President David introduced today's speaker, Julia-Maria Becker, a senior analyst with the Pembina Institute.

Julia has worked for German and Mexican government institutions, attended the Paris climate negotiations as an observer, and is a member of Next Up's Climate Leadership Program.

The Pembina Institute is a non profit think tank that addresses clean environment ideas of how we can improve.

Climate change refers to wide spread change around the world in weather conditions. Human induced climate change increases greenhouse gases like carbon dioxide and methane when fossil fuels are burned.

Coal burning power plants produce a large amount of greenhouse gases. Some of these are being phased out and are scheduled to be closed in the future. Oil producing regions produce more greenhouse gases in their production process.

Some examples of energy efficiency savings for Albertans is to repair air leaks, increase insulation, upgrade home appliances, and change lighting to LED bulbs. There are many savings opportunities offered through Energy Efficiency Alberta.

President David thanked Julia for her presentation and closed the meeting at 1:30 pm.

the Arch — Notice

There will not be an Arch published next month (June), due to attendance by the Arch staff at the RI Atlanta Convention. 😊

The next issue will likely be July 18th as the 11th is the annual Carriage House Stampede breakfast.

Anthony Tonkinson and Stephen Pick greeted our members and guests at today's meeting.

President David opened the meeting at 12:15 pm followed by the singing of O Canada and Rotary grace accompanied by Ruth Wylie on the piano.

Stephen Pick introduced our guests that included Hans Tiedemann from the South Club, and our guest speaker Julia-Maria Becker.

Minute People included:

- Garth Sabrish requested additional support for the parking at Spruce Meadows National event.
- George Kimura advised the Appreciation Dinner at Spruce Meadows would be changed to Thursday July 6, 2017.

- Hank Popoff reminded the club of the Grillin' and Servin' events on June 3, June 18, and June 24, 2017.

- Anthony Tonkinson presented Paul Harris pins to Anne Dale, and Fred Jessie at today's meeting.

- Anthony also asked the members to support the Rotary Foundation as each dollar donation is matched by the Gates Foundation.

- Anthony then spoke on the Friendship Exchange group from Sri Lanka, and said they are looking for hosts to offer rooms in their homes for part of this trip.

The Sunshine Report indicated Ryan McLean's mother had just completed a surgery, and Ian Burgess had visited Barry Korpatniski following some back surgery.

The 50-50 was won by Joe Hooper.

Today's Sergeant was Hank Popoff who quizzed each of the tables on their knowledge of United States geography. Following a series of incorrect answers, many fines were placed in the collection dishes.

President David introduced today's speaker, Julia-Maria Becker, a senior analyst with the Pembina Institute.

Spruce Meadows Parking

The National runs from June 5th to 11th.

In addition to the usual parking shifts, there are shifts for the school tours.

Don't forget!! Due to the time conflict with the Rotary International Convention, we will be down over 10 parkers from the usual roster. There is therefore the need for all other members to step up and do a couple of extra shifts over and above your normal commitment to this event. The Atlanta bound members will be sure to step up and fit in some extra shifts of their own at the North American in July.

Please help and work as many shifts as you can!

Baseball !!

Fellow Chinookers, we have been invited by the Rotary Club of Okotoks to join them on **Wednesday, June 28th** for an evening baseball game. Gates open at 5:30pm, game time 7:05pm. Cost will be \$30 per person which includes stadium seating, patio on the 3rd base line for a steak sandwich and a drink.

We had 12 from our Club attend this event last year and it was great fun! Check your schedule and advise Paul if you would like to attend. I will put together our list of attendees and forward it to our Okotoks contact. You will be able to pay at the door on the night of the event.
