Ron Prokosch introduced the program and has significant experience in it as Chair of Youth Exchange. There are many returning members to the committee which is great as it carries on the experience to next year.

There is a short term and a long term program. Our club sponsored Emily Stokke in Australia currently, and this is usually 3 months or so. The long term is about 11.5 months arriving in August, and usually returning to their homeland the following July.

There are 30 – 40 inbound and outbound students plus Rotaract in our district alone, multiply that by each district in the world and there are an estimated 8,000 students building peace and reducing conflict in the world. Students learn about another culture and often a new language. They gain an understanding of diversity and uniqueness of cultures.

Our club often lives vicariously thru our students, and sometimes results in meeting new people ourselves and having a place to stay when we travel abroad. Ron reminded the audience that children and grand children, nieces and nephews of our members are always welcome to apply.

While the program is supported by the district committee, it takes the clubs, Rotarians and families, schools and an entire community to support the program. This means there is a lot of experience around to support host families with any challenges that may arise.

Ron encourages all members to get involved by hosting a student for an activity, whether or not it is a Rotary activity. Or become a host family for 2 – 3 months enjoying the company of a new young adult that everyone can learn from, or consider accompanying students on some of their Rotary exchange student tours.

There are many ways to get involved and to make a difference in a young life – at the same time that student making a difference in your life.

To learn more about becoming a host family visit this website: www.yex5360.org or call Ron.

ROTARY YOUTH EXCHANGE: PAUL SISKA

Kevin Hayes is our club's Outbound counselor. In his role he has had a chance to see a couple of exchange students cycle thru and has met many Calgarians who were part of the program in previous years. When we recruit a student from Calgary to represent our club, there is very careful consideration given to whom that person is. Today Kevin introduced Paul Siska who we are sponsoring to Spain.

Paul is going overseas, is a young man in high school and an astonishing individual. He dove right into the youth program as a musician, played at the Governor's dinner, and is building a network of youth exchange students internationally before he has even left on his trip. All are pretty excited to see him go (in the nicest way possible).

Paul then shared with us what he will teach people in Spain about Canada, and also shared photos and maps of where he will be staying and his first host family in Spain. His Canada presentation included dissolving the myth that Canada is only polar bears, igloos and that we know everyone in the entire country. Canada is very multi cultural and diverse with 35 million people, 2 official languages, 2 national animals - the beaver and Canadian horse and two national sports - lacrosse and hockey. Our National tree is the Maple, and we are the largest exporter of maple syrup in the world. Canadians invented basketball, baseball, telephone, Robertson screw, Velcro, and the zipper.

Paul's Mom is from Peru, and Dad is from Slovakia. Paul understands both languages and by his own admission, has an interesting and odd lisp speaking the two languages.

He loves to ski, travel, play music, lead scouting groups, and hike. He attends St. Mary's High School, just finishing grade 11 - and will finish grade 12 upon his return. His new home will be Madrid and his host parents are both psychologists.

Paul expressed a huge thank you to Ron and Kevin for their continued support throughout the year, and to Calgary South Rotary for the opportunity and the journey to come.

Chas Filipski thanked our speakers, and said as everyone was thinking - it's easy to see why Paul was chosen by our club - we are glad to have him represent Calgary South Rotary. Our new inbound student, Pablo, arrives in August. He does need a host family starting in November for 3 months. Christmas is a great time to bond with the student and your family, so please consider it. We will find out soon when Pablo arrives should Rotarians want to meet him at the airport.

\$100 was donated to Stay in School in Paul's name.

CLUB NEWS

Well, it is only our first new meeting with **President Ken Farn** and the jokes already started with a napkin rolled up in the President's bell.....and **Past President Murray** is seated at the back table in the peanut gallery. With **Bonar** telling me to just remember the conversations in my head, then simply make-up the bulletin. What a start to a new Rotary year! Here we go!

President Farn asked everyone to stand for O'Canada and Rotary Grace.

