

Dear Mr. Lou MacEachern and Rotary Club of Calgary,

My name is Alysia Li and I am one of the recipients for the Rotary Scholarship. I am so grateful to have received this scholarship and you have my sincerest gratitude for this opportunity to be able to start my post-secondary journey.

I also want to personally and sincerely thank everyone involved for helping me make it possible to pursue my university goals of achieving a Bachelor of Design at the Alberta University of the Arts. Although I am only starting my first year studies at AUArts, this reward will greatly carry me through my years at university.

This scholarship has greatly lifted the financial burden on me and my family and will allow me to focus more on my studies and educational goals. I will be able to dedicate more time on learning and exploring new material and would not have to spend as much energy as well as time on working externally.

Thank you so much again for your generosity and support.

Sincerely,

Alysia
