Bulletin Chair: Bev Ostermann
 Editor: Carol Graham
 Photographer: Mel Gray

When asked a few months ago what were my goals for the club this year; My initial reaction was simply to make it through July and August successfully. Because that would set the stage for a great financial year! Less than three weeks ago we completed a very successful Rotary Dream Home at the wettest Stampede in recent memory thanks to a great organizing committee, an attractive home and 50/50 draw, plus the hard work of hundreds of Rotarians, Partners, Family and Friends, who filled shifts and persevered in the rain, it was a great success.

We then finished a "sold out" SIS School Golf Tournament. We can now concentrate on the last major fund raiser for a while: Country Thunder. As in our other ventures, we have an excellent organizing committee leading the way and like our Polio Plus Motto "we are this close". We are this close to three HOME RUNS in a row ! As we get the serious business of fund raising out of the way, we will return to the equally serious business of **"Having Fun"**!

The August 14th OLDE TYME FAMILY PICNIC is the official start of FUN ... with other opportunities in the planning stages.

Our new RI President, John Germ, was recently quoted as saying.... "This year is all about bringing together committed professionals to achieve remarkable goals by serving humanity. Now is the time to capitalize on our success and catapult Rotary forward ...to be an even greater force for good in the world! The Vision is to enhance Rotary's image, boost membership and leverage Rotary's success into bigger, better partnerships and greater growth.

We need more willing hands, more caring hearts and more bright minds to move our work forward"

How is Calgary South positioned to help move Rotary's work forward?

INAUGURAL ADDRESS BY PRESIDENT KEN FARN ROTARY SERVING HUMANITY

Club Structure: Board Of Directors: (8 returning & 7 new)

Work of our club is divided in to 70 committees, manned by close to 700 club membersso the majority of members are significantly involved in the work of our club !

Membership:

We currently have 152 active members and 11 honorary members = 163. A healthy 3 to 4% growth has been our experience. Extra emphasis has been placed on new member recruitment and mentoring, to keep club vibrant and growing. Women make up approximately 15 % of our active membership, but is expected to grow to 20% in the next couple of years. We have 5 committees focused on Membership issues. Because membership is so important, I plan to meet with the chairs of these 5 committees in the next few weeks to discuss goals, operating procedures and need for good communication between these committees.

Also under Membership: **Millennium Associates** Chaired by **Geoff Hughes**, a new venture for our club and building block for membership in our club. The committee will reach out in a systematic way to 25 to 40 yr. olds to encourage them to get involved in meaningful ways that will give back to the community.

Financial Matters: As our club has grown in size, accounting procedures have had to change with it. CRA is a big part of our financial reporting process in order to maintain our "Charitable Society" status. The Provincial Government is also more involved, so when we apply for Lotteries like 50/50 at Country Thunder or Casino License, they are requiring a lot of information including up-to-date financials and Audited Statements. So the job of financial management, which has always been important, continues to grow, in our everyday activities! We have been privileged to have **Art Borzel** doing our financials for many years (25+ years). Art has created accounting systems that have allowed us to become a "Charitable Society" and his legacy is good financial systems that we can grow with.

Larry Kennedy inherited the role of Treasurer from Art a few years ago and will remain in that role for the foreseeable future, but the role is also changing. We are very pleased that **Larry Stein** has accepted an "Assistant Treasurer" role, beginning this year, allowing Art Borzel to back away from responsibilities he has shared as Assistant Treasurer. Art continues to be a valuable resource for both of our "Larry's" and is still available, but his daily office hours are short.

Financial Summary: We have a substantial Financial Reserve, capable of funding club operations for a year. Each year we only spend the previous year's earnings. What is earned this year, will be available for spending next year. *Legacy Projects are an Exception, because of their Multi-Year funding structure and are approved separately by membership.*

Revenue Forecast:

CRCF: \$115,000 to be split 50/50 with SIS Scholarship Foundation and re-Investment back into CRCF

2016 Dream Home & Split 'em 50 Lottery: estimated at \$475,000. Dream Home proceeds will be lower than last year, but with the Split 'em 50 added we will come out close to last year's results. Which is a significant considering the rainy weather and soft economy.

