Firstly, let me say what an honour it has been to be your President. I had a lot on my plate, but I really enjoyed my year.

Let me go back to my three words of August 3rd, 2017. Membership started my year at 138 members and added 10 new members. During the year we have had seven resignations for various reasons, two terminations, two transfers, and unfortunately six deaths which now leave us at 131. I had appointed a recruiting committee which started some good work last year, but we can see that there is work to do. I pointed out last year that 50% of our Club was over 70 years old and I recall **Ken Copithorne** saying at our first Strategic Planning Committee meeting and I quote "We have a tsunami coming."

We have to continue to obtain new members but more importantly, keep them engaged. We just need to keep moving in the right direction. **Charlie Gouldsbrough** wanted to honour **Terry McDonough** and I wanted to honour those members with perfect attendance so we created the **Terry McDonough Attendance Award**.

Transparency: **Larry Kennedy** indicated early on that he was leaving the position of Treasurer but there were issues that needed to be addressed. I secured the services of **Don Mintz** to act as our Treasurer stating on July 1, 2018 and Priority Bookkeeping Solutions to be our bookkeepers. We had changed accountants and owed the previous firm a sum of money which until paid put us in a position where they would not release records to us. I negotiated 37.5 percent of the Bill and settled the matter. Our bank reconciliations are current to May 31, 2018 and our statements for 2014, 2015 and 2016 are posted on Club Runner.

Larry had mentioned to me that we should see if we could expense some of our Club Service expenses against Community Service, so we hired Yvonne Chenier, a lawyer who is experienced with charities. She discovered that our charity was registered in 1980 as the South Calgary Rotary Club – Community Service Fund and that for the past thirty-seven years we had been filing tax returns as Rotary Club of Calgary South (the Society) using the charitable number. Thanks to **Don Mintz, Penny Leckie, Larry Kennedy and myself** we have rectified the situation and now have two bank accounts representing two revenue streams and allocations from Club Service against Community Service. This will keep fees constant for now. We only concluded these matters in the last two weeks, so our June 30, 2017 statements will be ready shortly.

I will mention Strategic Planning here. I wanted that committee to be active and active they were. **Len Hamm** was the chair of the committee which reported to Ron. We had four meetings and relied heavily on the District Membership Survey but also active and insightful discussion. Once formulated Ron used that plan to have many discussions to set up his year. I am just happy that I made it a priority because there has been much helpful dialogue. I also asked **Toby Oswald-Felker** to put as much as she could on social media and Ron will take that further with his Communications Committee.

When **Steven Mason** suggested that we could look at web meetings, I jumped all over that. We had opposition so the best way to deal with it was a pilot project. The rest is history.

I had formed the Rotary House/Stampede Liaison Committee and Legacy Committee because I wanted them to be active with the Stampede because that is the future. I had made sure I had formed the Rotary House/Stampede Liaison Committee to do just that. In August last year we decided to stay away from the Downtown Clubs Rotary House on the grounds.

I have always viewed my year as being about fun and increasing the level of engagement by having great meetings. My role was to clean things up and make changes that will really help us going forward or will, at least, help future presidents use the precedents set.

I wanted to have great meetings so here is some advice I received.

- **George Deegan** – There is no such thing as a credit **Jim Fitzowich** – Have fun
- **Mel Gray** – Just wing it **Allan Johnson** – Great meetings are the key.

I want to thank my directors, all my committee chairs, **Ron Prokosch**, **Don Bacon** for his efforts and contribution, **Sherry Austin** for her wisdom at the board table, Kathyann for her work, and all of you for your support.

There are two people that I especially want to thank, one is **Larry Kennedy** who is stepping down after seven and a half years as Treasurer. Larry's job with our Club has only gotten busier as has his real life job. He has been worked enormous hours which has sometimes led to consternation but let me say this. "Walk a mile in his shoes and see what it is like." Larry, you have our gratitude and respect.

Teri LeClair is next. Simply the best support. She just let me do my thing and you couldn't get any better than that.

My father passed away in 1977 and when my mother passed in 2009 my brother and sisters found a letter in her Will dated 1996.

One sentence said, "**I did the best I could**".

Thanks mom because I followed your advice.

Thanks to all of you!

'Thank-you' from the Club to President Bill **By Sherry Austin**

It is my honour to provide the 'Thank you' from our Club to President Bill. Bill, I am honoured to have been asked to be your Board Liaison this year. It has been such a pleasure to serve in this capacity in your administration.

