# Guess Who's Coming to Dinner? Dinner Club

Don't delay.. sign up for the Dinner Club now (deadline is August 31!!) as we would like to see our snowbirds get an opportunity to host and perhaps "dine out" with our other members before they leave for the winter ...That is my "urgency" in getting members signed up early!!

If you were a member last year, and haven't changed any of the info, you need to just let me know you will join again.

If you are new to this, it generally means you host 4-5 members (spouses/partners) once and you are invited out twice, by other members. Fill out the attachment...

Your menu need not be gourmet, just easy and simple... our purpose is not gourmet meals, but to get to know people better!! You can entertain in a restaurant, or at your home for lunch, brunch, dinner..or even a weiner roast in the backyard!! Last year, no one had a duplicate in guests or hosting, which worked out really well ...thank you, Greg and Joanne M. for giving me good advice!!

For those of you who have yet to host from last year, please do it asap.. please be fair to the ones who are expecting to be invited out.. It sometimes, can be trying to get people together, but if you set two/three dates and you can't get your assigned guests together, please go ahead with the most popular date and ask other members to round out the table.

Bonus: To add a little fun for the Dinner Club members, we will be having a Wine Tasting evening in early October...date to be confirmed shortly.

Contact **Pat Neuman** (<u>pneuman647@gmail.com</u> or 416-889-5673) to sign up.

#### Obituary Notes August 31, 2023 Doug Kyle—Former member of Rotary Club of Calgary South

Calgary is poorer from the loss this week of one of Canada's former leading athletes and a leader in fitness, Doug Kyle. Doug was a member for many years of the Rotary Club of Calgary South and was very active throughout his time with us. He died in hospital last Sunday evening following a single-vehicle rollover accident in Southeast Calgary. He was 91. Doug and his wife, Carol, were married for 64 years and were one of the most notable pairs in the Canadian athletic world. Doug represented Canada in two different Olympics, competing in 5000 and 10,000 metre runs. He won many medals and awards over his athletic career and Carol, who passed away in 2021, was also an accomplished athlete and is a member of the Alberta Sports Hall of Fame. Doug also founded the Calgary Track and Field Association, as well as starting the Calgary Marathon, which first ran in 1960 with 19 runners and today attracts in excess of 10,000 athletes more than 60 years after its inception. Doug also sat on the Board of the Calgary Rotary Mattamy Greenway during its formation. Doug will be mourned by many people in Calgary and across the athletic world.

HOST FAMILY APPLICATIONS BEING ACCEPTED -By Dorothea Schaab

**Gail Williams,** Chair of Youth Opportunities and Leadership has asked me to advise you that we are accepting applications for host families for our inbound Youth Exchange Student, Marino Farella. Special thanks to **Stacey and Kathy Johnson** and their family for being his first host family. We want Marino to experience our diversified Canadian culture and this happens as he is involved in daily home life with a number of different families. Please give thought to this opportunity to participate in molding this young person's life.

The close bonds formed between host family members and exchange youth often lasts for many, many years. For me, I'm still in touch with students from as far back as 13 years ago. And I know some of you have attended weddings, and hosted students as they have returned to Calgary for vacations ... most recently Hannah from Austria.

So please give this consideration, especially our new members. Not only is this a life changing year for our students, but your horizons will also be expanded. Information on applying as a host family has been distributed through recent emails and it will be in the Bulletin this week as well. Please contact **Gail Williams** for more information.

2023-24 Inbound Rotary Youth Exchange student Marino Farella arrived from Italy on Sunday, August 20. Saying Benvenuto are, from left, **Stacey Johnson, host parent; Rick Jakubek; Marino; President Bryan Walton; Marietta Maier, outbound counsellor; Gail Williams, inbound counsellor and chair, Youth Opportunities. #### **Protecting Vulnerable People Policy Requirements 2023-24**

It is critical that our Club is following the requirements for certain Club members to volunteer with the vulnerable population. The requirement to be an approved volunteer is to be screened following District 5360 procedure. Currently, District 5360 has identified the following Committees where volunteers should be screened:

- NGSE, RYLA, RYPEN, RAYEC Program Lead
- District Board
- Protecting Vulnerable People Committee
- Club Interact Advisor
- Club Stay-in-School Mentor (when student is under 18 years of age)
- Club Youth Service Committee
- Club Youth Scholarships & Awards

Club Vulnerable People Programs (e.g. Seniors, New Immigrants) In addition to the above there is a separate application and set of requirements for a family hosting a student.

### **Screening Requirements:**

There are 4 requirements to be approved as a volunteer working with the vulnerable population:

- 1. Interview of the potential volunteer by the Club;
- 2. A current Police Information Check (including a Vulnerable Sector Check);
- 3. Current training in the Youth Protection Awareness course (online), and;
- 4. Three independent references (not family and only one Rotarian).

Once all of these requirements have been met, the volunteer is approved to commence working with the vulnerable population. The current Policy requires this screening be completed before any one to one activities occur with a member of the vulnerable population.