SIS Golf Tournament: estimated at \$25,000 net of expenses

Country Thunder Lottery at \$50,000

a) Community Service: 50/50 Lottery @ \$50,000

b) Club Service: Bar Sales & Service @ \$100,000

Casino: Scheduled for second quarter of 2017. Revenue estimated at: \$70,000-\$75,000

INAUGURAL ADDRESS BY PRESIDENT KEN FARN ROTARY SERVING HUMANITY

APPLICATION OF FUNDS:

SIS Scholarship Fund: should receive approx. \$225,000. **Goal** \$3.2M - \$4.0M ASAP (Golf @ \$125,000, CRCF @ \$55,000 & Personal Donations @ \$45,000)

World Community Service: will receive estimate at: \$100,000

Small Grants: Community: Est. @ \$100,000 and **Large Grants: Community:** To be Determined. Last year's \$100K Grant was rolled back and applied to Rotary Greenway project to give more flexibility to fund the Rotary Bethany Partnership's "Rotary Atrium Garden" this year.

Rotary Mattamy Greenway: @ \$100,000 (Last Payment of \$1.0M - 5 year commitment)

Rotary Bethany Partnership: RI has for several years identified a need to support senior's care. The biggest health issue for seniors is Alzheimer's disease and related Dementia , which is a leading cause of disability among seniors today. In Calgary alone there are more than 13,000 seniors living with dementia and yet there are only about 2,000 dementia care beds. This shortfall will double in the next few years. For the past two years several Rotary Clubs, including Calgary South, have worked to develop a Legacy Project within Calgary's Seniors Care Services. We have created the Rotary Bethany Partnership with the goal of raising \$1,000,000 to build an indoor garden atrium in a new seniors facility in Bethany's Riverview Senior's Campus of Care. The atrium will be named The Rotary Atrium Garden. This is our first initiative in Senior's Care and will yield long-term exposure for Rotary. Once Agreements are done, Rotary will become the "lead" donor for Bethany's \$5.0 M public fund raiser. Rotary's name will help Bethany raise financial support and we will gain significant public exposure before the project is completed and for many year thereafter.

Club Activities:

Community Volunteering: Without Feed the Hungry this year, Harry Pelton will be looking to find a new community project to focus on and we look forward to hearing from him in that regard. If you have suggestions speak to Harry.

Youth Services: Support for youth continues to be an important cornerstone for Rotary so we are attempting to shore up these committees with energetic people who are passionate about getting youth involved in community. **YEX** - is a hugely successful international program for senior high school students. Under Ron Prokosch's leadership we have made a difference in many students lives.

High School Partnerships such as St. Mary's have not gotten the traction we want in recent years and will be reviewed with the committee and director to find mutually acceptable ways forward.

Stay in School Scholarship: Stay-In-School Scholarship program remains a cornerstone in our youth development strategy.

Goal is to support a 40 student population base, while growing our financial resources to \$4.0 M from \$3.2M - Current scholarship remains at \$7,500 per year - max 4 years payout.

Social Committee: Toby Oswald Felker Chairperson 17 members

We need a new chair for the Radium Weekend Event as Lynn is stepping back due to his responsibilities with Stampede Lotteries. Thank you Lynn for your support and hard work on this committee.

Social Committee's Philosophy

Control Costs & Reduce Ticket Prices while maintaining Quality, Ramp up the FUN in all events, Broaden Appeal to all Members. Our goal is to make sure we are having fun so the hard work of fundraising is worthwhile.

Closing: Our Finances look to be in good shape, the hard work of Fund Raising is almost behind us So let the fun begin with the Olde Tyme Country Picnic.

Instead of the Club making a donation to the SIS Scholarship Fund, I will donate \$100 to the Fund, to express my gratitude for allowing me to represent Calgary South this year, as your president.

CLUB NEWS

President Ken Farn welcomed everyone to the Rotary Club of Calgary South and said that he is honoured to be the Club President for the 2016/17 Rotary Year.

President Ken then shared very sad news with the Club today. **Don and Caroline Bacon's** granddaughter died tragically in a car accident. Our thoughts and prayers go out to Don and Caroline and their family during this difficult time.

President Ken then asked everyone to join Lisa Fernandes and the Head Table in the singing of O Canada followed by Rotary Grace.

Head Table: Toby Oswald- Felker, Earl Huson, Charlie Gouldsbrough, Ted Stack and Gail McDougall

Bulletin Editor: **Carol Graham** Photographer: **Mel Gray**

Roger Jarvis & Sam Switzer

Guests: Bill Sumner introduced a number of guests but made a special note to welcome back our Exchange Student Hannah, along with her mother Suzanne and sister Laura as well as Sam Switzer.

Hannah, Murray & her family

Old Tyme Picnic: Toby Oswald-Felker advised us that Picnic is on Sunday August 14 from 1-4 pm. Toby asked us to close our eyes and imagine an old fashioned picnic with beautiful ranch setting(thanks to **Bob and Carol Brawn**), children laughing , familiar games (not involving computers!) and great food by our own **Michael Zacharki**. The cost is \$10 per person and children under 2 are free. Toby will supply hula hoops and dixie cups!

