### Rotary Drive-In Movie Night

A huge and sincere thank you to all of the committee chairs for their tireless efforts over the past month to make this weekend a possibility and a huge success. Also thank you to everyone who was able to come out to volunteer. Lastly also a thank you to our partners and fellow Rotarians in the Centennial Club as we continue to get to know and work with them.

WE DID IT!!! It felt great to be active, and in greeting our movie going public, they were also very grateful for our efforts. This was positioned as a Community Service event, and the attendees loved it.

Mother Nature tried to stop us on Friday but she failed, and on Saturday night we had a couple of snags during the movie, but guests

were patient and enjoyed themselves. All in all I could not be prouder to be a Rotarian! I don't know the final numbers yet as the accountants at Holt Cahill and Co. need to do their final checks and balances but I will report as soon as I can.

On the CTV news, Russell Kane and I were interviewed on site. Also I found out from guests that along with Virgin Radio and X929, we were also advertised on CJAY92, Country 105 and Global TV and along with the Global online news article, Calgary Herald article and Joe McFarland's interview on AM770, our Chinook and Centennial Rotary Clubs received some great public awareness this week for stepping up in these troubled times to be "People of Action".

## Calling All Scribes !!

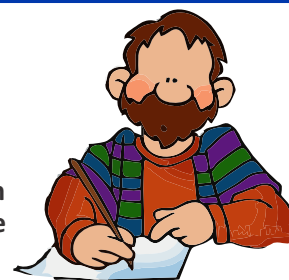

### Scribes needed!!

We have the job covered for July, August and September!

We are looking for help from October through the balance of the Rotary year.

Please help!!

Contact Paul Gaudet to volunteer.

## Nature Park Servicing

Here are a couple of photos of Devell and Brennen Pell of Norse Landscape, clearing our pathways for the season last week.

The large rocks around the main gazebo have graffiti on them, pet owners are not picking up and taking away poop, the park needs more TLC ... more pet signs, fishing notices, asphalt surface treatment in main gazebo and more. Norse have done a super job for us in what used to take 6 to 8 members to do. Only one member had stepped up this year, Tom Sorenson, prepared to do some trimming.

It will be perfect for the Park Picnic on August 18th.
