Welcome to the February 3rd 2022 Meeting of the **Rotary Club of Calgary at Stampede Park**. I am the Club's President, **Craig Stokke**.

The Rotary/Mattamy Greenway and Trans Canada Trail are absolutely amazing. They provide us a great opportunity to get active. So speaking of active, here are some interesting facts about fitness.

- * According to Statistics Canada, only **16% of Canadian adults are getting the recommended amount of physical activity** (150 minutes of moderate-to-vigorous physical activity per week). That means 84% of the adult population is not active enough :(
- * So, where can we find the time to get active? The great news is that according to researchers from Arizona State University, three 10-minute workouts per day may be even more beneficial for your heart than one 30-minute session. That should be the goal of all of us.
- * B.C. home to the healthiest population in Canada, while residents in Newfoundland and Labrador and the three territories are the least healthy. **Alberta** places forth.
- * Switzerland and Sweden are the healthiest countries. Canada is ninth. Denmark and the United States... not so much.

Please keep your mask on and join me for the singing of O Canada followed by Rotary Grace

HEAD TABLE: Myrna Dube-Thompson, Alex Baum, Jack Thompson, , Kevin and Jackie Sheir (Kevin is the President of Cochrane Club . President Craig welcomed everyone in person and on Zoom!

GUESTS: District Governor Martin Parnell and his wife joined us today

Please see bulletin for Corinne's Tribute to Larry as well as your zodiac signs

50/50: Mike Zacharki had Myra Dube-Thompson pull the winning ticket. \$90.00 was given to Carol Rosdubutko!

BUSINESS CLUB: Melanie Todd: Melanie, Wendy Giuffre and Sharyl Madigan are excited to get the Business Club going. The Club will be an opportunity to mentor others and to learn. Please let us know if you can attend – and bring a guest! Your guest may become a new member of RCCSP! The first meeting is on February 23rd and will feature **Len Hamm** from Thomas Jeffery Men's Wear.

HEALTH AND WELLNESS: Contact for February is Hugh Delaney

Dorothea Schaab: Glenn Potter is having cataract surgery so he will be away until the end of February. Of course, we look forward to seeing Glenn in a few weeks... and I'm sure he'll look forward to "seeing" us as well.

SERGEANT-AT-ARMS: Rudy Ruberto couldn't make the meeting, so Joe Connelly stepped in and used Rudy's notes! Joe mentioned he that he takes no responsibility for today's presentation. Those wishing to complain can do so with Rudy! Rudy recorded himself as he was home sick so we will put the video here and you can decide which SOA did it better!!! [Rudy Ruberto - SOA Video](#) versus Joe Connelly's version of Rudy below

This week is the start of the winter Olympics. Did you hear they are anticipating record hot temperatures in venues? It's because they aren't letting in any fans!

- ♦ **Don Mintz and Lynn Topp:** At the beginning of the last meeting someone's phone rang. I don't know who's because you both pulled yours out. The club would appreciate the finances. Please contribute \$10 collectively to the pot.
 - ♦ **Bill Summer:** Last night I called Bill asking about the Stay in School program and my next step as a mentor. I'm required to call the students to congratulate them on winning the scholarship but I didn't have a phone number. Bill kept saying that I should have the students phone numbers in the letter he sent me. After scouring every email, in all my inboxes, I realized Bill had mailed a letter! I'm a Millennial, I don't get mail. I thought what a beauty. Thank you for the physical letter, Bill! If you've had the pleasure of receiving a physical letter from a friend, besides a bill collector, put whatever change you have in your pockets in the pot, it might help subsidize postage.
 - ♦ According to **Bill Summer**, how many days are in January? 34 according to this letter he mailed me...
 - ♦ Lastly, to our 50/50 winner **Carol Rosdobutko** we appreciate your contribution of \$10.00 from your winnings!
- Happy February, have an excellent week, thank you so much!

SPEAKER: ALEX BAUM: THE GREAT TRAIL PROJECT

SPEAKER INTRODUCTION: MYRNA DUBE-THOMPSON: I am amazed at the entrepreneurial spirit that exists in the Calgary area; People who will embrace a new idea and make it happen. That idea must be well thought out, have a realistic development plan and have a strong leadership group. People will buy into it and support it.

I've experienced when Rotary becomes a partner in an initiative the support multiplies. In many of the new big idea projects that become reality in this community, Rotary brings huge credibility even by virtue of having its name attached, Rotary adds financial support, volunteer assistance and contributes to the successful realization. There are so many wonderful examples of this in District 5360. The Rotary/Mattamy Greenway is a prime example.

