Ted worked in the utility industry for 37 years. He joined Rotary in 1977 and this year celebrates his 40th year in Calgary South.

He's worked on many committees and has been the club secretary for the last 25 years – a whole second career.

He is also a Paul Harris fellow. Ted has been a storehouse of information for the past twenty-six presidents of this club. He knows the RI by-laws and our club by-laws like the "back of his hand".

TED - you are a Great Rotarian.

We then got to see the Video Presentation of the Rotary Profiles Series for Ted Rowsell thanks to **Jamie Moorhouse and Steve Mason**

Here is the link for Ted Rowsell's Video Profile. Just click the link to view:

<https://vimeo.com/222547885>

Ted spoke to the club of his experiences and the meaning of the Engineers Iron Rings. He was extremely proud to be able to present his daughter with her rings upon her convocation. Ted payed special tribute to our Club Administrative Assistants and thanked everyone in the club for their support.

Past President Keith Davis, on behalf of **Art Borzel**, thanked Ted. He indicated that the first question all our past presidents asked was, "Will Ted be around". He is the holder of knowledge and secrets and the first engineer that Keith knows that is truly electrifying!

President Ken, echoed the remarks of **Keith Davis and Murray Flegel**: He thanked Ted for shepherding all our past presidents, for being the 25 year veteran Secretary and who for 40 years has maintained the "high standards of service above self" to his community through the Rotary Club of Calgary South. As a very small token of our appreciation for your long and exceptional service in Rotary & your community, today we have contributed \$500 in your name to our Stay in School Scholarship Trust Fund.

President Ken Farn welcomed everyone to the Rotary Club of Calgary South meeting of June 22nd, 2017. He offered Congratulations to **Stan Cichon and his wife Barbara** on the celebration of their 50th Wedding Anniversary on June 18th.

President Ken drew attention to the fact that he is honoured to be our Club President for ONE more meeting, as this Rotary year winds down. (Accompanied by cheers and applause!) and invited us to join Lisa Fernandes and your head table in the singing of "h Canada" followed by "Rotary Grace". Enjoy your lunch and fellowship!

Head Table: Murray Flegel (Past President), Ted Rowsell (Club Secretary for 25+ years), Bill LeClair (President Elect), Pam McGladdery (CEO at Universal Rehabilitation Services Agency: URSA), Keith Davis (Past President)

Of importance was to remember not to eat or smoke in the booths and to stay off your phones. Remember to engage people and SELL, SELL, SELL.

Craig also brought everyone up to date on our application to host another Rotary International Convention. Calgary is currently one of four or five applicants and our city will be examined by RI with a decision expected within the next few months on hosting in 2023, 24 or 25. Well done Craig.

Congrats to Linda and her family.

Large Grants: President Elect Bill informed us about the work of the Large Grants Committee in addition to the small grants we celebrated last week. Today we have Pam McGladdery the CEO at URSA: Universal Rehabilitation Services Agency in attendance. Pam was presented with a cheque for \$32,000 and she informed us of how much these funds are appreciated.

Her organization has been in existence for over 32 years and they deal with children, adults and seniors who have severe brain injuries or disabilities. They deal with people in wheelchairs, people who require feeding tubes and assistance to eat and especially require help with bathing and body care.

Our funds will provide them with a new therapeutic tub, with a hydraulic lift to raise and lower the patients into the tub, and special temperature controls and jets to regulate the water in the tub. Thank you so much for inviting me to today's Charity Day event. I thoroughly enjoyed myself and the conversations I had with members from six different charities seated at my table.

What a lovely representation from so many great organizations there today, who are each blessed to have had support from the Rotary Club of Calgary South and its members.

I have attached a poster inviting you and your members to attend our upcoming Stampede Breakfast on July 11.

I recognize that you will be busy with Stampede events yourselves but if you can stop by with your families to enjoy the festivities, it would be great to see you.

Kind regards,

Cindy Daigle

2017 Supreme Windows \$1,000,000

Calgary South Rotary Amateur Golf Classic

We Look forward to seeing you there!

Welcome to the **2017 Supreme Windows \$1,000,000 Calgary South Rotary Amateur Golf Classic** in support of the Rotary Club of Calgary South Stay in School Program representing our 16th

Annual Event. We are excited to offer "cars with class" for 4 hole-in-one prizes and a chance for one of twelve tournament participants to win \$1,000,000 in the Peloton \$1,000,000 shoot-out.

Cottonwood Golf and Country Club management and staff have assisted us in organizing this event for the past 13 years. They are looking forward to once again accommodating us on Thursday July 27th, 2017.

The tournament is a major source of funding for the Stay-In-School Program and provides an opportunity for sponsors and players to participate in a meaningful program that will have a long-term impact on the future of Calgary students. To date through the generosity of Supreme Windows, the sponsors and the players, the tournament has raised close to \$1,600,000 in its 16- year history.

We're excited to build off of the success of our past tournaments and continue raising funds to help promising young students obtain a post-secondary education.

On our June 21st hike to Diamond-T Loop there was an ominous sky, but not a drop of rain fell on our six hikers.

We saw lots of Tall Lungwort also called Tall Bluebells.

Some challenges were walking across the muck on a log.

We lunched at what was Allen Bill Pond. There has been no restoration.

This strange looking flower is Western Meadowrue.

The False Solomon Seal is interesting to distinguish from Star-flowered or 3 leaved Solomon Seal.

Clasp-leaved Twisted-Stalk hides its flowers under the leaf and you can see a twisted stalk.

The flowers (at least 14 varieties) were the big feature of this hike as evidenced in this beautiful Wood Lily

HIKERS: On June 28, we plan to walk a new trail near the Spray Lakes area. This is part of the Trans-Canada Trail through Alberta. For more information, please contact Barb Heuchert, at 403-289-2448, or Constance Jackson, at 403-931-4018.

The Partners had their annual meeting and dinner on June 15 at the Calgary Golf and Country Club. At the final "Caring Makes a Difference" theme presentation, guest speaker Jaqui Anderson gave a moving report on a Syrian refugee family and the hardships they have been

through since the war took away their homes, business and way of life.

There is an opportunity to help these family members to complete education, recertification in professions, and get employment in Calgary.

Pablo gave an amusing presentation with pictures of his year in Calgary. The Partners presented him with a gift to remember us by.

President Pat gave a report on the year's events and achievements. With a generous donation from the Rotarians, the Partners were able to finally get president's pins for the last seven presidents of the Partners.

New President Karen Grant introduced her theme "Getting to Know You" and introduced her new executive for 2017-2018.

Pictures are of Pablo, Maureen Watson presenting flowers to Pat Farn, President Pat and President elect Karen in front of events board, some of the executive for 2016-2017.

Submitted by: Pat Farn

After the Partners Annual Dinner a few ladies shared a glass of wine with **President-Elect Nominee Ron Prokosch**. Ron seems to have a boisterous support group in this group.

From top left: Jane Topp, Shirley Clisdell, Maureen Hutchens, Sonja Sadler, Linda Legare, Donna Mintz, Lorna Hamm, Ron Prokosch and Mary McPhee.
