DisCon 2017 — Strength in Numbers May 5th - 7th in Red Deer

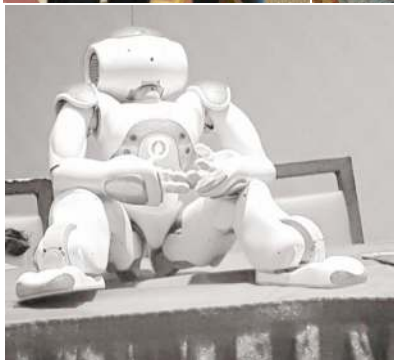

A number of Chinook Rotarians made the trek to Red Deer

From the photos, it seems all had a great time at the 2017 District Convention.

Anne Dale gave a presentation on Days For Girls that was very well received — great job Anne!

The annual district convention provides a chance the make new Rotarian friends, catch up with old ones, and learn what is going on in the District and the World of Rotary. The 2018 District Convention will be held May 4 to 6, 2018 at the Hyatt Regency Hotel in Calgary.

Maureen Tynan and Ron Hardy welcomed our members and guests at today's meeting. President David opened the meeting at 12:15 pm followed by the signing of O Canada and Rotary grace accompanied by Ruth Wylie on the piano.

Ron Hardy introduced today's guests including our guest speakers Dustin Rennie and Daniel MacPhee, Jennessa Waters guest of David Wartman, and out of town guests Rob Whitfield from High River, and Ray Roth from Canmore.

Minute People included:

- Hank Popoff reported on the success of the Grillin' and Servin' events, and reminding members to re-sign up for the Food Safety Certificate after the three year term expires.

- Paul Gaudet reported on the proposed by-law changes that harmonize with Rotary International, and will help improve the Chinook membership process.
- Additionally Paul commented on the new signage information promoting Chinook Rotary at Spruce Meadows for the new event season.
- Alex Soutar noted the committee signup forms for the 2017-18 year were distributed, and requested they be completed and returned.

- Alex also commented the current members helping with meeting minutes as a scribe were quite dedicated, however we need to add some new scribe members to the committee.

- Rhea Graham reported on membership, highlighting an information booklet called Discover Rotary. Rhea developed this concept to communicate Rotary service, and promote Rotary ideals to business associates and prospective new members.

- Rob Wolfson promoted the Kickn' It Country fundraiser at Ranchman's on Wednesday May 10, thanking members for purchasing tickets, and commenting the media blitz promoting this event continues throughout the next week.

Steve McAuley. Spouse birthdays include Bev Pettigrew, Beti Gaudet, Mary Billings, and Lise May.

Rob Wolfson had Sergeant duties this week, and managed to extract fines from most of the members present.

Winner of the 50/50 draw was Ron May.

Speakers today were Dustin Rennie, and Daniel McPhee who presented an update of the Chinook Rotary website with a step by step access procedure for our members to follow. They were assisted by Dave Wylie who gave a demo on access to Clubrunner.

President David closed the meeting at 1:30 pm.

Spruce Meadows Parking

The National runs from June 5th to 11th this year. In addition to the usual parking shifts, there are shifts for the school tours.

Due to the time conflict with the Rotary International Convention, we will be down over 10 parkers from the usual roster. Thus there is the need for all other members to step up and do a couple of extra shifts over your normal commitment to this event. The Atlanta bound members will be sure to step up and fit in some extra shifts of their own at the North American in July.

Thanks for your support for this highly valued fund raiser for our club.

A young man was standing at the grocery store checkout line when he noticed an elderly woman in front of him. As she unloaded her grocery cart, she kept looking up and staring at him. After a few awkward moments, he asked, "Why do you keep staring at me?"

The woman said, "I'm sorry, but it's just that you look exactly like my son who recently moved across the country." "I'm so sorry to hear that," the young man replied. "Is there anything I can do for you?"

"Yes," she said. "As I leave, if you would say, 'Goodbye, Mother' it would make me feel so much better because I need to hear his voice." "I'd be glad to do that for you," he answered.

As the old woman was leaving, he called out, "Goodbye, Mother!"

After unloading his cart, the bill came to \$147.50. "How can that be?" he asked the clerk. "I only purchased a few items."

"Oh," the clerk replied, "your mother said that you would pay for her."

Rotary Foundation

The Association of Fundraising Professionals recognized The Rotary Foundation with its annual Award for Outstanding Foundation at its 2017 conference in San Francisco. The award honours organizations that show philanthropic commitment and leadership through financial support, innovation, encouragement of others, and involvement in public affairs.

AFP's committee of judges cited Rotary's comprehensive campaign to eradicate polio as a major driver of the selection. The committee also mentioned that Rotary applies a methodical, purposeful approach to support a wide variety of causes, from providing clean water to educating the next generation of peace professionals.

"With the generous support of our members and partners, we've taken on some of the toughest humanitarian challenges in the world, none more so than the devastating disease of polio," said Rotary Foundation Chair-elect Paul Netzel. "We will defeat polio, and it will be a landmark achievement for global public health."

"This award helps to spread our belief that service to humankind truly changes our world, and for that reason, it is the greatest work of life," said Netzel.