What you are about to hear today could never have progressed from the new idea it was a few short years ago to where it is today without the leadership of **Alex Baum, and the Rotary Club of Cochrane**. Alex, the project leader is a community builder well known in the Cochrane area and in District 5360. He has an innate ability to build associations and partnerships with diverse groups to continually move an initiative forward. And that initiative is The Great Trail.

Alex has been working with Treaty 7 peoples, other landowners and communities for many years to lay the ground work for this mega project, which has recently been called by a media source – a runaway train! The last I'll say is they now have a very comprehensive strategic framework in place. And I'm proud to be part of a steering committee along with other Rotarians – Dan Doherty and members of Cochrane Rotary, Cochrane officials including the Mayor, Member of Parliament, and representatives from Treaty 7 Nation, as well as several trail officials.

I asked Alex for a short bio, he said the last one he had, identified him as an apprenticeship mechanic who was lucky to have found Cyndie. I agree with the Cyndie part. Cyndie is Dr. Cyndie and a lecturer at U of C. And Alex is a very astute and successful businessman. A car guy, he is very much at home in this Club and has an impressive automotive career.

Career: Automotive Industry:

- ◆ Started out his career as an apprentice mechanic with a dream to one day be a licensed mechanic and ultimately if all the stars aligned, be a Franchised Automobile Dealer.
- ◆ He continues to enjoy 4 decades of living the dream.
- ◆ Early in his childhood his parents moved to Africa where he enjoyed a Jungle Book childhood, the disciplines of a British boarding school and also the modeling of live-long values of Faith, Family and Friends and the importance of giving back.

Family:

- ◆ Married his college sweetheart Cyndie and has 3 sons, 3 daughters in law and now, 8 grandchildren who enjoy fast cars, sports, fishing and road trips, how good is that!

Friends: "Show me your Friends and I will show you your future" whether you are 6 or 60 this truth remains.

Recent & Current Activities:

- ◆ Cochrane Toyota, Dealer Principal
- ◆ Rotary Club of Cochrane, member for 26 years, Past President
- ◆ Canadian Automotive Dealers Association, Industry Relations Chair
- ◆ CADA Executive National Board, Chair
- ◆ Ambrose University Board of Governors, Chair
- ◆ The Trail, Steering Committee, Chair

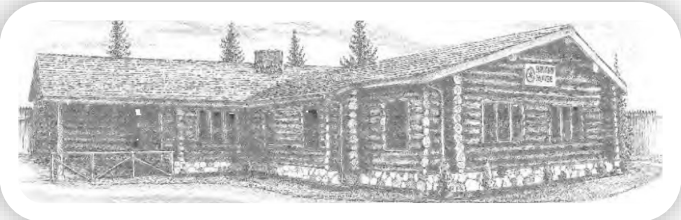

Memorable Milestones:

- ◆ Alberta Business Ethics Award
- ◆ Alberta Dealer of the Year
- ◆ Alberta Centennial Medal
- ◆ The Queens Diamond Jubilee Medal
- ◆ Laureate Award, Canadian Automotive Dealers.

Most Memorable Moment:

Co-winner of the 1st Annual **"Baum Ice Fishing Derby"** with grandson Beckett. The fish was only 7 inches long but it took home the priceless trophy.

SPEAKER: ALEX BAUM: THE GREAT TRAIL PROJECT

SPEAKER: Alex started by saying that our Club has raised the high-water level for lunches and notes that his President is present to see it as well! In the theme of Chinese New Year – he is delighted to be our Honorary Monkey for the day! Back in the early 1980's Alex was invited to our New Members Auction evening when Ed Whalen was still with us and he went home with a bird house (but, it never really worked)!

The Trail is a continuation of the Canada Trail. Rotarians are known for their support of parks programs throughout the globe. A survey was completed with Rotarians about what is most important to them and 'making a positive impact in the community' was #1 as well Rotarians also rated #1 for 'providing grants for projects for my community'.

A humanitarian is described as a person who cares about people and who often participates in charity or does good work to show that they care. As we all know, in 2022 humanitarian response is really important.

Almost a decade ago Rotary helped raise money for the Glenbow Trail and then Rotarians came together for the Rotary Mattamy Trail. The Ranch trails is 95% done – just need to finish the Haskayne Park connection. The challenge here is that there are not any roads to the park and so it is very challenging and costly to find a solution. We are working on it – more to come!

