“Thank you for establishing the Rotary Club of Calgary MacEachern Bursary at Bow Valley College. It is an honour to be this year’s recipient. This award not only provides me with financial support but also motivates me to continue pursuing my academic and career goals with determination. I am currently enrolled in the Legal Assistant Diploma program at Bow Valley College, which combines legal knowledge with practical administrative skills. I am drawn to this program’s practical approach, which aligns perfectly with my career aspirations. As an international student from China, I have always been excited about law.

Your generosity.

Since 2000, the Rotary Club of Calgary Downtown has generously funded the Rotary Literacy Bursary, MacEachern Bursary, MacEachern – Rotary Pathway to Success Award, the Indigenous Student Bursary, and the Bursary for Indigenous Students Completing High School, impacting more than 690 students.

My interest began at an early age, inspired by legal dramas that sparked my curiosity about the justice system and the role of law in society. This passion led me to pursue a career where I can help others and navigate complex legal challenges. My goal is to work as a legal assistant in top law firms or international organizations, such as the United Nations. I will continue to work hard and strive for success, and I am grateful for this opportunity. Thank you once again for your generosity and support.” – **Lifan Bai, Winter 2025**

“Thank you for establishing a scholarship at Bow Valley College. It is an honour to be this year’s recipient of the Rotary Club of Calgary MacEachern Bursary. I am deeply grateful for your generous support, which will help me continue my education and focus on achieving my academic and career goals. I am currently enrolled in the Human Resources Diploma program at Bow Valley College. This program has given me the skills and knowledge to pursue a career where I can make a positive impact. My long-term goal is to work in human resources (Talent Management to be precise) where I can contribute to improving lives and supporting my community. I was born and raised in Nigeria, and I am passionate about helping others and this is one of the reasons I chose Bow Valley College because of its excellent reputation for providing quality education and its welcoming, diverse learning environment. Once again, thank you for your generosity and for believing in students like me.” – **Adenike Kukoyi, Spring/Summer 2025**

We are deeply grateful to the Rotary Club of Calgary Downtown for your enduring generosity. Your investment in students at Bow Valley College is more than a gift—it is a growing legacy that keeps education within reach. Your support year after year strengthens this legacy and ensures that even more students can access the education and opportunities they deserve. We are excited to further grow this partnership and build on the meaningful impact we have achieved together—expanding opportunities, deepening student support, and shaping a future filled with possibility.
