Our Guest Speaker today was Dr. Gayle Watson Warthe, Associate Dean, Teaching and Learning at Mount Royal University. Dr. Warthe was introduced by Paul Gaudet.

Dr. Warthe, with the use of slides, made us aware of recent studies on violence. Just 9 of over 100 universities and colleges have adopted special policy to address sexual assault. Nearly 1 in 5 women will be sexually assaulted as students. Many universities have policies that are patchwork at best.

Dr. Warthe noted that there 3 types of violence — dating violence, domestic/spousal violence, and intimate partner violence. Such violence can be emotional, physical or sexual. Studies show that in Canada, 80% of the victims are female. In 84% of those cases, the perpetrator is known to or is a partner of the victim.

Another sample of 48 Canadian undergraduate schools showed that in 30% of them there were no programs or services related to dating, domestic or sexual violence. No programs promoting healthy relationships.

Dr. Warthe indicated that in the last three or so years, more secondary institutions have started to take on the various types of violence. The programs being offered put emphasis on healthy relationships. Public awareness campaigns on the prevention of all forms of violence are being developed.

Following a question and answer period, President George thanked Dr. Warthe for her informative presentation.

President George welcomed the gathering — the room was full. Ruth Wylie was at the piano for the singing of O Canada and the Rotary Grace.

Greeters: Bob Gentles and Gerald Paetz

Bob introduced the visiting Rotarians and guests: 1 Rotary guest from Calgary, 1 from Summerland BC, and 1 Rotarian from Neepawa Manitoba. There were 4 guests, including our speaker Dr. Gayle Watson Warthe, MRU Professor.

Sergeant-at-Arms: Paul did his usual excellent job of collecting loonies and twonies from members for their indiscretions.

Minute People:

- Rob Wolfson reminded those planning to attend next week's meeting to sign up — the speaker will be Kelly Hrudey, Hockey Night in Canada Analyst.
- Rob also mentioned the annual World Series Pool will be circulated.

- Our guest from Summerland BC, President of her club, bragged about their weather.
- Anne Dale reminded all that "The World's Greatest Meal" will be held on Saturday October 20th.

All proceeds will go the Rotary End Polio Now program.

Chinook Rotary Recognition Program: President George presented Dr. Ian Burgess a pin for his long commitment to the Club. Ian was President in the 89/90 Rotary year.

50/50: won by Tom Sorenson

Networking September 27th

A small but active group of Club Members and Friends met at Limericks for the monthly networking event. We were joined by the current DG and PDG whose comments and reflections added greatly to the event. Dean White made a presentation on Roots2STEM that generated lots of comments and discussion.

This is a great program that obviously has the support of the District. The next meeting will be on October 25th starting at 5:30pm. Join the group for informal discussions about the Club and Rotary in general. Have a beverage or two and maybe dinner or just an appetizer.

Remember to bring a friend or potential Club member or Friend of the Club to expose them to Rotary on an informal basis.

Networking @

Ronald McDonald House October 6th

Chinook members and friends served brunch at Ronald McDonald House on Saturday October 6th to about 50 folks with sick kids who are being treated at Children's Hospital.

Thanks to all who participated in this worthwhile event.

One Day, One Focus, Ending Polio

Wednesday October 24th 2018 is World Polio Day. In recognition of this, there are three events you can consider attending:

- The World's Greatest Meal event being held on Saturday October 20th by Club Member Anne Dale, see the ad in this issue for details.
- Dr Ian Burgess is making a presentation to the Club at our regular meeting on October 23rd.
- District 5360 is hosting Rotary International's World Polio Day live stream event at the Globe Cinema in downtown Calgary on Wednesday October 24th with doors opening at 6:00 PM for a 6:20 PM start. Tickets are available online through the District 5360 website, or via the Whazup Newsletter.

Poliomyelitis is a highly infectious disease that most commonly affects children under the age of 5. Most know it as poliovirus. The virus is spread person to person, typically through contaminated water. It can attack the nervous system, and in some instances, lead to paralysis. Although there is no cure, there is a safe and effective vaccine – one which Rotary and our partners use to immunize over 2.5 billion children worldwide.

5-Pin Bowling & Pizza !!

Saturday November 10th from 5 – 7pm

@ Toppler Bowl, 7640 Fairmount Drive SE

\$25 per person

includes 2 hours of bowling, shoe rentals and pizza
(drinks at own expense)

Sign-up on the sheet at meetings or contact Rob Wolfson

Unless we eradicate polio, within 10 years we could see as many as 200,000 new cases each year, all over the world. The disease is endemic in only 3 countries, but unless we reach every child with the vaccine, no child anywhere is safe.
