Soup

Dhanush

The soup is so tasty and there's noodles inside. They make jokes when they bring us the soup.

Anaisha

I like how the soup is some different types. Sometimes with vegetables and sometimes tomatoes. I like the funny books. They also help us read the books.

Atharv

Soup with noodles with water. I like to eat it. It's delicious.

Suvani

It was kind. Because they helped us with reading and they give us soup in the lunchtime and they care about us. And they all the time read with us when we don't know a word they help us and then they always give us yummy soup.

Reading

Lala

I like reading with you because the way how you read is just how I want it. It's a funny book and I laugh. Most of the books I like is when you read the funny ones.

Rosetta

I like reading to them. Because it helps me learn.

Teodor

I like reading with you because I feel calmer then.

Rayne

I like listening to the stories the most because they do funny voices.

Field trips (volunteers, funding)

Books

Ayushman

I love that they read to me. And gave books to me. They gave books to the whole class! I like how they gave it also to me.

Gala

Thank you for giving us the books. I like my book. It's my favourite animal. It's a dolphin.

Showing our Appreciation Through Song

Where to from here?

Next school year brings us...

- New staffing configurations
- New students
- A return to our field!
- New and continuing volunteer opportunities, *ask us how to get started!*

On behalf of Connaught School:
Thank You! Please let us know if you
have any questions.