St Mary's Parking & Waterton Glacier Peace Park: Earl Huson reported that the parking partnership with St Mary's was another success this year garnering \$18,235. Many thanks to the rain soaked volunteers. **Earl** also reminded the Club of the 84th Waterton Peace Park event (started in 1932) on September 16th and 17th to be held on the U.S. side at the Glacier Lodge. He encouraged all of us to join for the learning and fellowship (even a golf tournament) and noted it was **Terry Allen's** final year as President of the Peace Park Association.

SIS Golf Tournament: Ted Stack: After explaining that he and the Chair of the Golf Tournament (**Gord Weicker**) could not successfully compete with 80% of preschoolers regarding the correct direction that a bus was going in a graphic design, the tournament was a success (remarkable and kind of scary !). Seriously, it was a "wow" event which raised \$145,000 for the Stay in School program. He

asked all of the volunteers to stand and be recognized. He also noted the fish and chips prepared by **Michael Zacharki** were fabulous. A Thank You Ad will be in tomorrow's Calgary Herald. **President Ken** thanked Ted and then shared a Golf poem about the obstinate golf ball that has a mind of its own (and something about the drinking that results from the obstinate ball!) Golfers could all relate to that!

Phil Jackson & Major Simms

CLUB NEWS

Country Thunder: Gail McDougall and Charlie Gouldsbrough advised us this is set for August 19, 20 and 21: Gail McDougall and Charlie Gouldsbrough urged Club members to volunteer as there is a need for 50-50 ticket sellers, drink ticket sellers and bar servers. A further 400 shifts need to be filled (we have 200 to date). If you take the Proserve course, keep the receipt and the Club will reimburse you. You are welcome to go to Murray Flegel's office Tuesday and Thursdays at 2:30 pm to take the course. Bring your own laptop. More details on getting the arm bands, etc. will be coming out. Gail suggested taking the LRT to get there as parking is restricted. The three day passes have been sold out. There are a limited number of single day passes. It looks like it will be busy and fun! Contact Charlie to be registered as a volunteer. He noted that "Calgary South always comes through!"

Rotary Challenger Park: Casino August 26 & 27th : President Ken advised that there are more volunteers needed for this Casino. Please contact him if you can help

Banner Return to Murray Flegel: President Ken asked Murray to accept his Rotary banner from last year "Be a Gift to the World" and suggested he hang it beside his Gordie Howe picture!

Peter Penner's Book: President Ken advised that the book is with the publisher and there are some delays. Peter wanted to add the following: "My Rotarian friends: I have to thank President Ken, and before him President Murray, for letting me consider setting up for a book-signing. Since I cannot be at Rotary on the 11th, I am now looking at Thursday the 18th. Surely my initial order of fifty copies will have arrived! All things considered and, as suggested by our President, I will charge \$25 for a soft cover (cash or personal cheque). Just in case members cannot be present on the 18th or miss out on it, and don't want to wait for a possible repeat event, my memoir is available online by calling up: **FriesenPress Bookstore Online, Peter Penner, A time to be born: Memoir of a Canadian Mennonite.** My Memoir of course includes much about Justina, my wife of 67 years, and there are 40 photos. All told, it covers three generations: the Mennonite Years; University Years; and Retirement Years (1925 - [290 pages]). My Publications list, 1952-2015, given in chronological order, reflects my academic and religious interests and activity in each generation. *Humanly speaking, Peter*"

Dream Home: Dana Hunter presented President Ken with the advance payment from Stampede lotteries in the amount of \$100,000. She advised the Club that the final proceeds will be coming in October but anticipated good results from this year's Dream Home and 50-50 ticket sales. Great work and wonderful result!

Ted Stack, Sid Smith and Kathy Demorest looking their best for our Photographer, Mel Gray

CLUB NEWS

Fifty-fifty Draw: This draw is “going to the dogs”! Seriously, this week’s draw for \$150.10 went to Ogden the dog! Did anyone think to ask if Ogden is over 18?

Sergeant-At-Arms: Joe Connelly quickly emptied various pockets, including **Murray Flegel**, who was caught out on his own historical quizzes by failing to know what happened on August 4, 1960. He also fined **Geoff Hughes, Shellie Marshall, Bill Sumner and George Deegan** by asking historical and current questions about the Olympics. “Live Your Passion” is the slogan for the Rio Olympics. Who knew that the gold medals are made of silver? Good job Joe!