You have already heard about many of the major presidential goals that were completed this year. It would be difficult to quantify the vast amount of time Bill spent resolving issues that only made our Club stronger and more secure.

This is a really hard job. The president dedicates a year of his life for us. And, he is a volunteer just like the rest of us. From securing a meeting place on the main Stampede grounds to finding a legacy project to addressing membership challenges to restructuring our financial system to strategic planning for our future and on it goes. As the year progressed, no one should have been surprised to receive a call from the President on any given issue requesting their input. There was constant communication.

His main goal was to make sure we had fun this year. Did we? (Resounding YES)

There were weekly history lessons, jokes of all kinds, and agenda items with timelines that one did not dare cross (at least that goes for most us). And, he made sure we were done by 1:30 pm sharp.

Now that we know a bit about what he did, let me tell you a little about the person. He was here for us in every way. Every decision he made was analyzed from multiple angles and every decision was made with consultation and deep thought as to the ramifications of said outcome. He thought about you, each and every one of you, every time he worked through an issue.

This was a tough year. We lost many of our beloved fellow members and it fell to our President to present the sad news in a personal and sensitive manner. This isn't easy.

President Bill is a bit of an imp. He can get away with saying things no one else could say and leave us all chuckling. He would cut to the heart of a situation and end it with "Just saying ...". We love and adore him for his wonderful sense of humour.

No one does this alone. Teri, we are so grateful for your patience and support throughout this whole year. We thank you for lending us your husband for the past 12 months. You have supported our President with the elegance and grace to which you are renowned.

Fellow members, we have laughed together, we have cried together, and we have faithfully worked together.

Please join in offering our gratitude for a great year to our President, Dr. Bill LeClair.

A well-deserved round of applause and a standing ovation in appreciation for **President Bill's** outstanding year followed **Sherry's** address.

Past President Ken Farn then presented **Bill** with his Past President's pin, the ceremonial plaque and gavel and a copy of the Rotary House painting. **Ken** noted the many strategic problems that **President Bill** had inherited and solved over the past year, with much dedication of time and effort.

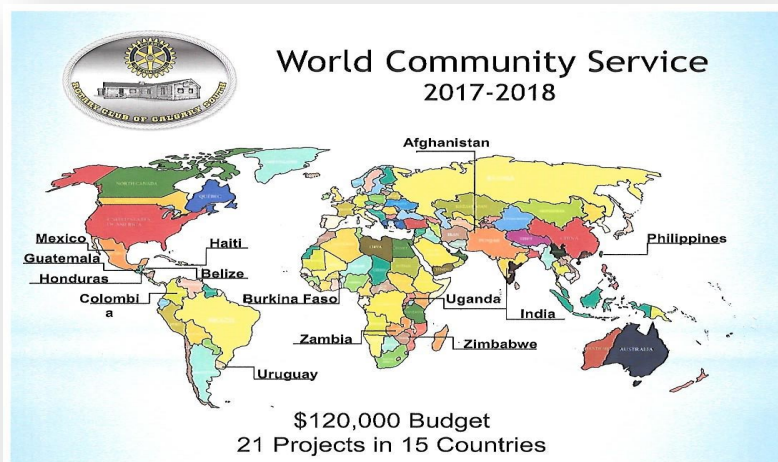

Soon to be **Past President Bill** (until July 1st, but no more emails in the interim – *"Just saying"*) then presented incoming **President Ron Prokosch** with his new President's pin. **Ron** then passed his President-Elect pin on to **Chas Filipski**. **Ron** noted that this has been an inspirational day, thanking **Jamie Moorhouse** for the update on the amazing work being done by the WCS Committee. He also thanked **Past President Bill** for the foundation that he has laid for another awesome year ahead.

The Bulletin Committee would also like to thank President Bill for his help and outstanding support during his year.

Jamie Moorhouse brought us up to date on WCS activities in this Rotary year. Thanks to your hard work and the Board's generosity, we had \$120,000 to give away. We supported 21 projects in 15 different countries. We again maxed out our global grants, used a district project grant, and partnered with clubs both locally and around the world.

