There were many of the Partners in the Rotary crowd today to assist with the singing of O'Canada and Grace, accompanied on the piano by **Lisa Fernandes**.

### Greetings Partners! One and all

Rotary Club of Calgary South has one of the largest Partners group in the world. That and their support and participation in all things Rotary is one of the distinguishing and unique things about our club. I for one don't really think of the Partners as an aside but as an inclusive part of who we are. This occasion gives cause to reflect on how things have changed over the years. Did you know:

- **Inner Wheel** is an international organization closely linked to Rotary that was founded in 1924 by Margarette Golding, a nurse, business woman and the wife of a Manchester Rotarian, to unite wives and daughters of Rotarians.
- Before 1989, Rotary generally prohibited women as members. Therefore another organization was established for the wives and daughters of Rotarians, known as Inner Wheel. Despite women now being able to join Rotary, Inner Wheel Clubs continue in many countries and of course can include all genders.
- The International Inner Wheel objectives are:
  - promoting true friendship,
  - encouraging the ideals of personal service, and
  - fostering international understanding.

Today any person can become a member of an Inner Wheel Club by agreeing to embrace the objectives and being of service. Meanwhile back at Calgary South:

- The partners group was initially known as Rotary Anns' because membership was only the female spouses of Rotarians of Calgary South previously known as the Manchester Rotary Club.
- With the advent of female Rotarians the Partners group evolved so that it can include both genders and at Calgary South is known as the Rotary Club of Calgary South Rotary Partners.
- As with the Inner Wheel, the Calgary South Rotary Partners have opened their doors to invite a broader group of like-minded people to join in friendship and service.

One thing of particular note is the diligence, care and consideration given in researching and selecting the many charity needs in our community that you choose to support. Each is given careful consideration and compassion. Your contributions and donations are truly made from the heart. Now I don't know if our partners group actually has a paid up male member of the group. But if not, I'm certain the door is open.

Regardless of gender or if you are a paid up member of our Partners Group, we certainly want to acknowledge the support and participation in all that we do. You are all true "Partners in Service" and very key to our success as a club and on the many projects and events that we are active on. So on this Valentines, we want to acknowledge with a heart full of gratitude and thanks for your contribution and support.

***Members; please rise in a toast of thanks to our Partners —To our Partners***

### Response from Partners' President Karen Grant

***I am honored to reply to your toast Ron; Thank-you!***

As Partners of this Club, we invite any one to join, even males.... To date we have had one male show interest, that I know about, but .... when he was called upon to bake, he quickly declined .....

We want to acknowledge all the fellowship and support we receive from "The Rotary Club of Calgary South" and Thank-you for allowing us to participate in all you do. So many benefit from our joint efforts. I hope you all had a wonderful celebration yesterday!

**REMEMBER.....** To spread **LOVE** to those around you today and that not only today, But each day we can all **"Make a Difference"**

**Robert Penner** was born in Winnipeg, Manitoba and began playing the violin at age nine. He holds a B. Mus. from Brandon University where he studied with the late Francis Chaplin. He was Assistant Concertmaster of the Regina Symphony from 1980-83, joined the Calgary Philharmonic Orchestra in 1983, and was a member of the first violin section from 1984 until his retirement in 2015.

He has devoted himself to teaching adult violinists of all levels. He coaches the violin sections of the Calgary Community String Orchestra. In 2017 he adjudicated the strings and orchestra classes of the Red Deer Music Festival of the Performing Arts. His mission is to spread joy through music. He brings compassion, insight, generosity and good humor to draw out the best in the violinists and musicians he encounters.

**Robert Penner** began by saying that since this is a Valentine's Day theme he has decided to play the love song from Beauty and the Beast. A song about how people fall in love. This is dedicated to honor his parents **Justina and Peter Penner** who are coming up on their 59<sup>th</sup> wedding anniversary.

**Keith Davis** introduced **Joan Glasgow and Gavin Lee Caldwell**. Joan gave her first concert at the age of three on a train enroute to Montreal, awakening fellow passengers at 6 am with a rousing rendition of "Jingle Bells" Keep in mind this was in the month of August. Since graduating from U of C with a B. Mus. in Vocal Performance she has refined her repertoire to include less seasonal selections. She enjoys serenading her husband with scintillating versions of "Does your chewing gum lose its flavor on the bedpost overnight?".