Special Presentation to Ed Whitaker: Norm Legare asked Ed to come to the front of the room for a very special presentation. He noted that he & Ed have known each other for years and Ed’s favourite nickname for Norm is “S----head” (affectionately said, of course!) and Norm took the opportunity to present Ed with a replica “poop head”. It actually looked good on Ed!

Thanks for the good laugh Norm!

On that note, President Farn left us with this thought:

Quote from Albert Einstein:
“There are only two ways to live our lives, one is as though NOTHING is a miracle,
the other is as though EVERYTHING is a miracle.”

HAVE A GREAT ROTARY WEEK !

COUNTRY THUNDER: WE NEED YOUR HELP

COUNTRY THUNDER:

Time to kick off Country Thunder on August 19-21.

TIME IS RUNNING OUT TO PARTICIPATE IN THIS GREAT FUNDRAISER

Charlie Goldsborough is running rostering, quick on the heels of Dream Home, but with great benefit to both our club, and to the funds we can contribute to charities.

Everyone is asked to invite family and friends to volunteer if they are interested – it's a great benefit to volunteer because even if they only do one shift, they will get a bracelet that let's them into the full 3 days of the festival.

There are 3 possible jobs: bartending, selling tickets and giving wristbands to everyone over 18. Most shifts are in the bartending and ticket selling. Not difficult – only 3 types of hard liquor: rum rye and vodka, and then beer. All beverages are paid with a ticket so no handling of cash. Jiggers and spouts provided and lots of opportunities for breaks.

Ticket selling is a sit down job. For those serving alcohol or selling alcoholic tickets, you need your ProServe certification. Imagine the “cool factor” when you tell your kids and grandkids that you are a licensed bartender! And it's good for five years, so you will have bragging rights to 2021.

Getting the ProServe is a two step process.

First, register and get an individual registration number at: www.proserve.aglc.ca .

Click on “create an account”. The event venue will be “unknown”, as will the employer.

After registering, let **Don Taylor** or **Charlie Goldsborough** know.

Send them your name, email address & 12 digit registration number found at the top of your Personal Information page. Don or Charlie will let AGLC know that you are a part of Rotary Country Thunder group so you can complete the course for free.

AGLC will contact you in 2 days to let you know you have been cleared to take the course.

You will have up to 30 days to complete it and it takes 2 – 2.5 hours.

The deadline for this process is August 15 – if you register after that you will need to pay the \$26.50.

Past President Murray is having “ProServe” sessions during the week at 2:30 pm in his boardroom. Bring a lap top and register for proserve for this great cause.

All the Country Thunder committee members have taken the course so they can help you. Plus, **Murray Flegel** has offered his boardroom if you arrive with your laptop to ensure it is a painless process for you.

Rotary
Rotary Club of Calgary South

Old Tyme Country Picnic

An afternoon of old fashioned,
family fun, food, games and fellowship.

Mark this date in your calendar:

Sunday, August 14th, 1:00 PM – 4:00 PM
Bow River Ranch, North of Springbank Airport

SUNDAY
AUGUST
14

Bring your partner, friends, children and grandchildren to our club's Old Tyme Country Picnic and enjoy a great afternoon of food, fun and fellowship.

Our activities will include:

- An egg-on-the-spoon race

- A Sack Race

- Hula Hoop competition

- Bocce Ball

- Frisbee competition

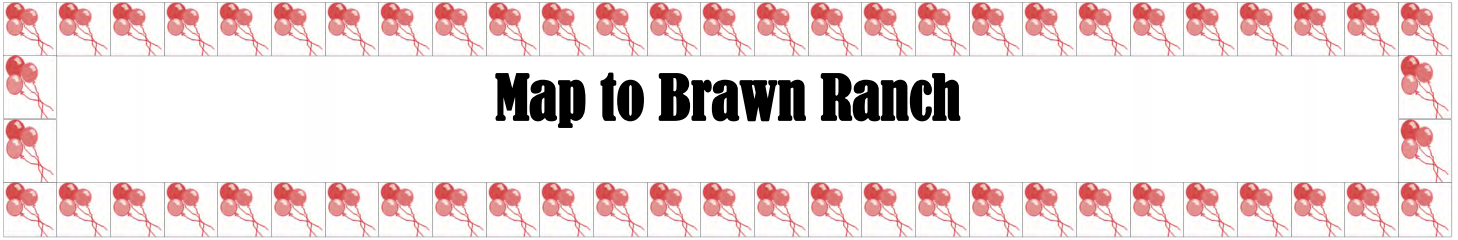

- Guess-the-candies-in-the-jar contest, and lots more!