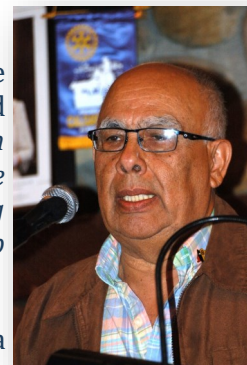

The list of projects is as follows:

Eye Clinic – Zambia
School Sanitation Project – Philippines
Sea Container – Uruguay
Peanut Grinder/Roaster – Haiti
Aquaculture/Hydroponics – Colombia
Economic & Community Development – Honduras
Solar Lighting – Colombia
Solar Panels – Guatemala
Kangaroo Mother Care – Uganda
Amorak Society – India
Teachers Literacy Guide – Mexico
School Computers – Belize
Clean Water – Colombia
Safe Water for Schools – Colombia
Reading & Science Education for Women – Afghanistan
School Solar Panels – Burkina Faso
Classroom Furniture – Zimbabwe
Guatemala Literacy Project – Colombia
Duskani Education Project – Asia
Canadian Model for Supported Employment – Colombia
Community Based Education – Afghanistan

One of the projects is a global grant that brought clean water via bio sand filters to about 900 families in Colombia. This was a project that took advantage of the amazing Rotary math. We put in \$8000 CDN, RC High River put in \$2000 CDN and the RC of Nuevo Ibagué, Colombia put in \$2000 USD. Then our District and Ibagué's District put money in. All the Canadian raised funds then go to TRF Canada and get matched dollar for dollar through a Canadian government grant. Then we take all the Canadian money and all the Colombian money and it goes to TRF and it all gets matched again, some of it at 50 cents on the dollar and some dollar for dollar, resulting in a final total of \$97,800 USD for the project.

We are lucky to have two Rotarians, **Consuelo Oviedo** and **Alvaro Reyes**, from Colombia here that were instrumental in implementing this project along with our own **Bob Wiens**. I would like to invite **Alvero** up to say a few words. *"I have been a Rotarian for 25 years and today I am happy for 3 reasons – first, Colombia has moved on in FIFA World Cup. Second, we are able to be here to visit our daughter who is going to school in Canada, and third, to celebrate this amazing project that has brought clean water to so many of our people. We are very grateful for the help of all Rotarians, and especially our friend, **Bob Wiens** for bringing this project to completion."*

In keeping with **President Bill's** theme of "seeing where the rubber meets the road", I have a video of some of the work being done by Rotary in Cambodia. This video is adapted from a documentary I worked on with **Rick Castiglione** that aired on CTV during last Christmas season called "Making Change". The main focus of the show is a global grant that was being led by **Frank Sparks** of the downtown club. However, that was only phase 1 and our club in leading a new global grant for phase 2 which is about to be completed in the next month. All the elements that are shown and talked about are also part of the global grant we're doing. We are just doing it a couple of towns over. There is also a little piece about the first project our club did in Pursat, which was building a computer classroom. **The link to the video is <https://vimeo.com/277377931>**

So that is a little of what we have done and are doing. I just want to **thank all the committee members** for their considerable efforts and we all look forward to making positive change around the world again next year.

President Bill LeClair opened the last meeting of his tenure to a round of good natured cheers & catcalls.

President Bill's Joke for the Day: A cowboy and a biker are on death row and are to be executed on the same day. The day comes, and they are brought to the gas chamber. The warden asks the cowboy if he has a last request, to which the cowboy replies, "Ah shore do, ward'n. Ah'd be mighty grateful if 'n yoo'd play Achey Breaky Heart fur me bahfore ah hafta go." "Sure enough, cowboy, we can do that," says the warden. He turns to the biker, "And you, biker, what's your last request?" "That you kill me first."

President Bill then asked **Lisa Fernandes** to lead us in the singing of O'Canada and Rotary Grace.

Bulletin Editor: Bev Ostermann **Photographer:** Clive Pringle **Videographer:** Steve Mason

Head Table: Jamie Moorhouse **Chair:** WCS, PP Ken Farn, PP Sherry Austin, PE Nominee Chas Filipski, And PE Ron Prokosch.

Visitors and Guests: **Blake Pelham** then introduced our visitors and guests, which included **Consuelo Oviedo** and **Alvaro Reyes:** Rotarians from Nuevo Ibague, Colombia, and **President Bill's** amazing Partner; **Teri LeClair.** Also, **Maisa Piazza Costa**, our Exchange Student was here today.

