

Bruce MacDonald took the podium to introduce his friend **Art Borzel**.

Art started with Calgary South in 1989 and was the Treasurer for 20 years! When Bruce was the President he asked Art how long he would stay as Treasurer and Art replied – until I have enough money!

Online Meetings will be starting up again during the month of September.
Submitted by: Steve Mason

Bruce and Art have curled together for 25 years all over Alberta (they remember most of the places). Art is very competitive – he did not get the lesson from his mom 'it's not if you win or lose it's how you play' as Art's philosophy is 'why play if not to win!'. Art's philosophy obviously works as he has 3 grandchildren that made it to the Olympics!!

Art is a great guy to know – spend time to get to know him. Bruce was pleased that **Steve Mason** asked Bruce to play Art in the video we are about to see – but darn it, Bruce was not able to be there!! Not to worry, they got a great person to play Art!

A hush came over the membership as we watched the video tribute to our friend **Art Borzel**! A standing ovation erupted to acknowledge Art and his strong support of our Club, Rotary and family.

Click here to watch Art's Video Profile:

<https://vimeo.com/254022363>

Glen Richardson came to the podium and thanked **Steve Mason** and **Jamie Moorhouse** for a job very well done on this video. Glen mentioned that this is as close as he has been allowed at the podium since he was President in 2002 – and that **Jack Black** came today just to see it! Glen and Art have known each other for 50 years, and Art was known as ‘ink savage’ for all of his accounting work. Glen told a funny story how he and Art were trying to buy a dealership that was owned by tow truck owners (are they using those to bring in Fords!!), and how on the 11th hour the deal fell through and it was the best thing that could have happened. Glen also told us that with the flying that Art did the phrase that stuck was ‘**bottle to throttle in 48 hours!!**’.

Art Borzel thanked **Steve Mason** and **Jamie Moorhouse** and said he had fun doing the video with them. His Rotary journey started 33 years ago as a charter member of the Rotary Club of Brooks and I truly have enjoyed the journey. When **Glen Richardson** brought me to my first meeting and introduced me to a number of members, I thought – yea, this looks like a nice club! But, that thought changed when the Sargent At Arms was called to raise a few dollars. Well, that first fine he made that day was \$1,000.00 – I almost got up and left! On the way back to the dealership I said to Glen that I didn’t have the where-with-all to pay those kinds of fines and that I should look for another club. Glen laughed and said ‘don’t worry, that was pre-arranged’. So, I attended a couple more meetings and I joined on June 11, 1989 and the rest is history.

Shirley and Art considered the Rotary Club as our Rotary family – participating in the social, fund raising, sporting (especially curling), events and the fellowship within the club. In closing, He reminded new members to get involved – the rewards are great, and this is a special club where members socialize and work together for the betterment of our local and world communities. If you are having connecting, talk to your sponsor or any member of the club. We all want you to stay, to participate, to socialize and to enjoy being a member of the GREATEST Rotary Club! Thanks for everything!

Al Johnson stepped up to the podium with his remarks. “What happens at the bonspiel stays at the bonspiel”, well except for a few times that I am going to talk about now! Art is so competitive and his successes are due to that, He won the Clevelen award 2006/7. I never wanted to curl against him! Al remembers one bonspiel that Art, **Bruce MacDonald** and Al participated in at Spruce Grove. The young team they were playing were exercising prior to the game to which Art said ‘what are they doing?’ The joke was on the other team though as Art’s team scored in the first 6 ends and the game was done!

Art is the money guy – at all the bonspiels we gave him the money and he would pay the bills and keep track! Several times after a meal in the restaurant the group would leave and scare a few waitresses that the bill was not going to be paid. We enjoyed lots of scotch, lots of laughs. Art was delighted to have **Sherry Austin** join the team, and told Bruce he could leave now! Wendy and Al have loved the many happy times with Art and Shirley. Thank you Art for being such a great friend and fellow Rotarian!

President Ron said it was really fitting to dedicate \$100 to stay in school program on behalf of Art’s work and dedication to the club.

Adventures in Citizenship: Arianna Tenor was our student who had the honor to spend 5 days in Ottawa with 200 other teenagers learning government and public policy. The goal is to learn and participate in making Canada a better place. She visited the War Museum and had deep conversations with Indigenous leaders.

When she was at the House of Commons she was overwhelmed and overjoyed to sit in the MP chairs as they do. The history and tradition was amazing and she talked with a couple of Pages, Clerks and the Speaker of the House. She visited where the Senate meet and the saw the Parliamentary Library.

She was proud to be present when a citizenship ceremony was happening – it was amazing to watch as she is a Canadian and had no idea of how emotional it was. And, she has made lifelong friendships. She is very appreciative and thanks our Club for this wonderful opportunity.

President Ron thanked Arianna and reminded our members that if they have someone who would benefit from this experience to get a hold of the committee!!

Club News

President Ron started the meeting with this announcement and called upon **President-Elect Chas Filipski** to listen to this:

Dan Snyder, owner of the NFL Redskins, has announced that the team is dropping "Washington" from the team name; henceforth the team will be simply known as, "The Redskins."

"It was reported that he finds the word "Washington" imparts a negative image of poor leadership and mismanagement, corruption, cheating, lying, and graft, and is not a fitting role-model for young fans of football..."

