

How do I access MY OWN giving history with TRF (the Rotary Foundation)?

Rotary International and TRF have links from our Rotary Club of Calgary website or go directly to www.Rotary.org then click on "**My Rotary**" along the top.

If this is your first time here you need to **register** (set an email address, a password of your choice, security questions and profile).

With a profile established identifying you as a member you will have access to your donation history and information on TRF giving options, recognition etc. (note: there may be an issue if you have changed email or address from that supplied to RI by the Rotary Club of Calgary - check with Bruce Fenwick if help needed).

For your **personal giving history**:

- Go to **My Rotary**,
- Click on your "**Profile**" – on left side at the bottom of the page (Go to Profile).
- Click link to "**Donor History Report**" (on the right, & then again under "View Contribution History"). The front page then generated after several seconds is an "**Overview**" with a pie chart and your giving totals.
- At the bottom of that page there is a button to go to "**Transaction Detail**" that gives you specific info on the amount and date of each donation made by you or recognition points transferred to you by the club or some other donor.

Please also note that under **My Rotary** there is a substantial amount of information about RI, learning, etc, and a tab for **The Rotary Foundation** that has tabs for Giving, Recognition, Global Grants, District Grants and so forth. Browse a bit, learn more about RI & TRF impact, opportunities to help and what RI is all about.
