the club. Ivo was proposed for membership by club member Ken Davidson. Helmut Hubert carried out the induction ceremonies during the meeting.
