

# Empowering Girls in Nepal Through Education

Story by Ed Kolybaba on May 01, 2019

Her International Nepal empowers girls in Nepal through education that they would not otherwise receive. In addition, the not-for-profit organization focuses on providing access to skill building opportunities and the development of micro-financing groups for mothers and all women from the community.

**The Rotary Club of Kelowna Sunrise has recognized the need to participate in the 'Her International Nepal Scholarship Program: Empowerment Through Education' which financially supports impoverished girls from kindergarten through to university. To this end, the club has approved the financing of four scholarships for the next school year at a cost of \$500 CDN per year.**

**Her International** is a Canadian Registered Charity that works to empower marginalized women and girls in Canada and Nepal. The mission of the Charity is to empower women plus girls through education, with a mandate to provide for the advancement of education and educational opportunities for people living in poverty in Canada and abroad, by increasing relevant knowledge, abilities and life skills of individuals and family members, with a focus on helping girls and women when doing so..
