

Desperate Rohingya people from Myanmar Receive Humanitarian Aid

The Rotary Club of Kelowna Sunrise will once again respond to the need for care and support for those in need who are experiencing a natural disaster in their lives. Through ShelterBox Canada, the club will provide shelter to the Rohingya people who have fled violence in Myanmar as they have travelled by foot to Bangladesh. In mid-November, the club agreed to donate \$1200 (Cdn), to enable ShelterBox to end an additional box to Bangladesh, specifically designated to help alleviate the dire situation being experienced by the Rohingya people.

ShelterBox helps provide shelter and warmth to families who have lost their homes and possessions following a natural disaster, conflict or other humanitarian crisis. ShelterBox helps some of the world's most vulnerable people. The gift of a ShelterBox will help the not-for-profit organization to provide them with the tools they need to survive and begin rebuilding their lives.

ShelterBox prepositions aid around the world so that their teams can respond immediately following a disaster. Donations allow them to be prepared to respond immediately whenever families need our help.
