Dear Mr. MacEachern and Members of the Rotary Club of Calgary,

I hope this letter finds you well. I am writing to express my deepest gratitude for being chosen as a recipient of the Rotary Club of Calgary Scholarship. I am honored and truly appreciative of your generous support towards my post-secondary education at Mount Royal University majoring in Data Science.

This scholarship will have a significant impact on my academic journey, alleviating financial stress and allowing me to focus more on my studies in Data Science. It provides me with the opportunity to pursue my passion without the constant worry of my financial burdens, and for that, I am very thankful.

I am excited to continue my studies in Data Science, a field that I am deeply passionate about, and I look forward to using the skills and knowledge I acquire to make a positive impact in my community and beyond. This scholarship will serve me as a source of motivation for me to excel academically and inspire me to give back to others, just as you have done for me.

Thank you once again, Mr. MacEachern and the Rotary Club of Calgary, for believing in me and supporting my educational pursuits. I am committed to making the most of this opportunity and I will not put this all to waste

Best regards,