Lisa Fernandes then led us in a loud and patriotic singing of O Canada and Rotary Grace.

Here is an interesting way for **President Ron** to start the meeting.... "Who is missing their cowboy hat, cell phone case and 2 pair of glasses" (we ALL want to hear this story!!). Also, **Steve Mason** is missing 2 wireless microphones – please check to see if you mistakenly took them and please return them. AND, the gavel is missing so a kid's sized hockey stick was used to garner our attention!! Get ready – it's gonna be a barn burner of a meeting!!

Head Table: Bruce MacDonald, Art Borzel, Glen Richardson, Al Johnson and Ariana Tenor. Next week and onward there will be a round table for the people at the head table to sit at. It will make it much more comfortable for us all.

Bulletin Editor -**Luanne Whitmarsh** Photographer – **Norm Legare**

Visitors and Guests: **Blake Pelham** introduced many guests (and was challenged with some of the names) so he introduced them by their first name which he did not have trouble with: Arianna and Darren Tenor (Guests of Club), Charlotte and Kevin Connelly (Guests: Joe Connelly), Julio, Andre and Pollyanna Melo (Guests from Sao Joao dos Patos Brazil)

Rotarians from afar: Doug McMillan from Rotary Club of Halifax and Belchior Gomes Bandeira De Melo and Maria DasDores del ouza Melo from District 4490 in Brazil). Banners were given out.

Old Tyme Country Picnic: Keith Davis reminded us all that the Old Time family picnic is on Sunday! This is a great party – come on out! There will be tons of food – please register so we know how much to make! Keith has it on good authority that the temperature will be 23 degrees, bring a lawn chair, hat and if you have mobility challenges there is a parking area that can be driven to. Also, we are in need of face painters – please help if you can!

Stay In School Golf Tournament: Ted Stack reported that this was the 18th Stay In School Golf Tournament and each year we are so proud of the successes! We raised between \$170,000 and \$180,000 (some small bills are just being paid now). We estimate that it takes at least 1,000 hours of volunteer time to put this together and he thanks the Committee for all of their hard work. The Committee members rose and received a warm round of applause for a job well done!

President Ron reminded everyone to contact **Chloe Dusser** to be a host family for Liisa, and that there will be an orientation session soon. **Liisa Kaneli Lehtio** is our inbound student from Finland. Liisa is an avid ringette player and she has played at the National level. She is passionate about photography and visual arts. She will be arriving August 21st and will be attending Western Canada High. Chloe is looking for host families September – January; January – April; April to July. Please contact Chloe for more information at dusser.chloe@gmail.com or 403-708-0503.

Reminder: **The September 6 meeting** is offsite at the Ralph Klein Park – map included in the email!

Reminder: **The Rotary Bethany Atrium OPEN House** is on Sept 7th 5-7PM- details in the bulletin including how to register for free tickets.

Reminder: **The International Peace Park Assembly** is September 21-23 in East Glacier Montana. Anyone planning to take an exchange student to this event will need to have their Police and Vulnerable person check in place

Reminder: STAY IN SCHOOL MENTORS: We need report cards for Students. We only have report cards for 10 of 40 students. Remind your students as per our contract that report cards should be received by you as the Mentor within 15 days. This includes post secondary students as well. Earl needs every mentor to advise if their Student will be attending a different school / changing schools in September 2018. An example of this is that most students change schools going from grade 9 to 10. Contact Earl Huson at: ehuslink@telusplanet.net

World Community Service: Jamie Moorhouse, Myrna /Dube-Thompson and the World Services Committee has secured a District Designated grant in support of the Kangaroo Care Program for pre-term babies in Uganda. This grant is combined with funding support from RC Halifax and TRF Canada.

August 30th Meeting: Just a heads up that our **President Elect Chas Filipski** will be in the chair for the August 30th meeting.

Board Meetings: **President Ron** updated the membership that the Board meetings are held the evening of 3rd Monday at the Ranchman's Club (on 13 Ave SW). You are welcome to attend, but please let him know so that an appropriate room can be booked.

Charlie Gouldsbrough: **Shellie Marshall** advised the Club that **Charlie Gouldsbrough** is retiring and selling out his entire inventory and closing his store. Today is a special for close friends and the sale then opens to the public this weekend. Please support our friend. And, she put in \$20.00 for her shameless advertising!

50/50 Draw: **Christine Kyte** gave \$147.00 to the winner – **Al Johnson**, who promptly gave it to Arianna Tenor! **Well played Al.**

Sergeant At Arms: **Lynn Grant** was on a roll. Some of his thunder was taken away by Al Johnson and Shellie Marshall self-fining! Lynn still found many contributors to the Club coffers (**Glen Richardson, Murray Flegel, Glenn Potter, Terry Allen, Jim Hutchens and Tony Ng** to name a few).

As there was nothing else for the good of Rotary **President Ron** adjourned the meeting!

The hike this week was along the northern part of the High Rockies Trail – part of the Trans Canada Trail. The sky was somewhat hazy as a result of the BC forest fires. Six of us enjoyed the 8km walk with views of Ha Ling Peak, Miner's Peak, and Mount Lawrence. We had lunch next to Goat Creek – the temperature was 30C. This was the hottest hike so far this year.