It's all in the name of fun, with great burgers, wieners and lots of trimmings
by Calgary South's own resident chef, Michael Zacharki.

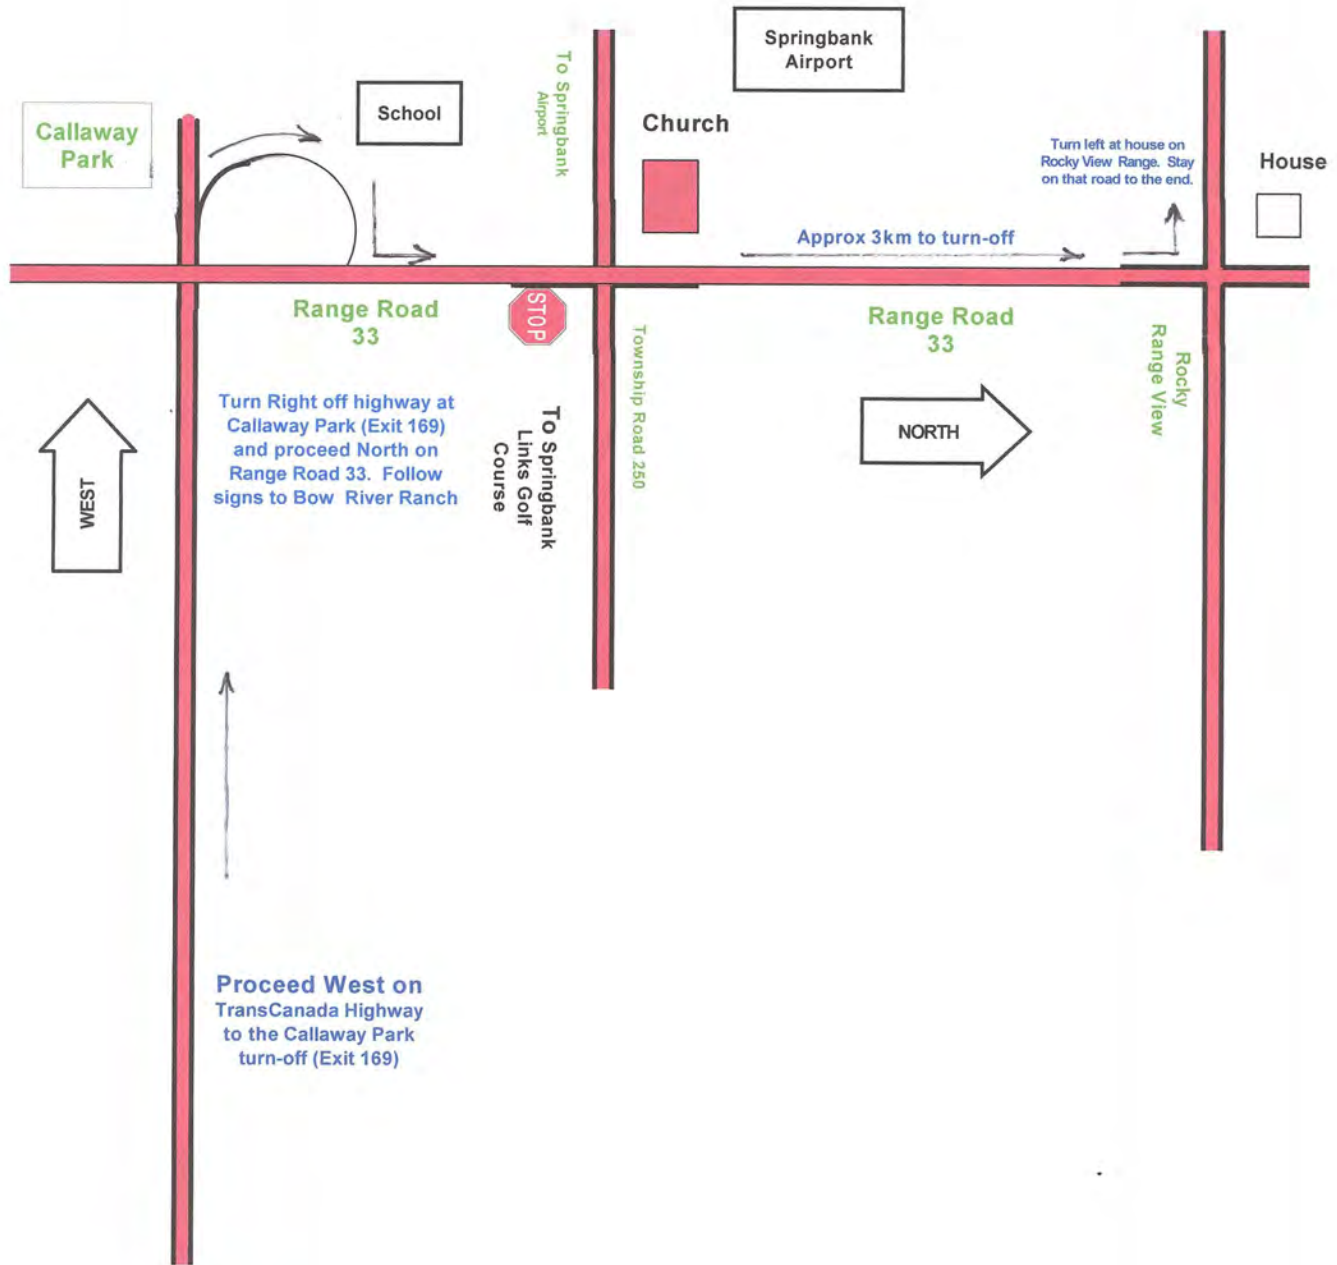

The cost is only \$10 per person (children under 2 yrs are free) to cover costs of food and everything else is free. A blanket or lawn chairs are highly recommended – and dress is 'picnic casual', but please wear sensible footwear (that is, no flip-flops, etc).

Respond via this email in the "Accept" or "Decline" locations.

Please register not later than August 10, 2016.

Map to Brawn Ranch

Special Edition of Hannah's Happenings: "The second return"

I had a busy school year in Austria since I graduated from High School in June. A part of my graduation was to write a 40 page essay and then present it on front of a committee, which included the principal and a couple of teachers. My essay was written in English and had the title: "The Comparison of the Austrian and Canadian Educational system". This was a fantastic opportunity to learn more about the educational system in my host country and it was also great to include stories and experiences from my year in Canada.

After all the hard work in the past year, I decided to come back to Canada and my younger sister Laura and my mum came with me. It is their first time in Canada and it's a lot of fun for me showing them around my "second home". We have already been at the Calgary Tower, walked

around downtown, been at the Peace Bridge, had many lunch or dinner invitation's from Rotarians, been at the Rotary meeting on Thursday, had dinner at my favourite restaurant which is Earls, had Tim Hortons and of course been shopping too. But the best part of returning is to live with my host families for a couple days each again and to see all my other friends. Being back in Calgary always feels so great and every day it makes me realize again how lucky I was that I could spend my exchange year in this beautiful place surrounded by

such an amazing Rotary Club as well as the best families and friends.

I am excited to spend some more time here before we head back to Austria.

Hannah