The pandemic stopped most, if not all activities and programs in Rotary for the last 2-3 years and the District database shows most of our members don't have any of the requirements to volunteer with the vulnerable population. This is NOT required if you don't have any one to one involvement with the vulnerable population. For example, If you wish to take our inbound student for an activity or drive them to our Club meet-

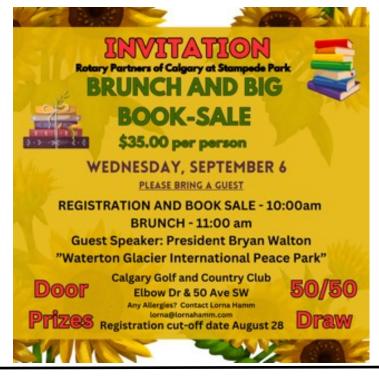

ings and have another adult (or adults with you) with you, you do **not** require screening.

My plan is to communicate with all of the Chairs of Committees who have the potential to have one to one contact with the vulnerable population and advise of the requirements. I will work with those Committees to ensure screening is completed before any activity with the vulnerable population takes place.

Please contact Carol Graham (Club Protection Officer) at grahamca1120@gmail.com or(403) 861-4225 with any questions or assistance.

We start Book Club again on September 18, 2023. The cost is \$20 for a yummy breakfast buffet and discussion about books that you have read. Email <u>janetopp@shaw.ca</u> if you'd like to join us. Our Book Sale will be on September 6th 2023 at the Partners luncheon. **Jane and Maureen** 

#### **District 5360 Opportunity**

Here is an opportunity for Young Professionals in your club to attend this event in September. Over the past several months Phoenix MacLaren and Kamil Kanji have been developing a two-day training during the upcoming "Learning to Lead" event in Toronto to bring Rotary and Leadership Development to members ages 25-40... those a little newer to the work world, newer to the Rotary world. What will go down:

- We will discuss different District Committees and how to become actively involved- honing their leadership skills, while providing excited committee members for your district.
- We will explore The Rotary Foundation by developing grant projects smaller projects to apply for District Grants; larger projects to apply for Global Grants; understanding how DDF works and the importance of giving, especially how easy Rotary Direct makes
- We have invited Toastmasters to join us, a partnership started a few years ago, to enhance public speaking skills finding our voice in an organization of leaders.

Finally, we will address Communicating Across Generations - for the first time, we have 5 different generations working together - let us all learn to communicate better with each other.

More information can be found on the website - <u>https://portal.clubrunner.ca/50077/page/2023-learning-to-</u><u>lead</u>

Costs to attend include; airfare, registration (\$575 – includes all meals except breakfast), and hotel accommodation (\$175).

**RIBFEST VOLUNTEERS**: Please note that you will not be able to edit the schedule however it is to be used as a guideline for the categories of activities and specific shift times and vacancies available. **September 8-10th at McMahon Stadium.** 

Should your members wish to support our Ribfest project then they need only select the category and shift time and email the information back to me and I will enter their information into our schedule. The schedule is constantly updated so if they select a shift then the next day they can click on the link and see that their name has been entered. We ask that they provide their mobile number so we can enter it beside their name and also confirm if they have taken AGLC's Proserve Course. The Course is not necessary to volunteer but we need to confirm to AGLC how many of our daily volunteers have taken it. This year we are hoping to raise funds in support of mental health and wellness through local services including "I can for kids", CUPS, and "It's a crime not to read".

Volunteer Link: https://docs.google.com/spreadsheets/d/1vvaCBHzJIcfdFn1rdrJybotBarOnCmDCzF5uSNdbsVA/edit#gid=0

A brief description of volunteer categories are:

- 1) Greeters will meet guests at the entrance area to make them feel welcome, collect donations and count the attendees.
- 2) Rotary info tent providing information about Rotary to interested guests.
- 3) Ticket sellers selling 50/50 and beverage tickets. Should be comfortable on your feet and interacting with guests.

4) Beverage runners/servers - working to serve both beer and non alcoholic beverages. Will help restock inventory as needed.

5) Table clean up - ensure the tables are clean for patrons to use. Will include using and changing garbage bags as needed.

6) Assistant accountants - helping collect and manage the cash flow and information transfer at the request of our accountants.7) Children's area - working with the children, guiding them and keeping an eye on their activity.

The set up on Thursday and take down on Monday involves setting up or taking down tents, tables and chairs. it's a fun 3 days/ evenings with great bands playing throughout, a market with a dozen vendors, a family section, a variety of Rib trucks ribs and cold beer.

Any questions let me know and I'll do my best to supply an answer. Yours in Rotary, Paul Gaudet. E-mail: <u>gaudetco@shaw.ca</u>

# Hiking Club

Running Rain Lake lived up to its name when 12 hikers tackled river crossings on foot, stream crossing on flimsy logs and other crossings that entailed leaping across and hoping for a landing. It was raining most of the hike! The river was capable of producing hypothermia in your feet before you got across. On the other side we changed into warm

socks and hiking boots. After quite a climb we came down to a boggy area and then were treated to the beautiful lake. Ponchos were the fashion statement. Our youngest hiker took this picture of his grandpa crossing the flimsy log bridge with a railing so low you had to stoop to reach it. This kind of hike builds character! **Pat Farn**
