

Dear Mr. Lou MacEachern and Rotary Club of Calgary,

I hope that this email finds you well.

I write to express my immense gratitude for the Rotary scholarship award granted to me.

During my time with your collaborator YMCA Achievement Program/ YMAP, I truly enjoyed my interactions with the instructors and my other teammates. The program indeed helped to build my interpersonal and social skills. I am therefore also grateful to the YMAP program and the instructors for helping me become the well-rounded person that I am today and for connecting me to this awesome opportunity.

I am particularly grateful because this scholarship award has helped to take some financial stress off of me and my family. Once again thank you so much, I truly appreciate it!

Best regards,

Efua Omoshuli
