## CALGARY POLICE SERVICE Rick Hanson, Police Chief

Bart Dailley introduced our guest speaker Mr. Rick Hanson. As Chief of Police Mr Hanson discussed the Crime, Prevention and Reduction Continuum of the Calgary Police Service. Our Police Service is committed to reducing crime in our community by working with community partners to develop comprehensive strategies to address education, prevention, early intervention, treatment and enforcement. The ultimate goal of these strategies is to keep individuals out of the formal justice system when appropriate and to treat the underlying causes of their criminal behavior.

Rick impressed everyone on how important it is to prepare our children and grandchildren for dealing with our new culture. Computers, technology, drugs, and gangs are all very real, and kids need to know how to deal with these issues. This fall 15 elementary schools will pilot the Start Smart Stay Safe Children's project designed for students K thru Grade 12. The curriculum will focus on enhancing children's resiliency through lessons on staying safe, making good decisions, fostering healthy relationships and promoting pro-social and positive behaviors.

## DISTRICT 5360 GOVERNOR Mike French

Martin Harvey introduced our speaker Mr. Mike French.

**Excerpt from Mike's speech:**  
A quote from Eleanor Roosevelt,  
"The more you help others, the more you really gain yourself."

It's true isn't it? When you give someone a gift, it feels good. And when you combine all these projects your club is involved in, with all those that the other 34,000 plus clubs around the world accomplish, you can see that we Rotarians really make a big difference. There's actually a lot of feeling good going on around the world. And that's wonderful, because by feeling good we want to keep on giving.

Being part of a bigger entity we can accomplish massive projects such as the eradication of polio, working with other world organizations such as the World

# Meeting Minutes

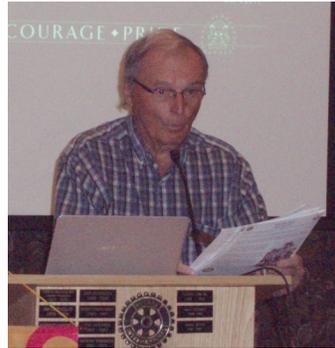

October 4th, 2011

Scribe: Linda Colclough

President Dave called the meeting to order at 12:20 pm which I'm sure he'll get fined for. As is customary, we sang O Canada and Rotary Grace, then we enjoyed our lunch amid the chatter of visiting and catching up with one another.

The Sergeant at Arms was Ed McLean and although he filled in at the last minute, he did his usual amazing job. Thank you Ed for making us all laugh!

President Dave welcomed back Patricia Garner. Patricia was away on medical leave because of her Dad's illness and passing.

Attendance this week was 63 which included our guests who were introduced by Fran Hochhausen. They were Jim Ansing from the Calgary Police, Rick Hanson, Calgary's Chief of Police, Joe Levy, Lou Christie, Lidia Lytwya and Simone Fortier, one of our former exchange students. From the West Club, Ray Gosselin, and from the South Club Jack Thomson and Terry McDonough. Welcome and thank you for joining Chinook Rotary.

### Birthdays and Anniversaries

This celebration was conducted by Linda Colclough with special recognition and a gift to David Wartman for being missed but not forgotten. The first Tuesday of each month is when we celebrate still being here and still being married. Both are a great accomplishment!

Another excellent program is MASST – Multi-Agency School Support Teams. This consists of four police/social worker teams dedicated to facilitating the early identification and delivery of interventions to young people, aged five to fifteen, who are exhibiting high-risk behaviors and/or a risk of victimization. We need to identify those young people most at risk, and there are many indicators that alert us that this child is at a greater risk for crime. Once identified, we can provide resources to address the needs, with ongoing support, to both the youth and their families.

For street level crime and social disorder, we have the Police and Crisis Teams (PACT). Things like car prowlings, break and enters, theft, and aggressive panhandling are generally committed by individuals with substance abuse addictions, who are trying to support their habit through crime. Often, these people are mentally ill and self-medicating through alcohol or drug use. By not treating their underlying conditions, these individuals frequently become chronic, public nuisance offenders, regularly processed through the criminal justice system and the hospital emergency rooms.

Calgary is now a large and growing city compared to 25 years ago. A lot of things in Calgary have changed and we have to adapt to this change to keep Calgary safe and prosperous.

## October 11th, 2011 Meeting Minutes Scribe: Linda Colclough

This week's meeting was an evening event with our District Governor Mike French in attendance along with Martin Harvey, the assistant District Governor responsible for our club.

We started in the usual way singing O Canada and Rotary Grace with Betty French at the piano.

Our dinner was delectable: Prime Rib, gravy, mashed potatoes, vegetables, and for dessert, pumpkin cheesecake. Makes me hungry just writing about it!

Each table introduced their own guests.

**News Alert:** Dave Wylie and his wife Ruth will be going to Bangkok, Thailand for the 103rd Rotary International Convention from May 6-9, 2012. While there, they also plan to go on the Sir Edmund Hillary trek where they will be guided through the sights of Kathmandu and visit the Sir Edmund Hillary school project. Dave has to raise \$2500.00 so we'll wait for more news on how to contribute to that.

**Upcoming events:** November 10th City Wide evening meeting at the Ogden Legion for Remembrance Day Service. NO TUESDAY MEETING that week.

**Cribbage:** Horton Road Legion 5:00pm – drinking, 6:30 to 9:00pm – playing.

Health Org. and the Gates Foundation. We can donate vaccine and mobilize people that allow for immunization days on a scale I still find unbelievable, when over 150 million can be immunized in India over just a few days is remarkable.

We all really do provide "Service Above Self". In our own unique way we bring our individual talents and skills to work together around the world and, as you do, in our local community. We need to share the message, not to increase membership for the sake of increasing membership, but to help us do more good in the world. If we share the news about the great projects we do, as well as the fun and fellowship we enjoy doing them, then others will want to join us.

Thank you to each of you for what you do to help those in need. Thank you for helping to develop leaders in the world and in your club. Thank you for your contribution to building world peace and understanding. And finally I am here to ask you to please keep on doing it.

DG Mike French had the honor of inducting our new newest members: Dr Joe Levy (this guy has more initials after his name than I have letters IN my name!) and Bill Churchward, who has been an active Rotarian for 27 years and that's a pretty impressive commitment of serving others.