Perfect Weather and a Great Organization Combine to Raise \$140,000 2016 RCCS Stay in School Golf Tournament

A record field of 148 golfers formed 37 teams for the 2016 SIS Golf Tournament at Cottonwood Golf and Country Club on July 28th, and raised approximately \$140,000 for the SIS Program.

The day dawned with grey skies to the east, but clear to the west and by 10 AM the heat of the day was already starting to build. The afternoon was sunny, hot and humid and golfers were treated to a near-perfect day, with lots of food and drink to help them along. As always, one of the favourite features of the tournament was Michael Zacharki's fish and chips facility on the course, where Mike and Bill Sumner saw few quiet moments as golfers lined up for the delicious halibut and chips from Mike's Creative Catering. Halo's Restaurant was also on site, repeating last year's very popular barbequed bacon-wrapped shrimp, and Spolombo's Sausage also had a line-up (as usual) for their barbequed Italian sausages.

When not eating, golfers attended to the business at hand, but the Toyota and Lexus automobiles offered for a hole-in-one on the Par 3s were safe, as was the \$1,000,000 prize offered in the Peloton Shoot-out for the 12 golfers scoring closest to the pin on the four Par 3s.

Once inside the action got more frantic as auctioneer Ken Copithorne deftly relieved bidders on tens of thousands of dollars, and draws for held from the "Tub Draw" raffle tickets that had been sold by our volunteers throughout the day.

2016 RCCS Stay in School Golf Tournament

All-in-all, our scores of volunteers, Rotarian golfers and many non-Rotarians who took to the links had a fantastic tournament which was undoubtedly one of the best ever.

As a note of interest, mere minutes after golfers had left the club a sudden, vicious storm hit Cottonwood and caused significant damage to the course, requiring it to be closed the following day so staff could clean things up and get it ready for the Club Championship on the weekend. Two funnel clouds were spotted and some of our volunteers, who were still at work cleaning up after the dinner and auction, took cover until the danger had passed.

