**President Murray** began his speech today by acknowledging three ladies who helped him to be on time, at the right place and organized: **Kathyann Reginato, Calla Caffyn and Arlene Flegel.**

The journey was an interesting one and always busy. It started in May 2015 with the District Conference and went from there. Here are the highlights of my year.

May 2015: District Conference

June 2015: R.I. International Conference in Brazil

July 2015: Dream Home Kickoff Lunch at Ranchmans

August 2015: Hannah left and Anni arrived

September 2015: Roger came for a visit. Attended Waterton Peace Park where new flag poles were erected

November 2015: Partners Function, Anni sold cookies for her Yellowknife Trip

December 2015: Tom Jackson Fundraiser, Petroleum Club and Christmas

March 2015: Anni won gold medal at Cities

April 2015: Calgary Peace Awards and New Member Celebration

May 2016: District Conference in Canmore

June 2016: Stay In School Luncheon and opening of the D. Richardson Memorial Park

June 2016: President's Party

During my year two **great things** happened that took many years of planning:

The **"Split-Em 50"** tickets to sell along with the Dream Home tickets. Thanks to Lynn Grant for his hard work for 5 years securing this for our Club;

The **"Country Thunder"** event in August which will provide additional revenue for our Club. Thanks to Don Mintz and his work over 3 years to secure this event.

***"This is the best Club in Canada and probably in the top 10 internationally. What a great year it has been thanks to the members in this Club".***

A standing ovation was an appropriate response to thank **President Murray** for his great work and commitment over the year. President Murray then asked the Head table to stand and give an ovation to the Club as his thanks for our support.

## CHANGING OF THE GUARD

**Past President Al Johnson** did the honours by asking our now **Past President Murray** to pass on the President's pin to **Ken Farn**.

Our new **President Ken Farn** then passed on the President-Elect pin to **Bill Leclair**. **President Ken** asked us to give Bill the support we have given him in the past year and the continuity of the Club will be fine.

**Al Johnson** then made a presentation to now **Past President Murray**. Al addressed Arlene and announced she can have her husband back! He went on to comment that Murray wanted to teach us some history each meeting which was a break from tradition. He also stated that Murray brought great energy to the Club; at meetings, at the Board meetings and various other functions. In Murray's year we brought in 10 new members for a net plus of 5, good job. Attendance is over 80% which we can take pride in. Al also noted that Murray worked hard along with **Lynn Grant** to get us the "Split-Em 50" draw. Country Thunder was Murray's dream and now a reality which will benefit not only the Community but Club Service as well.

His leadership was well received by all and on behalf of all members Al presented Murray with the "Past President's" pin along with a plaque with a gavel. **Terry Allen** presented the final gift to Murray: a pencil sketch of Rotary House. Al concluded the presentation by giving a great big thank you for a job well done!

## President Ken Farn's First Address to the Rotary Club of Calgary South

President Murray, fellow Rotarians and guests: It is a "HUGE HONOUR" to become your President for the 2016-2017 Rotary Year. Following in the footsteps of President Murray, will not an easy task, but I shall be diligent and with YOUR support, Calgary South WILL have another very successful, active and fun-filled year. If the pre-sales for the Rotary Dream Home are any indication, this will be an "OUTSTANDING YEAR"

I've had the privilege of working with President Murray this past year and would like to present him with a small token of appreciation, for his assistance and encouragement. .. This is a Rotary tie, direct from the RI Conference in Seoul Korea,

which has the new Rotary International theme for this year "ROTARY SUPPORTS HUMANITY " Thank you, Murray for helping me prepare for this year.

I have a similar tie for President-Elect, Bill LeClair, as a welcome & thank you for being part of our board this year. I am looking forward to working closely with now "Past"-President Murray and President-Elect Bill, during this very active Rotary Year.

This is our new Club Banner, which shows the theme "Rotary Supports Humanity" which I will hang here at future meetings. Last year's theme "Be a Gift to the World".... Flows naturally into this year's because through your "Gifts to the World" of volunteer time, talent and treasury, Rotary can "Support Humanity" worldwide.

I would also like to welcome the new board of directors which is comprised of four (4) returning members, Luanne Whitmarsh, Bryan Walton, Glenn Potter, Charlie Gouldsbrough and three (3) new directors, Steve Mason, Stacey Johnson and Jack Haman. Rounding out the board is Past –President Murray Flegel, Treasurer, Larry Kennedy, Secretary Ted Rowsell, and ,President –Elect Bill LeClair.

Also here are non-voting members of the Executive:

Sherry Austin, a member of District 5360's Board of Directors and our "go-to person" for Governance and By Laws; Jack Thompson, our RI Foundation's Liaison and last, but definitely not least, this year's President of our Rotary Partners, my wife Pat.

