Jack Thompson introduced **Dan & Marlene Doherty**.

Marlene is a native Calgarian who recently retired after 35 years of teaching K-9 Physical Education. Marlene is an active volunteer with Inn From The Cold, and Calgary Food Bank. She is an elder at her church, Convener of the Missions Committee.

Marlene has partnered and participated with Dan on eleven trips to Mexico to build homes. Marlene is Past President of the Rotary Anne's, The Junior League of Calgary and was honored by the Health and Physical Education & Health Council for Distinguished Service to Health and Physical Education in Alberta. In November 2014 Marlene and daughter Kayla participated in the NID in Ethiopia and Uganda. It was a life changing experience and as a result she has become a Rotarian, sponsored a young girl in Uganda through World Vision, set up a scholarship fund for a student in Gulu. She returned to Africa with Dan and continues to advocate for the people of Gulu Uganda. Marlene is currently the Director of Service & Grants for the Rotary Club of Calgary West.

Dan Doherty is past President of Calgary West Rotary, where he has been an active member for over 30 years. Dan was the District Chair for the District New Generations in Action Committee. Dan has a passion for advocating for and empowering Youth especially those without a voice.

Currently Dan is very engaged with students at Tsuu Tina High School, as well as the Aboriginal program at the Boys and Girls Club. He is the past Chair of Hull Child and Family Services, Accessible Housing, and the Calgary Rotary Clubs Foundation.

Dan has been on twelve Mexico Home building trips and is currently organizing the 13th Homes of Hope trip in March 2017 alongside his Rotarian wife Marlene. Recently having returned from a Polio NID in Ethiopia and mission work in Uganda Dan is reinvigorated in the Rotary Polio eradication fight.

Dan was recently awarded the Distinguished “Service Above Self Award”, the highest tribute awarded in the Rotary World. Dan is the DGN District 5360 for 2018/2019.

Dan started out by saying he is the 'soon to be winner of the bonspiel!!' not many would agree to that at this event!!

Dan talked about the history of Rotary and polio – it dates back to 1979. There is now some fatigue from Rotary and we need to talk about it. The initial effort saw 6 million children in the Philippines get vaccinated! Dan and Marlene have been very involved since 2014. One interesting way that \$1 million dollars was raised for polio from our District is from sales of a cookbook!

Polio was only eradicated in Canada in 1994 – not that long ago! In 1988 there was 350,000 active polio virus cases. In 2000 Australia to China was declared polio free.

It is very important to remember that Rotary had many partners in this work (United Nations, Unicef, World Health Organization (WHO)). Then, things really rebounded in 2009 when the Bill Gates Foundation partnered and donated over \$200 million! In 2014 South East Asia, including India (which makes up ¼ of the world population) was declared polio free. In 2015 Nigeria was removed from the list – but happily they regained the polio free status in 2017. There is still 3 countries that have active polio cases: Pakistan, Afghanistan and Nigeria (just now back on free status).

Marlene talked about the 20 hour flight, a couple days to climatize and be oriented and then it is to work. She has had many moving moments meeting the children and families, knowing they are making a difference. They have met amazing Rotarians that are living the Rotary way – service above self. They go from hut to hut, people are gracious and excited to see them as they know Rotary has arrived and the vaccine will help them. The vaccine is given to children aged 2 – 5 and those 2 tiny drops are magical. The children then get a color on their pinky and a sign on their door noting they have been inoculated.

People in these countries are so welcoming, they know we are not political – we are there to help and for the right reasons. But the safety of the volunteers needs to be addressed. Foreigners have to be very careful in these regions. In 2016 there were 31 active cases (down from 350,000 cases) BUT we have to stay on the course. In 2017 there is 1 active case. The fight is still on – it IS real.

Dan talked about a great game of ping pong with the children – building trusting relationships is key. There is much political turmoil – this prevents the teams from reaching all the people to be vaccinated.

A country is declared polio free if for 3 years there are no new cases reported.

You may ask why the push... and it is because we are not yet done!! The virus can rebound and it can hit 200,000 in a blink of an eye. Sterilization is key, learning is key. Polio is spread through poor sanitation, water and air born.