Head table: Gord Weicker, Dana Hunter, Norm Legare, Kevin Hayes and Paul Siska (our outbound student heading to Spain)

Visiting Guests: Shelley Marshall introduced: Captain Ron Filler (guest of Terry McDonough), Luke Copithorne (grandson of Ken Copithorne), Bryan Burt (guest of Michael Ruttan – who didn't buy his lunch!)

Paul Siska (our outbound student to Spain), Lucia and Matt Siska (Paul's parents), Sara Gallego and Jessica Bontempi (YEX Students), Glen Pomeroy and Christopher Raes. A rousing version of "Welcome" ensued.

Rotary Stamps Game: On July 29, Rotarians are headed to a Calgary Stamps game against BC. Cards were handed out with instructions on how to secure your \$37.50 ticket. One-third of your ticket price goes back to Fort McMurray. Sit in the rotary section, cheer on Stamps and support Fort Mac.

Go to: www.stampeters.com/promo and use the password: ROTARY (does not work on mobile devices)

Rotary Challenger Park Casino Fundraiser: Being held Aug 26 – 27. They need additional volunteers so if you are available and can help please call Arnad Dashie at Challenger Park for more info and to sign-up.

Peter Penner Memoir: Peter has completed his memoir. Publisher is currently finishing it, and it should be available in August. We will set up a table at Rotary when the book arrives so you can purchase it and Peter will sign it. Peter has a very interesting family background and his story is well worth reading.

Dream Home 2016: Dana Hunter: Dana expressed a big thanks to everyone for coming out in the rain and keeping a smile on your face for 9 straight days. She is happy to announce that the Chairpersons' curse is over – her worst ailment was a blister on her finger. Dana shared that she couldn't have done it without the amazing people on the committee and asked them to stand. A great round of applause for all.

Dana expressed her personal thanks to committee members who went way above and beyond and presented them with gifts:

Doug Howard – Mr. Fix Everything. Whether it was IT, plumbing, electronics – you name it, Doug was there. **Charlie**

Goldsborough who picked up shifts for everyone he could, and spent more time on park than Dana did. **Randy Burnette**

who has worked tirelessly for many years. We use equipment from his office and he also provides his staff – his most expressed phrase to Dana: "whatever you need". **Sandy Dougall** who has run the cashier program for many years and at end of this year expressed interest to pull back next year – thanks for all your contribution Sandy.

CLUB NEWS

Dream Home 2016: Dana Hunter: And to **Earl Huson** who runs our St. Mary's parking program and is considered by all as part of the Dream Home Committee. Last to the committee **Vice Chair Craig Stokke**, who stood behind Dana, and if she dropped the ball, he picked it up and gently lobbed it back to her.

Next a tremendous thanks to all members for early registration of shifts – Dana held a draw for a Fitbit with all members eligible, won by **Geoff Hughes**.

And finally, a draw for all volunteers on Park to recognize printers, cashiers, runners, etc. **Lynn Grant** did a draw and congratulations to Chris Lewellyn – a Rotarian's sponsored shift.

AND NOW: Results for this year: Dream home sales were down 11% over 2015. **BUT** with the new Split 'Em 50 introduced by **Lynn Grant**, Chair of the Lotteries Committee, we are up 18% over last year!!! **Dana** thanked everyone for their support, and the incredible experience – she looks forward to supporting **Craig** next year.

Stay in School Golf Tournament: Gord Weicker shared that we are SOLD OUT thanks to the excellent supporters at Rotary, our sponsors, our auction donors and our raffle prize donors. In fact, we even have an extra team taking us to 148 golfers which is fantastic news given our economy. Gord expressed thanks to the volunteer committee who pulled it all off and reminded all Rotarians not to show up next week at Rotary House or you will go hungry since we'll all be out at Cottonwood.

Thanks to Supreme Windows who has been our long standing sponsor and to Peleton for our \$1M hole in one shoot out contest. 12 lucky golfers who are closest to the pin on four Par 3 holes will be invited to participate. If they get a hole in one in the shoot out, they win \$1M. There is also cash for landing on the green – but the happiest result will be a \$1M winner. Door prizes include trips to Austin Texas, Quebec, and a surprise weekend in Nashville.

