Nov 05, 2012

District Governor Doug Everett presented Greig McPhee, vice-president for the Rotary Club of Kelowna Sunrise, [one](#) of fourteen Rotarians from District 5060, with a Certificate of Graduation and a Rotary Leadership Institute pin on October 13th, 2012, for the completion of a three day Rotary Leadership Institute program offered in Kamloops on September 15th and 29th and on October 13th.

Greig joins a large number from the club who have already graduated from the program since its inception within District 5060 in 2008. Over the past five years the club has had a total of eleven graduates, including Jane Fletcher, Craig Garries, Jim Belshaw, Bruce Falkins, Ed Kolybaba, Patrick Bentley, Maxwell Mosley, Sarah Mosley, Scott King (no longer a member of the club), Paul Mulvihill and Barb Penner.

A number of these graduates, including Bruce Falkins, Barb Penner, Jane Fletcher, and Ed Kolybaba, also serve in a facilitating role when the program is offered throughout the district. Ed Kolybaba also serves as a coordinator of the program, having done so since 2008.

The Rotary Leadership Institute is presently being offered in Kelowna. The first two sessions were completed on October 20th and November 03, 2012, with the final session taking place on November 17, 2012.

The Rotary Leadership Institute is a multi-district, grassroots leadership development program offered in many districts throughout the world. While it is not an official program of Rotary International, nor is it under its control, it is recognized by Rotary International as an excellent program for leadership development. The RLI provides quality education in Rotary knowledge and leadership skills for all Rotarians, not just those seeking executive positions within a Rotary club.
