The ROTARY Mattamy Greenway connects Calgary to form one of the largest pathway networks in the world, with over 1,000Kms of trails! The RMG links parks, natural areas, green spaces, river valleys, and citizens. During COVID-19, tens of thousands of people are on the pathways ... some for the very 1 st time.

Rotary Citation Award 2019/20

Message from Julia Donohoe, Recognition and Service Awards Specialist from Rotary International.

“Congratulations, your Club has earned the Rotary Citation, the most significant award a Rotary Club can achieve, for 2019-20. During a year that was challenging for many Rotarians around the world, your club demonstrated a commitment to achieve its goals, which ultimately helps strengthen Rotary and shape our future.

Once again, congratulations on a successful year as Club President.”

Signed by Mark Daniel Mahoney, President Rotary International

A brief comment:

During the work on our strategic plan this past summer, it was clear to the committee that while we certainly have our challenges, we do have many strong features to our Club, not the least of which is many dedicated members who remain committed to Service Above Self, and I believe this award recognizes these strengths.

Thanks to all our members and a special thanks to our Board of Directors for their guidance and leadership. Finally, a special, special thanks to Rob Wolfson, whose leadership is getting us through the COVID chaos, and who led us to the zoom technology which has allowed us to continue connecting the world.
