

PRESS RELEASE

Oxford Properties Calgary, via the Rotary Club of Calgary Downtown, Contributes to the re-development of Fort McMurray

For Immediate release

January 23, 2017

Today the Rotary Club of Calgary – Downtown has received a \$25,000 donation to assist with the re-development of Fort McMurray from Oxford Properties Group. The generous donation will be transferred to the Rotary Club of Fort McMurray.

Fort McMurray is working towards recovery since having entire neighbourhoods destroyed by last summer's devastating forest fires and as Jeanette Bancarz advised Rotary Club of Calgary President, Sid Mark, during their discussions on this matter, that among other things Fort McMurray needs at this time, it is critical that the Fort McMurray community reconnects and finds some normalcy through tradition and neighbourliness. There is a tremendous amount of work that is required to be done in Fort McMurray and Oxford Properties as well as the Rotary Clubs of Calgary and Fort McMurray are proud to be helping.

Oxford is a long-standing partner of the Rotary Club of Calgary, and is title-sponsor of The Oxford Stomp, one of our flagship fundraising events.

About Rotary Club of Calgary Downtown

Rotary Club of Calgary Downtown is part of a global network of volunteer leaders through Rotary International, dedicated to tackling the world's most pressing humanitarian challenges locally and internationally. As one of more than 34,000 Rotary clubs in over 200 countries and geographical areas, the work of our civic leaders impacts lives at both the local and international levels, from helping kids stay in school, to adults learning to read, to helping bring fresh water to villages in southeast Asia and Africa.