I am told that at the passing of the gavel, it is customary that the new president keep comments short, as we have another opportunity to talk more about our club's initiative in early August, following the Rotary Dream Home and SIS Golf Tournament.

Everyone should now have the New Committee Listings from Club Runner, showing committees you are directly involved with. As mentioned last week, Kathyann also created a separate Summary of all Committees, Chairs and Members for your reference showing the full breadth of operations of the club. Club Runner remains a work in progress and kudos to Kathyann, who works hard to find ways to improve how this web based program can work better for us. If you are unhappy with a committee assignment or better yet, want to be added to a particular committee, send me an e-mail and I will try to accommodate. If you did not receive the committee listings, contact Kathyann who will resend.

This year we are reaching out in a systematic way to attract 25 – 40 year old professionals,

Next week is Dream Home Kick Off at Ranchman's and thanks to the incredible work of the DH Committee, we are well organized and ready to hit it out of the park again!

The SIS Golf Tournament is equally well organized and is 100% sold out. This is without a doubt the best golf tournament in the city with a \$1 Million shoot out, incredible auction items, draws & door prizes. If you are not a volunteer or golfing, you are missing out on an exceptional day in the social life of our club.

In August, with Country Thunder, we have an additional opportunity through a separate 50/50 lottery, to raise extra funds for community projects. The sale of drinks and staffing admissions will also generate substantial "non-lottery" funds which can be applied to "Club Operations" .... This is an incredible opportunity ... one we have not had before! ..... Non Lottery funds are golden ! They help us reduce the cost of running our club. Depending on the amount raised, we hope to keep the costs of lunches, social events and membership fees from rising. Having the flexibility to subsidize a social event, or help a member with his membership fees are luxuries we currently do not have.

In brief, my goals are to first of all be very focused during July and August on all three of these incredible fund raising opportunities, making our club financially secure is a top priority for me. Also, to be prudent on club expenditures, so the rewards can be seen by members in attractively priced social events, reasonable membership fees and more frequent fellowship opportunities. ....

However, we cannot lose sight of the importance of FUN in all we do for others!

*Having Fun while doing meaningful community service is the reason people become Rotarians, for life!*

We will also keep a watchful eye on our membership base to maintain approximately 160 -165 members... Extra emphasis will be placed on new member "recruitment and mentoring" to keep our club vibrant & growing. This year we are reaching out in a systematic way to attract 25 – 40 year old professionals, through a new initiative called "Millennium Associates".

We will complete our commitments to the Rotary Mattamy Greenway so the question is ....Where do we go from here? Senior's Care is an area local Rotarians have not focused on to date. Calgary South together with other Rotary Clubs are exploring future Legacy Projects in Senior's Care. There are logistics that need to fall into place before we bring it to the membership, but it is our desire that Calgary South have a meaningful presence in Calgary's Senior's Care.

As we close today's meeting, I would like to leave you with this thought....

The Rotary Club of Calgary South is comprised of individuals who get tired and feel they can only do so much or see things as "been there done that" But somehow the magic of Rotary's ideals of "Service above Self" in a like-minded group of people like Calgary South, can suddenly converts us into a purposeful group of people, armed with this amazing desire to make a difference in our community!

So...COME to our Dream Home kick off next Thursday... Come with energy and enthusiasm and together, we will make a meaningful difference, this year !

Have a Great Rotary Week ..... See you at Ranchman's next Thursday !

**At that moment Past President Murray advised the Club that it was "National Handshake " day (the one thing he held back from his "Day in History" moment) and shook President Ken's hand and wished him the best.**

## CLUB NEWS

President Murray opened the meeting declaring it was a great day and explained why he was wearing a light yellow sports jacket. Everyone had a Rotary pin at their place setting and the yellow symbolized extreme happiness and that's why he was wearing yellow today. There was a spontaneous singing tribute at one of the tables to President Murray and his "passing of the torch" to new President Ken Farn. He then proceeded to provide us with our "Day in History":

### On this Date in History:

- ⇒ 1859: Charles Blondin was the first person to Cross Niagara Falls on Tightrope (successfully, he assured us)
- ⇒ 1893: Excelsior Diamond is Discovered (Blue-White 995 Carats)
- ⇒ 1938: Superman has his first appearance in DC Comics
- ⇒ 1955: Johnny Carson Shown premiers
- ⇒ 1987: Royal Canadian Mint Introduces the \$1 Coin