There are 17 auction items including a trip to see the Polar Bears in Churchill MB with Brian Keating, golf in: Pebble Beach, Fox Harbor Resort in Nova Scotia, Victoria BC, a wine trip to Napa Valley including the Wine Train, our single malt Canadian Whiskey accompanied by Cuban Cigars, 3 nights in Tofino, BC, a Men's Suit by Thomas Jeffery, a trip to the Yukon, dinner for 8 at Ox and Angela's, \$5000 of radio advertising with Corus, a trip to Formula One in Montreal, 2 pieces of beautiful art that was displayed in the Dream Home, a package to spoil the kids and grandkids, 2016 golf at Cottonwood complete with lessons, and a 50 lb. hog, complete with roaster and \$500 of fixings to host your own BBQ party for family and guests. Amazing items – don't forget to bring your cheque book! Or your credit card!

Our raffle is a bucket draw this year – you buy the tickets and put them in the buckets you hope to win – dinner for two at Ox and Angela's, a 3 day trip to Whistler, two golf trips for four at Cottonwood and Redstone in BC, a Texas Mickey of CC Whiskey and a golf bag stuffed with \$500 of new golf goodies.

We do all of this work for the Stay in School program. Since its inception, this tournament has contributed \$1.3 M towards a fund that is over \$3M. It is a very important component to our program and we all appreciate the support to carry it on. See you next Thursday at Cottonwood.

President Ken also reminded everyone of the delicious free food and drinks on the holes as you go around the golf course – one of them being Michael's fish and chips.

COUNTRY THUNDER: Norm Legare: Time to kick off Country Thunder on August 19-21.

Anyone who would like to order the same new blue Rotary shirt that was worn by the Dream Home committee can contact Corinne at: corinne@whitehathospitality.com with your size by July 29. The cost is \$45

Brenda McKinley is running the 50/50, first time we have done one outside of Stampede. Volunteers work in two's and in shifts. One partner sells, other takes the money using the same machines as the Flames games. Shifts are 11am to 5pm & 5pm to 10pm. Selling stops at 8pm so a nightly draw can be made.

Charlie Goldsborough is running rostering, quick on the heels of Dream Home, but with great benefit to both our club, and to the funds we can contribute to charities. There are 792 shifts to fill and so far we have about 110 filled, with 96% of those being non-rotarians. All are invited to ask their family and friends if they are interested – it's a great benefit to volunteer because even if they only do one shift, they will get a bracelet that let's them into the full 3 days of the festival. Selling food and beverage tickets is a sit down job, working in pairs in a booth. Day shift ends at 5:30, evening tickets stop being sold at 10 pm. Music goes to 11 pm. Bar closes at 10:30. First week of August Charlie is away – contact him up to that time, and in that week, contact Gail McDougall.

Don Taylor has done a stellar job working with AGLC – not easiest job to do, but we now have the ability to run the beer garden as well. There are 3 possible jobs: bartending, selling tickets and giving wristbands to everyone over 18. Most shifts are in the bartending and ticket selling. Not difficult – only 3 types of hard liquor: rum rye and vodka, and then beer. All beverages are paid with a ticket so no handling of cash. Jiggers and spouts provided and lots of opportunities for breaks.

Ticket selling is a sit down job. For those serving alcohol or selling alcoholic tickets, you need your ProServe certification. Imagine the “cool factor” when you tell your kids and grandkids that you are a licensed bartender! And it's good for five years, so you will have bragging rights to 2021.

Getting the ProServe is a two step process. First, register and get an individual registration number at: www.preserve.aglc.ca. Click on “create an account”. The event venue will be “unknown”, as will the employer. After registering, let **Don Taylor** or **Charlie Goldsborough** know. Send them your name, email address & 12 digit registration number found at the top of your Personal Information page. Don or Charlie will let AGLC know that you are a part of Rotary Country Thunder group so you can complete the course for free. AGLC will contact you in 2 days to let you know you have been cleared to take the course. You will have up to 30 days to complete it and it takes 2 – 2.5 hours. The deadline for this process is August 15 – if you register after that you will need to pay the \$26.50.

