

Craig Stokke began today's presentation by introducing Stampede President, Dana Peers.

The Rotary Club of Calgary South and the Calgary Stampede have a long tradition of partner-

ing and working together to support our community. We hold the same values, and in many cases, we are the same people.

Members of our club have held the position of Calgary Stampede President, they've served on the Stampede Board of Directors, chaired major committees, and served many other important roles.

We've also worked together in major fundraising efforts; this will be the 42nd Rotary Dream Home project, plus, our club has made tremendous contributions to the Stampede projects, most recently with Oliver House.

On a personal note I am extremely thankful for the tremendous support the Stampede provided me as we put together our successful bid on the 2025 Rotary International Convention which will be held here on park, in the shiny new building that will be going up across the street.

With every great organization there is great leadership. Dana Peers is the President and Chairman of the Board of the Calgary Stampede.

Dana has had a 32-year career in the design, project management and land development industry; designing and completing projects throughout North America. He is currently President of Urban-o Design and Development Ltd., which specializes in both residential and commercial design. Dana also holds a Bachelor of Science degree from Arizona State University.

Dana has been a volunteer with the Calgary Stampede since 1991, he was elected to the Board of Directors in 2011, and was installed as President and Chairman of the Board in March 2019

Dana Peers began by acknowledging the long-time successful partnership with The Rotary Club of Calgary South. Dana spoke with passion about his full time Volunteer "Job".

These are just some of the highlights:

- Exciting time for the Stampede and the City
- The Stampede vision is that it is a year round Gathering place.
- A Tier 1 Convention Centre is required
- Convention delegates annually spend \$250 million in total, \$50 million on the grounds and the rest in the City.
- They are into year 15 of a 20 year master plan.
- They currently have 11 funded projects underway including, 17th Avenue Crossing, Hotel Development at RFP stage, Stampede Trail, Maybe an Event Centre and the SAM Centre.
- These amount to \$2.25Billion over 5 years.

This year is the "**Victory Stampede**" marking 100 years since the end of the Second World War. This year's poster was designed by Rebecca Shuttleworth a young artist, through a scholarship program. The Poster is one of the Stampede's key marketing tools and is widely distributed.

Dana then opened up the floor for questions. This sparked many and a wide variety of questions allowing him to expand on the various issues. Here is the one question that everyone expected....

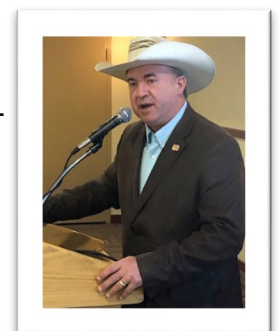

What is going to happen to Rotary House? Dana does not know for sure. There are a lot of conflicting opinions and ideas about the building but he does know that they have gone the RFP (Request for Proposal) route for the 17th Avenue Access changes. The chosen design team will now finalize all the plans for this area and that will include a plan for Rotary House. ***Stay tuned!***

This is a sampling of the questions that were proposed

- How does the Convention Centre compare with Houston or Edmonton?
- Tell us about your 6 year Community Plan
- Share with us what your average week looks like as a Volunteer
- What is your term as President?
- SAM Centre update?
- What about Parking?
- What is your position with the Event Centre?
- Construction issues and the 17th Avenue entrance changes?

Mark Ambrose thanked Dana for the update from the Stampede. As a Stampede Volunteer he mentioned that Dana has been instrumental in ensuring that all the Volunteer Committees are kept up to date on all the exciting changes coming to the Grounds

Dana speaks without notes or slides and it would not be possible to do justice to all of his comments with this summary. It is strongly recommend that if you missed the meeting or you want to know more that you go to the link below to view the video for this meeting:

Host Families for 2019/20: Dorothea Schaab: Calgary South Rotary Club is recruiting Host Families for the 2019-2020 Exchange year. Our incoming exchange student is Carlota Ferrer from Barcelona and she arrives in late August. The time that she will spend with her host families will be from two to four months. It is our goal that she will have the opportunity to stay with three to four families to provide broad cultural experiences. This is a unique experience; it broadens awareness of other cultures, builds life-long friendships, and introduces the student and family to many new adventures. Please contact **Dorothea Schaab** or **Walter Flores** for more information on the Host Family program.