President Murray noted he was saving "National Day" for later in the program. We then joined President Murray Flegel and Lisa Fernandes in the singing of O Canada and Rotary Grace. President Murray invited the Club to enjoy our lunch and fellowship he asked us all to stand for a minute of silence for fellow Rotarians we have lost in the past year: Clayton Richardson, Cam Warrender, Manfred Jost, Paul Diemert and Tom Walsh (from the Downtown Club)

Head Table: Jamie Moorhouse, Bill Leclair, Ken Farn, Past President Al Johnson, Arlene Flegel

Bulletin Editor: Carol Graham Bulletin Photographer: Norm Legare

Visiting Rotarians & Guests: Jack Haman was called upon to introduce the visitors and guests. Jack told us that Bill Leclair advised him that his humour was as funny as a visit to the dentist. (Remember Jack is a dentist !) Jack went on to prove the truth of this statement with his "joke du jour". Jack then introduced our visitors: Tim Deegan (from Scotland), Brian Burke, Donna Mintz, Pat Farn, Wendy Sunderland, Arlene Flegel, Jarrett Flegel, Brad Flegel, and Anni Arvo (our exchange student attending her last meeting). As the Rotarian visiting from furthest away, Tim Deegan received a Flames jersey from President Murray who noted that Tim had been eating all of his peanuts while visiting at his home. President Murray also did a banner exchange with Anni Arvo as she will be returning to Finland in July. We'll miss you Anni!

50/50 Draw: Bill Sumner presented the \$140.00 winnings to **Neill Magee** who promptly turned it over to Jamie Moorhouse to contribute to the ongoing work of our World Community Service Committee. Thanks Neill.

## CLUB NEWS

**Dream Home Video:** From the very talented team of **Jamie Moorhouse and Steve Mason** of Talking Light Media a profile of the Dream Home journey was created and presented to the Club as a video. Titled "10 Days in July" it reviewed the history of our Club's fundraising efforts that eventually led to the success story of the Dream Home. According to the profile we "out talked and out muscled" other service clubs for the privilege of selling the Dream Home tickets and the rest as they say has been a lucrative history for our Club. Having our beloved Ed Whalen at the microphone certainly helped to sell those initial tickets. A standing ovation was in order and President Murray thanked Jamie and Steve for an outstanding job.

**Dream Home Moment:** **Dana Hunter** reminded us that we are a week away from the Dream Home Kickoff Luncheon and either RSVP by Monday or you won't be fed! She advised that the Dream Home was open for viewing following the meeting for those who would like a preview. She also asked for help this Saturday cleaning the Dream Home booths. Please contact Dana if you are able to lend a hand.

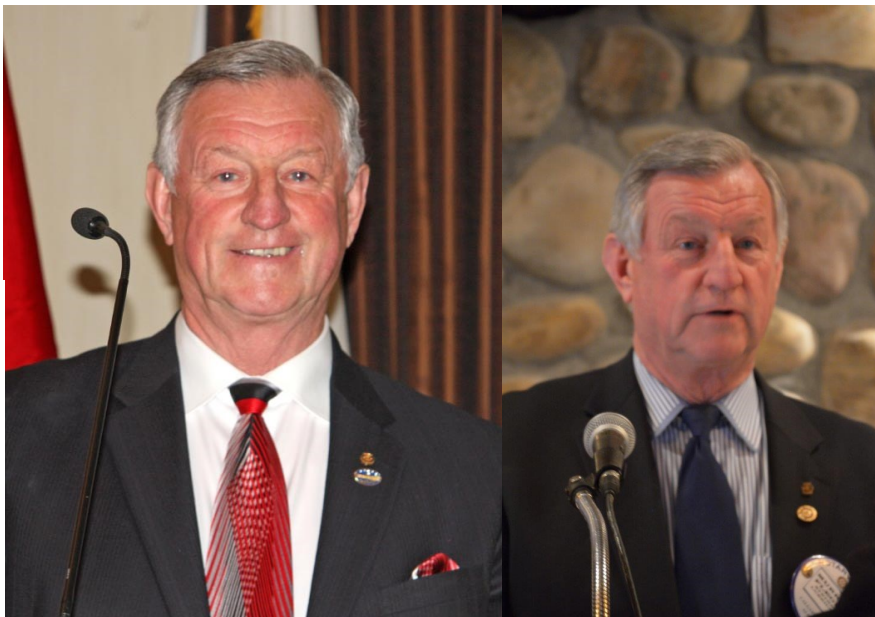

**Old Tyme Country Picnic:** **Keith Davis** asked us to mark our calendars for **Sunday August 14** for a wonderful day of family fun. **Bob and Carol Brawn** have generously donated their ranch for the locale. **Michael Zacharki** will provide his wonderful culinary skills for the event and there will be a cost of \$10.00 per person which is just covering the expenses. There will be no business discussion or fund-raising-just fun and good food.

