

Interact March Monthly Newsletter

Welcome to the March edition of the Western Canada Interact Club's Monthly Newsletter! 🎉

This month has been packed with excitement as our club has been bustling with a myriad of engaging events and initiatives.

At the onset of March, we welcomed six outstanding individuals to our executive team after an intensive selection process involving applications, interviews, and careful deliberation. These dedicated members will play a pivotal role in steering our club's activities, organizing initiatives, and facilitating volunteering opportunities. It's worth noting the exceptional interest we received from our Grade 10 cohort for executive positions, underscoring the vibrant spirit of our club. We're thrilled to introduce our new team members and eagerly anticipate the contributions they'll make to our Interact community.

Throughout March, the Western Canada Interact Club has been deeply involved in various volunteering endeavors, spreading joy and making meaningful connections within our community. We spent quality time with the residents of Bethany Care Centre, engaging in spirited board game sessions that brought smiles to everyone's faces. Additionally, our members lent their creative talents to Storybook Theatre, assisting in set construction and organizing props and costumes for the upcoming production of "Something Rotten." Moreover, we rolled up our sleeves to pack produce with Community Kitchen and assisted at Children's Cottage, embodying our commitment to making a positive impact.

As we gear up for April, our primary focus has been on rallying support for our upcoming Interact Thrift Store initiative. To kickstart our efforts, our executive team adorned donation boxes and strategically placed them near our school's front office, encouraging contributions of gently used clothing items. Collaborating closely with the Alberta Children's Hospital Foundation Youth Council, all proceeds from our thrift store will go towards supporting the noble cause of pediatric healthcare at the Alberta Children's Hospital.

Thank you for your unwavering support and enthusiasm as we continue to strive toward our mission of service and community engagement. Stay tuned for more updates and opportunities to get involved in the upcoming months!