CLUB NEWS

All the Country Thunder committee members have taken the course so they can help you. Plus, **Murray Flegel** has offered his boardroom if you arrive with your laptop to ensure it is a painless process for you.

We would love to have all this completed in the next 3 weeks – so please consider getting your ProServe and you will be able to serve liquor at all establishments!! Contact **Don Taylor** for more info. Shifts for any volunteers under 18 years of age are available with Rotaract who are doing the clean up. Under 18's are unfortunately not allowed to be part of the beer garden, ticket selling or 50/50 selling according to AGLC rules.

Norm closed with: Come on guys – it's like Woodstock but with a country flavor!

Old Time Country Picnic (August 14): Keith Davis announced he had a job for everyone on Sunday Aug 14. Show up to a fun party – just for fun! No work involved, no fundraising to do. The Social Committee is busy planning an old time country picnic at the Bow Valley Ranch with Bob Brawn as our host. It's an incredible spot near the river and you walk through a movie set to get there. Includes Frisbee golf, sack races, hula hoop, egg on the spoon races, and more. Food is being prepared by Michael Zacharki. Nothing further needs to be said. Bring sensible shoes (it is a ranch), a picnic blanket, folding lawn chairs etc.

Your job is to simply SHOW UP. Open to everyone, children, grand children, we would like to see 200 plus out. Cost is only \$10 per person to cover food. Children under 2 are free. Email has gone out today from Toby – please accept or decline. The team will also be selling tickets at Rotary first week of August. Time is 1 pm – 4 pm.

NEW EMS EQUIPMENT NEEDS TO BE SHIPPED TO PANAMA

A few weeks ago SAIT offered Rotary in Calgary over \$30,000 of new EMS Equipment for free. Rick Scott was able to get 25% of the equipment for our WCS Committee for our Panama project, in his garage. The challenge now is to get it packaged in a wooden crate and arrange for shipping to Panama. If any members know of a contact that might build us a crate and/or a group that might ship it for us at a reasonable price, please contact Rick Scott (email is ellobo@shaw.ca). Obviously the more costs we can get donated the better.

50/50 Draw: Michael Zacharki awarded the \$146 pot awarded to **Glen Godlonton**. (I didn't see Glen walk back with an envelope, so editor assumes he donated it back to Paul!)

PHEW.....AND WE ALL LEFT ROTARY HAPPILY EVER AFTER.

All volunteers have to be 18 and for jobs 1 and 2 they require a **PRO-SERVE certificate from AGLC.**

HIKING CLUB: JULY 20TH 2016

This group of nine journeyed to Lower Kananaskis Falls, here we are at the lower lake

Among the many flowers seen was this lovely Fireweed

As pretty as it was we couldn't figure out the name of this peak

This scenery was from the campground where we ate lunch with a camper that joined us on our hike. He had pitched his tent and was staying alone

A close up of the swirling water picks up its powerful movement

After already hiking 10 km the closest we got to this large waterfall was with a telephoto lens

We were lucky to see these two young Rocky Mountain Sheep who stopped to pose. We were also lucky enough not to run into the Grizzly Bear that was spotted near where we were hiking!

WALKING CLUB

WALKING CLUB: Five Partners met at Valley Ridge on Thursday to walk the trail from the shopping centre down to the lagoon in Bowness Park where we saw lots a lot of families enjoying themselves as we enjoyed our drinks and muffins before tackling the uphill climb back to our cars. We were also pleased to reminisce with our Calgary girl, Carole Brawn about the happy place Bowness Park was when Calgary was a much smaller city. Luckily the trees in the forested hillside provided lots of shade as we climbed. It was very peaceful and natural and thanks to Lois Silverthorne for organizing.
