

5/10 Meeting David Wartman

Today's speaker program was the second in a series of video presentations by Michael McQueen.

Michael asked: Should we engage young people? We definitely need to engage young people. Some of the myths in this presentation were high tech works best, and you must be like them. Michael encouraged members to tell their Rotary story, rather than a series of stats supporting an argument, and encouraged a focus on a common purpose. Look back to plan forward, start small to grow, and focus on the outcome, rather than the process. The Rotary process produces the outcome.

David Wartman gave a brief wrap-up on the video, and we now look forward to our focus group meetings on February 16th.

February 9th, 2016

John McBean and Gerald Langereis welcomed our members and guests at today's meeting. President Dale opened the meeting at 12:15pm followed by O Canada, and Rotary grace.

Gerald Langereis introduced our guests including Ulla and Martin Merrild from Stiner, Denmark; Bryan Targett from Calgary South club, Karen Yong, and our newest member Dean White. They were welcomed in our usual unique fashion.

Harry Nazarchuk reported on

Norm Moro, who is recovering at the Foothills Hospital after suffering a heart attack, and as well, Tom Ranson is slowly recovering at home.

President Dale requested a moment of silence for Ron Southern who just recently passed away.

President Dale announced the 100th anniversary of the Rotary club in Great Falls, and advised if anyone is interested, there are tickets for this event available upon request.

Gwynneth Gourley

introduced our newest club member Dean White.

Dean is an engineering graduate from the University of Calgary, and a member of APEGA since 1982.

Dean has shared his passion for engineering with young people, launching Roots 2 STEM, an educational business (Science, Technology, Engineering, and Mathematics) by providing year round school programs for grades 1 to 12. Dean is married to Eva, and they have two children, Daphne and Darrel.

Paul Gaudet performed the induction ceremony, and introduced John Charrett as Dean's mentor.

Scribe: Alex Soutar

Minute People included John Charrett requesting volunteers for the mentoring program at Fairview Junior High School beginning March 4, 2016.

Rob Wolfson commented on his initial coaching experience with his junior bowlers, as they won a bronze medal---a happy bucks donation!

John Barratt was the 50 / 50 winner at today's meeting, and made the appropriate donation in advance of a request from today's Sergeant Rosemary Crawford. Rosemary managed to help relieve some coin from our members because of some incorrect answers to her questions.

Today's speaker program was David Wartman with the second in a series of video presentations by Michael McQueen.

President Dale thanked David for his presentation and closed the meeting at 1:30 pm.

Marriage

Whether a man winds up with a nest egg or a goose egg, depends a lot on the kind of chick he marries.

Trouble in marriage often starts when a man gets so busy earning his salt that he forgets his sugar.

Too many couples marry for better or for worse, but not for good.

When a man marries a woman, they become one, but the trouble starts when they try to decide which one.