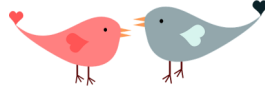

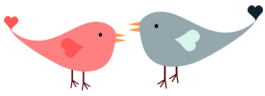

Performing outside of her home (and trains) whenever she can. She has taught singing and piano lessons and directed choirs. She also very much enjoys sacred music and participating in musicals.

Gavin Lee Caldwell is soulmate to beautiful Sarah, tender guardian of Tigr, and a human being. He is a pianist, vocalist, accompanist, song writer, arranger, improviser, and a passionate believer in finding-and expressing-one's true voice.

In 1981, Gavin experienced the music video for Private Eyes by Daryl Hall and John Oates. He has never looked back. He is also the product of his relationships and would not be who he is today without the friendship and guidance of all his fellow artists. Today Gavin collaborates with/in a siege of schools, churches and community choirs, all benefitting from his welcoming personality, razor sharp wit, musical brilliance and flowing curls.

Gavin will continue to sing songs with his friends and share his special brand of love with the humans. We were serenaded with: "It Had To Be You", Time After Time and Give a Little. Gavin then played a song he wrote for his wife, Sarah called "Driven". We then all participated in a Sing A Long led by Joan and Gavin.

**Let me call you sweetheart,** I'm in love with you.  
Let me hear you whisper that you love me too.  
Keep the love-light glowing in your eyes so true.  
Let me call you sweetheart, I'm in love with you.

**Words by Beth Slater Wilson;  
Music by Leo Friedman; 1938**

**Put your head on my shoulder;** hold me in  
your arms, baby.

Squeeze me oh so tight; show me that you  
love me too.

Put your lips close to mine, dear; won't  
you kiss me once, baby,

Just a kiss goodnight? Maybe you and I  
can fall in love.

**Words and Music by Paul Anka; 1958**

**In the good old summertime,** in the good old summertime,  
Strolling through the shady lanes, with your baby mine;  
You hold her hand and she holds yours, and that's a very good sign  
That she's your tootsey wootsey in the good old summertime.

**Words by Ren Shields; Music by George Evans**

Oh, yeah, I'll tell you something I think you'll understand.  
When I say that something, **I want to hold your hand.**  
I want to hold your hand. I want to hold your hand.  
Oh, please say to me you'll let me be your man,  
and please say to me you'll let me hold your hand.  
Now, let me hold your hand, I want to hold your hand.

**Words and Music by John Lennon & Paul McCartney; 1963**

When the moon hits your eye like a big pizza pie, **That's Amore.**  
When the world seems to shine like you've had too much wine, That's Amore.  
Bells will ring, ting-a-ling-a-ling, ting-a-ling-a-ling, and you'll sing "Veeta bella."  
Hearts will play, tippy-tippy-tay, tippy-tippy-tay like a gay tarantella. Lucky fella.  
When the stars make you drool just like pasta-fazool, That's Amore.  
When you dance down the street with a cloud at your feet, you're in love.  
When you walk in a dream but you know you're not dreaming, Signore,  
Scuzza me, but you see, back in old Napoli, That's Amore.

**Words by Jack Brooks; Music by Harry Warren; 1953**

**President Bill** thanked Robert for the beautiful violin work and to Gavin and Joan for the songs today. He also took time to thank the Social Committee for their hard work putting this together and especially thank you to **Dorothea Schaab**.

**President Bill** then shared a Secrets to a happy marriage. "Wife and husband are sitting on the deck enjoying a glass of wine, the wife says I love you and I always will. The husband says is that you talking or the wine.

**The wife responds, it is me, talking to the wine.**

Please put **Garth Nicholl** (Past President, Rotary Club of Calgary South) in your prayers as he suffered a stroke and is not well.

Unfortunately **Jim Hutchens** was ill today so the Sergeant of Love and Queen of Broken Hearts (**Corinne Wilkinson**) might need to be rescheduled.

**President Bill** then had **Toby Oswald Felker** present roses to the Stampede staff as a thank you for all that they did today and do every week for us. Also, thank you to **Michael and Anna Zacharki** for the treats that were on the table.
