

# Dinotour 2020

August 7 – 10, 2020

Visit the Philip J. Currie Dinosaur Museum

## Explore Grande Prairie's Philip J. Currie Dinosaur Museum

Tour the Philip J. Currie Dinosaur Museum.

### Itinerary:

Friday August 7 to Monday August 10, 2020

Divide into 4 teams (maximum 10 people per team). Each team participates in each of the day-long activities over the 4 days of the tour:

1. Guided tours of the Philip J. Currie Dinosaur Museum galleries and back rooms. Create a cast of a fossil to keep. Enjoy a National Geographic movie. Free time to explore the museum on your own.
  2. Excavate dinosaur fossils in the Pipestone Creek Bone Bed under the supervision of the Philip J. Currie Dinosaur Museum.
  3. Prospect for fossils along the Wapiti River. Travel via jet boat to different fossil localities along the river.
  4. Use microscopes to find microfossils such as teeth, vertebrates and scales from dinosaurs, fish and reptiles. Explore the Kleskun Hill Natural Area.
- Evening lectures on Friday, Saturday and Sunday. Farewell dinner on Monday night.
  - Overnight in Grande Prairie, Alberta each night of the tour and the night before.

Dig in the Pipestone Creek Bone Bed.

Single Supplement CDN \$335  
Minimum age: 12 years old

## DINOSAUR RESEARCH INSTITUTE

Website: [www.dinosaurresearch.com](http://www.dinosaurresearch.com)  
Email: [info@dinosaurresearch.com](mailto:info@dinosaurresearch.com)  
Mail: Dinosaur Research Institute  
P.O. Box 6353 Station "D"  
Calgary, AB, Canada T2P 2C9

The Dinosaur Research Institute (DRI) is a non-profit society with the mission to raise financial support for western Canadian dinosaur research by graduate students and scientists.

Proceeds generated from this tour support the work of the Dinosaur Research Institute, a non-profit charitable organization which finances dinosaur research in western Canada.

Explore the Kleskun Hill Natural Area.

## Dinotour 2020, August 7-10, 2020

Dinotour is a unique opportunity to discover Grande Prairie's palaeontological treasures with world-renowned scientists Dr. Philip Currie, Dr. Eva Koppelhus, and Darren Tanke and amateurs Sheldon Graber and Mona Marsovsky.

During this four-day family-oriented event you will:

- Learn about the dinosaurs of the Grande Prairie region.
- Tour the Philip J. Currie Dinosaur Museum galleries and backrooms and make a cast of a fossil to keep.
- Excavate fossils from the Pipestone Creek Bonebed under the expert guidance of the Philip J. Currie Dinosaur Museum.
- Search for fossils along the Wapiti River, while being transported via jetboat.
- Using microscopes, search for small fossils (teeth, vertebrae, fish scales) from the sediments of the Grande Prairie area.
- Prospect for fossils in the Kleskun Hill Natural Area.

**Dr. Philip Currie** is Professor, Canada Research Chair at the University of Alberta in the Department of Biological Sciences and the former Curator of Dinosaurs at the Royal Tyrrell Museum of Palaeontology.

**Dr. Eva Koppelhus** is Assistant Professor and Curator of Paleobotany and Palynology Collections at the University of Alberta.

**Darren Tanke** is Senior Technician II at the Royal Tyrrell Museum of Palaeontology.

**Sheldon Graber** is a Grande Prairie resident and has actively volunteered at the Pipestone Creek bonebed and Grande Prairie area for many years.

**Mona Marsovsky** is the coordinator for this tour and amateur palaeontologist and volunteer. She co-wrote the book "Common Vertebrate Fossils from the Cretaceous of Alberta".

### Dinotour 2020 includes:

- Guided tour including bus transportation to and from Grande Prairie, Alberta
- Five nights accommodation (double occupancy)
- All meals for each of the four days
- Admission to the Philip J. Currie Dinosaur Museum and for all of the activities at the museum
- Guidebook, T-shirt and goodie bag
- Canadian charitable tax donation receipt for a portion of the fees

The total cost (including GST):  
Adult CDN \$2195  
Single Supplement CDN \$335  
Minimum age: 12 years old

**A deposit of CDN \$500. is required with registration.** The deposit is non-refundable after June 4, 2020 unless the Dinosaur Research Institute cancels the tour. The balance of the tour cost is due **June 4, 2020.**

Be sure to register early to take advantage of this unique limited opportunity. For more information, contact Mona Marsovsky at [dinotour@dinosaurresearch.com](mailto:dinotour@dinosaurresearch.com)
