What is Rotary? Rotary club members are business and professional leaders who volunteer in their communities and promote world understanding and peace. Rotary's 31,000 clubs in more than 166 countries encourage high ethical standards and carry out humanitarian projects to address such issues as poverty, health, hunger, the environment, and education. In support of that goal, the Rotary Club of Juneau Glacier Valley is pleased to offer scholarship support for Juneau's High School students in pursuit of higher education.