- Submitted by Keith Davis

Thank you to the Supreme Windows Crew for all of your support!!!

CASSIDY PEARSON RETURNS

As Cassidy arrived she had big hugs for everyone but the most unique was for her little brother (who isn't so little anymore). Cassidy was wearing high heels boots which made her even taller, but when she hugged her brother he was still taller than Cassidy. She was open mouth stunned at how much he had grown in the year she has been away.

Cassidy who is usually a bit on the quiet side, was a complete chatter box with tons to tell of her adventures.

We will learn more when she does her presentation on August 25.

I hesitate to say welcome home because as one student said "I am leaving home to go to my other home". So let's just say welcome back to Canada.

Sincerely,
District 5360 Youth Exchange Committee

Ron Prokosch, CMC, CHRP
Lead Coordinator, Student Program Delivery

Waterton-Glacier
International Peace Park Association

Established June 18, 1932 | www.watertonglacierpeacepark.org

Waterton-Glacier International Peace Park Assembly
September 16th – 18th, 2016
Glacier Park Lodge, East Glacier, MT. USA

Rotarians from Districts 5360, 5390, 5370 and 5080 are invited to participate in the annual Waterton-Glacier International Peace Park Assembly at Glacier Park Lodge in East Glacier, Montana. The annual assembly will follow a major conference on important world transboundary conservation and peace initiatives and also celebrate the 100th Anniversary of the National Park Services in the United States.

Registration and program information is available on the Waterton-Glacier International Peace Park Website at www.watertonglacierpeacepark.org. Hotel reservations must be made directly with the hotel by phoning 1-406- 892-2525 The block of rooms assigned for the conference will be held until July 1st. **Ask for Group Booking Code E16.**

Golfers who wish to participate in the Can/Am WGIPPA golf tourney may register at: www.montanarotary.org There is no payment required at this time, as payment will be collected at the course. Golfing starts on Friday, September 16th at 9:00 am - 5 tee times are reserved but more may be available depending on demand. Since the course is 9 holes, the options will be as follows: You can play just 9 or 18 and whichever 9 hole side is the best score will determine winners.

There is a special rate for players staying in the lodge of: 2 players with cart for 9 holes = \$85 and 2 players with cart for 18 holes = \$130. All players will receive a special tee prizes to remember the tourney, IE: balls, tees, cozies, etc.

Play the course Bobby Jones played in the 1930's. Remember - "When this course was built, carts were things pulled by horses!"

HIKING CLUB: JULY 27TH 2016

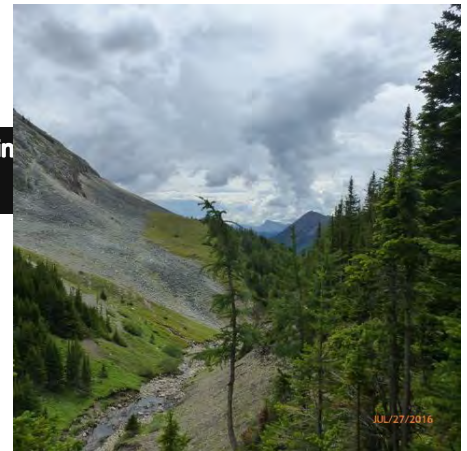

There were only four hikers this week, July 27, so with the unsettled weather and the bear warnings in Kananaskis we decided to hike Ptarmigan Cirque. We arrived at the trailhead of this popular hike at 10am and were the second vehicle in the parking lot. Although the sky was overcast it was a good temperature for hiking and we didn't have any rain. By the time we returned to the parking lot it was almost full – lots of tourists.

Barb, Ted and Donna (our Trip Leader)

