Our Arch Supporters ... THANK YOU !!

Dave W and Dean gave a primer on the information in ClubRunner, and how to use it.

It was difficult for your scribe to catch all of the detail, so I have included Prez Paul's summary, as follows:

Thanks to Dave and Dean, we learned new things about information on both the website and the ClubRunner app.

Rather than try to cover the highlights herein, suffice to say that we have 3 of our members who are actively working on our website, and have agreed to make themselves available to assist those who have questions, or concerns.

Dave will be working on membership matters, mainly on the second page of the website. If you need help getting onto the website, or updating your personal information, Dave is your guy.

Dean is working on the front page, adding, or deleting club information from our Directors, who wish to revise data.

Stephen is also helping by adding speaker and future event information and our ARCH newsletter.

Feel free to reach out to any of these folks, and they will either help you directly, or they will direct you to someone who can.

Solving real problems takes real commitment and vision. **Rotary** unites people from all continents and cultures who take action to deliver real, long-term solutions to our world's most persistent issues. Together, we apply our professional experience and personal commitment to find new and effective ways to enhance health, stability, and prosperity across the globe. Through volunteering, our 1.2 million members make lifelong friendships that transcend political and cultural boundaries and foster global understanding and respect.

In addition to our 35,000 clubs, Rotary also offers expanded service opportunities including:

- **Interact:** a service organization organized and sponsored by Rotary clubs for young adults ages 12-18. There are more than 20,300 Interact clubs in 159 countries.
- **Rotaract:** groups organized by Rotary clubs to promote leadership, professional development, and service among young adults ages 18-30. There are more than 10,000 Rotaract clubs in 184 countries.
- **Rotary Community Corps (RCCs):** groups of non-Rotary members who work to improve their communities. There are more than 7,500 RCCs in 80 countries, all organized and sponsored by Rotary clubs.

Membership Snapshot

Who: Rotary brings together the kind of people who step forward to take on important issues for local communities worldwide. Rotary members hail from a range of professional backgrounds; doctors, artists, small business owners, teachers and executives all call themselves Rotarians. Rotary connects these unique perspectives, and helps leverage its members' expertise to improve lives everywhere.

Where: From Haiti and Greenland to Nigeria and Singapore, Rotary unites a truly diverse set of leaders from across the world. Currently, the largest number of clubs comes from the United States, India, Japan and Brazil. The fastest growing Rotary regions include Southeast Asia and Africa.

What: Each year, Rotary members invest more than \$200 million and 16 million volunteer hours to promote peace, fight disease, provide clean water, save mothers and children, support education, and grow local economies.

Polio Eradication: For more than 30 years, Rotary has been the driving force in the effort to eradicate polio worldwide. Alongside our partners in the Global Polio Eradication Initiative, we have achieved a 99.9 percent reduction in polio cases. Our members have contributed \$1.9 billion and countless volunteer hours to protect more than 2.5 billion children in 122 countries from this paralyzing disease. Today, polio remains endemic in Afghanistan, Nigeria and Pakistan. Rotary remains committed to ending polio, and will raise \$50 million per year, with every dollar to be matched with two additional dollars through a matching agreement with the Bill & Melinda Gates Foundation. With the infrastructure we helped create to end polio, we have built a lasting global health legacy that is now used to reach millions of children to treat and prevent other diseases.

Networking - Pints for Polio

The next Networking Night will be
Thursday **October 24th** from 5:30 - 7:30
at **Big Al's Bar and Grill**, 1915 - 31 Street SE
(just east of Deerfoot Trail on 17th Avenue SE)

Pints for Polio

Our guest speaker will be Marc Shannon. He is a Polio survivor, wine connoisseur, France enthusiast, lover of food and life, and has a great sense of humor (all around great guy!).

There will be an entrance fee at the door of \$26.50 (the amount of the first donation to the Rotary Foundation). This cost will get your first drink and some wings. Anything additional will be at your own expense. **All profits after paying the tab, will be added to the November 7th End Polio Now Schank's fund raiser.**

It is Wing Night at Big Al's, and they will have a jam session starting at 8:00pm for those wanting to stick around. They are wheel chair accessible, and have lots of parking. We will have room for 35 - 40 attendees.