ROTARY T-SHIRTS: ROTARY PEOPLE OF ACTION

Incoming DG Christine Rendell sent an email to everyone in our district for orders of "Rotary People of Action" t-shirts. An order form was circulated at meetings and we ordered 53 shirts of the over 500 + shirts ordered for our district. Final price per shirt was \$10.50.

Hans Tiedemann has been wearing his t-shirt at the last 2 meetings while distributing and collecting money for the pre-ordered shirts. Many people like the shirts and have asked if they could get one of these "**Rotary People of Action**" t-shirts and were disappointed when I told them they were pre-ordered. Hans is willing to try to get a second order done.

AS A PRELIMINARY INDICATION ONLY (not an official order) please send Hans an email to: htiedemann@shaw.ca to advise of men or ladies "Rotary People of Action" t-shirt and size and quantity that you might order. I will pass this to Christine Rendell to combine with other possible orders and decide if to ask for the official orders from each club and also advise if the initial price of \$10.50 would still hold with a second order. All of this will take a couple of months and you will know once I know. Thanks—Hans Tiedemann

Host Families Needed

The Rotary Club of Calgary South requires host families for our 2019 / 2020 Inbound Student Carlota Ferrer who is 15 years old and will be arriving from Barcelona

Who Can Be A Host Family?

- **Any caring and responsible family** with an interest in hosting a young person from another land.
- **Families with small children** make great host families. Young children experience having a Big Brother or Sister; Exchange students may share a new language for the young children.
- **"Empty Nesters" or retired couples** often have more time than younger families to spend with the exchange student and they enjoy having a young person to host.
- **Families with high school age children** help the exchange student integrate into the school activities.
- **Single parent families or single adults** make good hosts.
- **Families do not need to be affiliated with Rotary** to host Rotary Exchange Students.

How Long Will I Host an Exchange Student?

The typical length of stay is about two to four months. This provides the student with an opportunity to experience different cultures and family traditions. The student is in Calgary from late August 2019 to early July 2020.

Jim Burns sent this photo of a recent Dinner Club! The Brick's, the Burn's, the Bunting's and the Filipski's had a great evening enjoying friendship and food together

On Monday, **Penny Leckie** took me to do horse-back riding with few other lovely ladies. I really enjoyed the trip and the views were amazing!

My last day of school was on Tuesday so now I'm on summer break and have more time to see and do different things! I have a month left in Canada, my flight is on the 10th of July.

On Wednesday I went to a hike with the Hiking Club. It was a sunny hot day and I got to see the Elbow Falls! After that I gave a presentation to the Partners at their dinner meeting.

On Saturday, the 15th of June there's the Shelterbox Fundraiser Dinner in Okotoks United Church! There's still a plenty of tickets left so you can still go get your tickets!

Go online to:
internationaldinner5360.weebly.com and scroll down to the end of the page. Then click "ONLINE TICKET FORM" fill your name and choose the meal you want.

If this seems too challenging, email me: liisa.lehtio@gmail.com and I'll get your tickets for you. No matter which way you choose to order your tickets, you pay for them once you arrive at the Dinner. Credit/Debit/Cash. Hopefully I'll see you there!

Liisa

A big group of hikers (14) enjoyed the day at Elbow Falls with a not so flat, as advertised, hike up a nearby hill. We covered over 5 km. with sightings of blue clematis and violets both white and purple. At the end we spotted an enormous mushroom. We had lots of new hikers including our exchange student Liisa. The views of Elbow Falls and the channel of the river have changed since the flood. After our strenuous climb we had lunch by the river where some dipped their toes in the water. Some sought shade but all had ice cream in Bragg Creek after our hike.

HIKERS: Wednesday: June 19th: We plan to visit Ptarmigan Cirque, near the High-wood Pass, S. on Hwy #40. This loop is 5km in length, with a height gain of 230m. This offers wonderful views and probably meeting a flock of Big-horn sheep. For more information, contact: PHIL JACKSON at: philjackson@platinum.ca or call 403-931-4018.