An interesting rock formation on an adjacent ridge

Overcast sky, but no rain

A few alpine flowers still in bloom

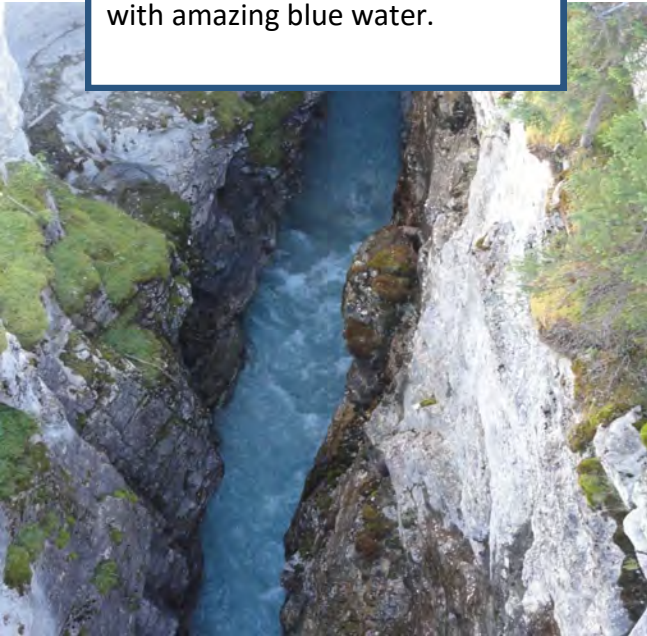

Donna, Barb and Millie having lunch on the rocks

HIKING CLUB: AUG 5TH 2016

We attempted to hike to Stanley Glacier on Friday Aug. 5th. Phil took this pic of this brown object in the bushes (an adult male grizzly bear). We quickly changed the plan. Eight of us headed to Marble Canyon and then to the Paint Pots

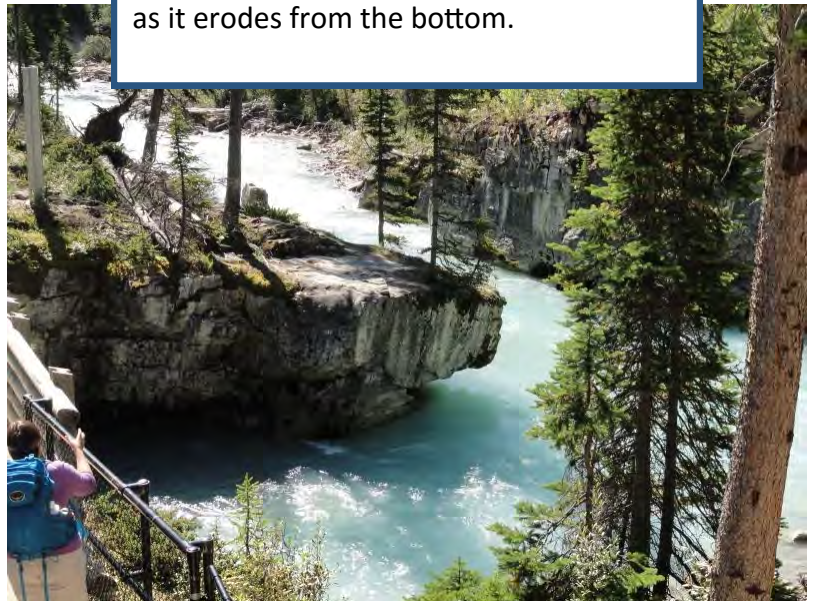

The canyon itself is very deep with amazing blue water.

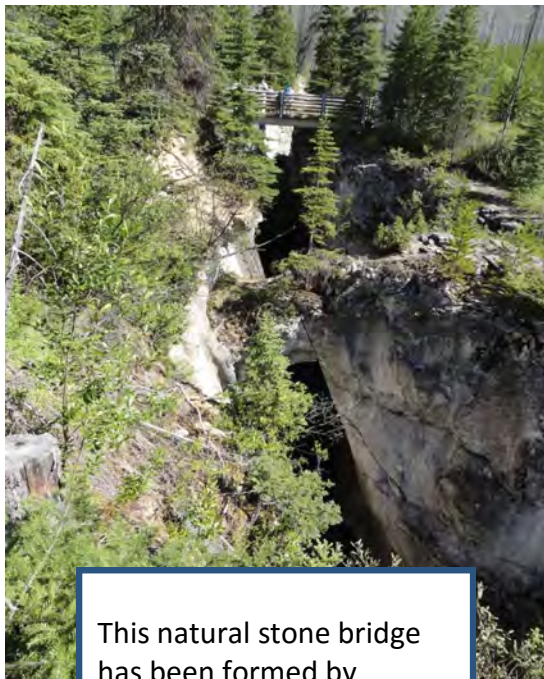

There was lots of rushing water and then this waterfall came into view.

You can see the water at work on the rock as it erodes from the bottom.

This natural stone bridge has been formed by erosion.

HIKING CLUB: AUG 5TH 2016

At the Paint Pots there is ochre being produced by the minerals in the stream.

The mud was valued for its coloured pigment and used by First Nations, then it was mined by White Men for paint pigment. When the government stopped the mining in the National Park, the equipment and the hills of ochre were just left.

This is one of three impressive paint pots which are all different colours.