Albertans and all visitors will enjoy all the trails we have worked so hard on. We hope to bring the trail to come to Cochrane – this we call stage 1. Many years ago, Cochrane Rotary and Lions came together and so far, we have returned \$4.1M to the community! We would like to grow the trail so that the full trail can be there for families to enjoy.

Stage 2 will be connecting communities through Stoney Nakoda – talks are already occurring.

A huge thank you to the Richardson family for all of their financial and emotional support for the Trail. The David Richardson Park is beautiful.

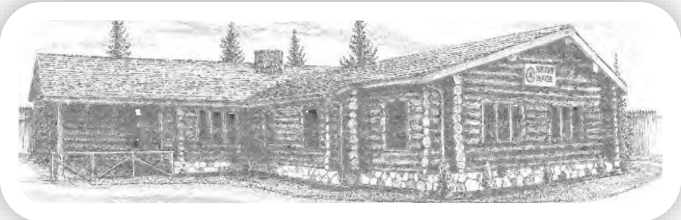

The goal is to have the Trail completed for June 8, 2025 to coincide with our 2025 Rotary Convention. Wouldn't it be wonderful to have the ribbon cutting at the time of the Convention? We work on these projects because we are Rotarians, we care and the projects last beyond our lifetime. There is a lot of work to be done and we are hoping you will help with naming the trail and be part of this exciting project! Thanks again for inviting me – I look forward to hearing from you all!

LINK TO PRESENTATION: [Feb 3 2022: The Great Trail Presentation](#)

SPEAKER THANKS: JACK THOMPSON: Jack thanked Alex for all of his work on the Trail. We know the Trail is 'your baby' and it will succeed – it will be one hell of a Trail!!

PRESIDENT STOKKE: In Closing: Alex, thank you for taking the time to visit us today. What an amazing project and it's great to see the association with Rotary Club of Cochrane. In recognition of your time today, our Club will make a \$100 donation to the Calgary Rotary Clubs Foundation. As you know, this gift will help support our community. Thank you.

Larry Kwong Chinese New Year Celebration: February 3, 2022

Thank you, President Craig for allowing me a few moments to celebrate our dear friend and Rotarian **Larry Kwong**. We have gone several years without celebrating **The Larry Kwong Chinese New Year**. I certainly hope 2023 brings the opportunity for us to gather for a large and traditional Chinese New Year dinner once again at the Regency Palace. The 2022 Chinese New Year was this past Tuesday, February 1st

I am taking a few moments to honour Larry as we know he was a huge supporter of our Rotary Club, and absolutely loved sharing his Chinese New Year traditions with us. One of Larry's many treasured traditions was to provide all of us with the Chinese New Year Red Envelope. You each have one at your place. Allow me to briefly explain why it was important to Larry.

The envelope is red because red is a symbol of prosperity and wealth in Chinese culture. The money in it is called "lucky money". In China, the amount can range from one to a few thousand Chinese Renminbi. Hmmm.....ok, so I had to break a tiny bit with tradition. Sorry, you don't have a few thousand Chinese Renminbi in your envelope. But you do have a Canadian Loonie!

In Chinese tradition, the **red envelope** is usually given by an adult to young children during the New Year days. It is believed that the money in the red envelope will suppress the evil from the children, will keep them healthy, and give them a long life.

So, you are all children today. Here's to your health and a long life. Don't forget Larry's red envelope when you go! It's good luck and respectful to open it when you get home. The other thing Larry taught us is the Chinese Zodiac. 2022 is the year of the Tiger.

The Tiger represents strength, courage, and bravery. Those born in the Tiger years are said to be brave, passionate, and eager to take on challenges – but sometimes - rebellious, overconfident, and stubborn.

If you are lucky enough to be a Tiger – take on the challenges this year with a brave heart. And tell anyone who accuses you of being stubborn that you are simply..... "focused".

If you don't know your Chinese zodiac, check your birth year on the chart on your table. And once you know your Zodiac, read about yourself! Chinese zodiac animals have astrological and cultural meanings. Chinese people associate each animal sign with certain characteristics. It's believed that people born in a given year have the personality of that animal.

To honour and remember Larry we will show his Rotary Legend Profile that our own Jamie and Steve produced.

Thank you everyone for giving me a few moments to celebrate Larry Kwong, and the Chinese New Year that was one of his favourite Rotary events. Favourite because he loved to share his culture, food, and traditions with all of us.—see next page for your zodiac sign
