Colombian District 4281 is the Host District with strong support from the Rotary Club of Nuevo Ibague. - roughly 3200 Ponseti splints that will be loaned out to qualified clinics countrywide. These braces eliminate the need for almost all corrective surgeries for afflicted children. Rotary Club of Calgary at Stampede Park took the international lead. Supporting grants from other Calgary clubs made a big difference and helped reach a budget of CAD 176505

Ukraine Crisis Humanitarian Aid

Award: We are honoured to be selected as a 2023 Hetman Award recipient (Ukraine Crisis Humanitarian Aid Award). Our hard work has paid off, as we are able to help Ukrainians in need during these times.

Kids at Heart: Our annual and golf tournament allows our fundraising efforts to help kids with Autism navigate their world at a time when they need us more than ever. For our Members, we would ask that if you know of a Charity that could benefit from this Grant to please direct them to the application link for further information. The deadline for submissions of the application is December 15th, 2023. For more information and for the application; <https://rotarystampedepark.com/kids-at-heart/kids-at-heart-info/>
