Dear Mr. Lou MacEachern and the Rotary Club of Calgary,

I'm Do Ngoc Minh Nguyen, one of the Rotary Scholarship recipients. I am writing to express my deepest gratitude for selecting me as a recipient of your generous scholarship. I feel honored to be granted this award; it means a lot to me.

As I moved to another city for university, this is my first time living away from my relatives and family, moving out has been a journey that is both exciting and challenging. The new school year began with much excitement but also many new expenses, from books and school supplies to setting up a living space, all of which added up. I must admit that the financial strain weighed heavily on me, creating stress as I tried to balance my studies with my new life.

Thanks to your generous scholarship, I will be able to cover the costs of my textbooks and other essential school supplies, which has alleviated much of my financial burden. This assistance allows me to focus on my studies with a clearer mind and a renewed sense of motivation, knowing that I am not alone in this journey. Beyond the financial relief, your support has also provided a sense of emotional and mental support that I have been needed. I have been motivated with much more confidence knowing that someone believes in my potential and is willing to invest in my education. Your kindness has made a profound impact on me, and I am inspired to make the most of this opportunity, both academically and personally.

Thank you again for this incredible opportunity and for supporting students like me. The scholarship has not only relieved my financial load but has also eased the mental discomfort that comes with facing so many changes at once. I wish you continued success and happiness in all of your endeavors, and I believe that your inspiring kindness that helps many students will bring you lasting fulfillment.

Yours sincerely,
Do Ngoc Minh Nguyen.