Top 5 reasons to eradicate polio:

1. The Human Cost: if we choose to control polio rather than eradicate it, the virus can rebound.
2. It's achievable: We have effective vaccines to end polio and the means to reach all children.
3. It's a good investment: an independent study published in the medical journal Vaccine estimates that the return on the global investment in a polio-free world will reach \$40-\$50 billion within the next 20 years.
4. It strengthens the system: Our polio eradication efforts have established an active global disease surveillance network that is being used for other health interventions, such as measles vaccinations, deworming tablets and mosquito bed nets.
5. It sets the stage: the ability to reach all children with the polio vaccine is proof that we can succeed in our next major global health initiative.

Jack Thompson thanked **Dan and Marlene** for their engaging talk. RCCS is a strong supporter of the Polio program and we make donations annually. Remember the goal for each member is to donate \$30.00 – please do if you can.

President Ken thanked Don and Marlene on behalf of The Rotary Club of Calgary South for their inspiring presentation today and for their many years of extraordinary Rotary Service Above Self.

In recognition of your presentation today, we have donated \$100 in both of your names to our Rotary Stay-In –School Scholarship Foundation. We would also like to offer you both our Calgary South Rotary Coins with the Rotary Four Way Test on the back to carry with you as you continue to be champions for Polio Plus.

Welcome to the Rotary Club of Calgary South meeting today. My name is **Ken Farn** and I'm honoured to be your Club President. Please join Lisa Fernandes and your head table in the singing of O Canada followed by Rotary Grace.

The Run for L'Arche goes March 25 and we need volunteer course marshals! The event cannot take place unless we have a minimum of 42 marshals. Currently only 16 people have signed up for this position. We need you, your friends, your family etc. for only 4 hours on Saturday morning March 25. It's a LOT of fun for a great cause. Basically all you have to do is cheer the runners on. Easy eh?

It was very satisfying to read in the Herald that Rita Dickson, principal of the Louise Dean School has been named by the Canadian Learning Partnership as one of the top 40 High School Principals in the country.

This year The Partners donated \$3,000.00 to the school which works to enable teenage mothers to continue their high school education. The Alberta Department of Education covers the student costs but there are many others costs involved to make this possible. Both CTV and CBC TV stations had live reports.

Here is a letter from one of this years chosen charities which lets us see the importance of our donations.

**Together, we will
end homelessness
in Calgary.**

Dear Mrs. Farn,

Please accept our sincere thanks for your contribution of \$4,800.00. **Your gift to the Calgary Homeless Foundation (CHF) is extraordinarily powerful as it leverages the work of the entire homeless-serving sector in Calgary.** By investing in our work, you are now a part of the foundation's "big-picture" view of ending homelessness and supporting our unique role in:

- Providing support to the homeless-serving agencies in Calgary;
- Serving as stewards of funding provided by the provincial and federal governments to fund local programs that have a direct and meaningful impact; and
- Monitoring and evaluating outcomes to ensure the system of care is effective.

We are proud to report that over the past eight years, enormous progress has been made and many milestones achieved; homelessness has slowed, thousands have been housed, funding has increased, and the Homeless-Serving System of Care has evolved into a coordinated and collaborative network of agencies and people working together.

The results of our driven activities are worth celebrating but there is more work to be done --- and that is where your gift comes in! Over the past year, gifts like yours have helped with several significant CHF achievements:

- Funding was provided for approximately 56 programs that provided 2,043 housing spaces with support;
- Homelessness ended for 940 new clients; and
- CHF was recognized as an international voice in applied homelessness research and a model for other jurisdictions working to end homelessness.

And all of this work is delivered by CHF staff and volunteer leadership in the spirit of our core values. With your support, we will continue to strive to be Catalytic Leaders, Courageous Collaborators, Evidence Inspired and Vision Dedicated.

I think we can agree that Calgary is a great city—and at the Calgary Homeless Foundation, we believe that all great cities can be judged by how they treat the most vulnerable of its citizens. We are grateful that you are a part of this important work, and we are proud to call you our partner.

Sincerely,

Diana Krecsy, RN, BN, M.Ed

Craig Stokke has done some recent updating on the Website Home Page (Public Area) of ClubRunner.

Members may need to look around a bit to re-find some of their commonly used areas.

Craig is undertaking a redesign of the Public Area in the future to simplify the menu.

The new layout makes more sense and should become easier for users to find what they are looking for.

THANKS CRAIG !!!
