

## Rotary Club of Calgary – Student Exchange Participation- 2014

**Current Outbound** - Gillian Taylor – in Austria

**Next Year's Outbound** - Erna Alukic – to Austria

**Current Inbound** - Anel Hernandez – from Mexico

We will be hosting another inbound this year but have not yet been advised of who that is. We work with a local high school (Western) on this program. We recruit our outbounds there and the students who come here go to school at Western. Western also has an Interact club which we support.

Following is a picture Erna with Calgary's mayor taken when he gave his most recent annual address to our club.