50/50 Draw: **Michael Zacharki** awarded the prize of \$163 to **Neil Fraser.**

A second draw awarded a Stampede shirt to New Member **Walter Flores.**

The Calgary Rotary Clubs
FOUNDATION

Sherry Austin, on behalf of the Foundation presented **President Bill** with a cheque in the amount of \$156,621, being this year's earnings from the Foundation. Almost \$20,000 of the total came from the Mario Stella Endowment in the Foundation.

Dream Home Minute: **Jim Bladon** advised that all of the senior's gate passes have been passed out to date. Seniors can also assist in reducing Club costs by coming on the grounds free if they work on Tuesday, paying the \$9 senior's entrance fee and getting reimbursed by the Club, or using the gate passes from their presale ticket packages if they have any.

Kevin MacLeod has agreed to act as Vice Chair of next year's Dream Home Committee and will therefore become Chairman after Jim's two year stint.

Secretary: The Board has accepted the resignation of **Don Bacon** as Club Secretary, effective July 1st. The Board thanks **Don** for his efforts and contributions.

The Board has also accepted the appointment of **Larry Stein** as the Interim Secretary effective July 1, 2018 until such time as a proper vote can be held in the fall election.

Sergeant at Arms: As there was 13 minutes left after the program, our outgoing **President Bill** decided use them up and to leave us on a lighter note by asking **Jim Fitzowich** to solicit some funds by providing a history lesson on presidential transitions. **Jim** picked on Past Presidents with his questions.

At least we have not been subjected to Mexican election circumstances – no protests or killings to date!

Animosity – during the 1828 USA presidential election, Andrew Jackson supporters stormed the White House and John Quincy Adams had to escape through the back door (Bill, your closest exit is to your right!).

Lincoln's 1860 election was so contentious that 7 southern states left the Union to form the Confederacy (Ron – you might want to watch those tables to your left).

Cozy deals – What incoming US President “pardoned” the outgoing President that gave him the job? Gerald Ford for Nixon, who was facing impeachment.

What other US presidents went through impeachment proceedings? Andrew Jackson in 1868, and Bill Clinton in 1998. Both were acquitted by the Senate.

As a final thought on presidential elections, which world leader said the following? *“It is not who votes that counts, but who counts the votes”* – Joseph Stalin.

Final Words: President Bill closed the meeting with the observation that in this Club everybody pitches in, with the question **“What can we do for you?”**

Thank you all !!!

ST. MARY'S PARKING: We still need 16 more volunteers!

Contact **Earl Huson** to volunteer for your St. Mary's Parking shifts: **403 686 0828** or email: ehuslink@telusplanet.net

Shifts are at St Mary's High School and run for the full Stampede. We have two shifts per day: 8:00 am to 2:00 pm and 2:00 pm to 8:00 pm with two Rotarians needed per shift.

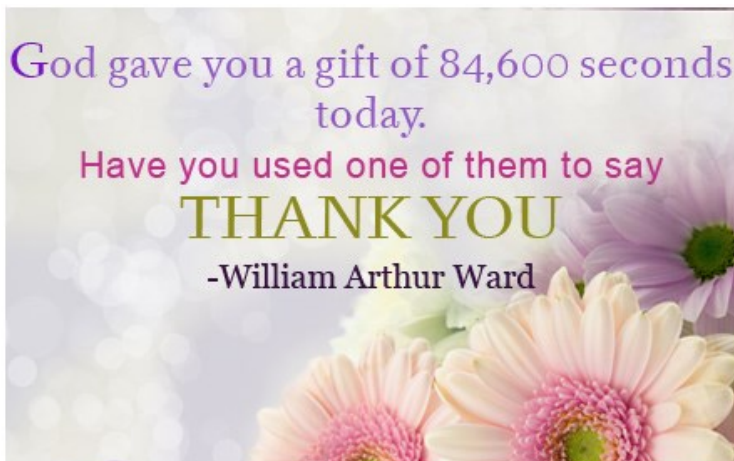

Provide your Dream Home Shifts so we don't duplicate on days and times.

This project is a **great income stream** for our Club. Thanks for volunteering..

There were six of us who hiked Heart Creek on Wednesday.

The trail went through the forest, over eight bridges, and over the 2013 flooded creek bed.

In the forest a few of the wildflowers were starting to bloom, including a Bronze Bell, and a Lady Slipper.

The weather was sunny and warm and everyone enjoyed the hike
