

Rotary Club of Calgary Chinook

Guidelines for Corporate Membership

All the policies and procedures of regular membership shall apply to Corporate Membership with the following exceptions:

1. The corporation and primary member shall be approved by the board as per our regular procedure. Any additional members shall be selected by the primary member but shall also be approved by the Rotary board. The corporation may change or replace a member as required, subject to approval by the board of the new member. Should the primary or other member leave the corporation, the member may request to join the club as an individual member.
2. The normal initiation fee and dues shall apply for the primary member. Any additional members shall pay 75% of normal dues, with no additional initiation fees.