**Paul Harris Pins:** **Jack Thompson** asked the two "Dons" to come to the podium to receive their Paul Harris pins for their contributions to Rotary International. **Don Mintz** received his PH plus 1 and **Don Taylor** received his PH plus 3. Congratulations!

**Sergeant-At-Arms:** **Lynn Grant** emptied a few pockets today by asking about the amounts sold in the advance ticket sales for prize tickets(\$3.1 M-a sell-out) and the "split-em 50" draw (\$720,000.00). Both **Dana Hunter** and **Neill Magee** were successful but Lynn went on to test our memories on President Murray's "This Day in History" lessons throughout the year. We didn't do so well in that category. He caught **Larry Koper, Keith Davis, Earl Huson, Bob Brawn and Glen Richardson** on their memories. Glen even tried to recruit **Ed Whitaker** for his help to no avail. (Go figure!) Good job Lynn!

**Thank you to our now Past President Murray Flegel for EVERYTHING you accomplished this year.**

**Murray; you really are a gift to the world**

## World Community Services 2015-2016: The Year in Review

The World Community Service committee has had a busy year. We kicked things off in September and didn't let up until the end of May. We participated in 20 projects in 10 different countries. We have 6 in Colombia, 3 in Cambodia, 2 in Peru, and 1 in each of Guatemala, Rwanda, Kenya, Panama, Honduras, Vietnam and Jordan although it was for Syrian refugees.

We had a \$100,000 budget and through the many matching opportunities we turned that \$100,000 into participation in \$657,988 worth of projects. Only 6 of our projects didn't involve some sort leveraging.

It will come as no surprise that there are biosand filter projects in Santa Marta, Meta, and Sincelejo, Colombia. **Bob Wiens** has a long history of working with Colombian clubs on water projects. Steve and I had the good fortune to travel to Colombia to spend some time with Bob and see some of the projects. It was amazing to see the high regard and respect the Colombians, both recipients and Rotarians, have for Bob and his knowledge of not just biosand filters but also his ability to bring people together and get projects up and running. One day while visiting a potential site for biosand filters, Steve and I couldn't help but joke that when we saw Bob and some Rotarians from Monteria come up around the bend with his scarf flowing that he looked like the Clean Water Prophet leading his flock.

Bob also found, in Medellin, Fabric of Hope, a program that improves teenage mother/child bonding and helps them to develop a vision for their lives and avoid further unplanned pregnancies. A shed renovation at a fruit sorting facility and a program for Savings and Entrepreneurship for Youth round out our Colombian projects.

In Cambodia we supported Place of Rescue with some window repairs. We also supported Education First Cambodia by purchasing laptops for 8 female students. Each student is selected from students just finishing 1st year at the university and Education First then provides them with scholarships and the tools they need to complete their degrees. The last project in Cambodia we are contributing to is Child's Future which is a \$220,000 global grant project led by Manon Mitchell of the downtown club to improve education in the province of Pursat.

In Peru we worked once again with Desea Peru on their water and health program in the Peruvian Andes. Desea works primarily with the most isolated communities that have very little access to potable water and health care. In addition to using biosand filters they also train local women as community health workers. The program has aided over 3000 people in 4 districts.

### World Community Service

### Totally worth it!

## World Community Services 2015-2016: The Year in Review

Live Again Rwanda is an amazing organization that, through counseling, is bringing together people that 20 years ago were killing each other during the Rwandan genocide. They are so successful that the president's wife has taken part in their program. With our donation they bought some new furniture for their expanding office and a car to be able to do more house calls.

With the plight of Syrian refugees top of mind in Canada we were very fortunate to partner with War Child Canada in their efforts to support Syrian refugees in Jordan with Psychosocial support, early childhood development for pre-school children, education programs for school aged children and life skills training and legal rights awareness. Our donation was also matched by the Canadian government. Putting together all the pieces of a project can take a long time as evident by the recent go ahead of a \$128,000USD Global Grant project in Pursat, Cambodia.

The committee initially approved this project in May of 2013. Coordinating with the funders, RCCS, RC Medicine Hat Saamis, Downtown Club, Alberta government's CIP program, RC Las Vegas, District 5360 and District 5300, Rotary International, the Rotary Club of Pursat and the implementing agency Sustainable Cambodia took some time. We also learned a very valuable lesson; that when asking for more than \$50,000 from TRF you get put into the bonus round of scrutiny from the cadre of technical advisors at the TRF. All this is to say it took 3 years to bring this project to the start line and having visited Pursat and meeting the villagers I am thrilled that we stuck with it. This was a difficult project, but everyone on the WCS committee has the desire and dedication to follow these projects through to completion.

Through the clubs generous support of the WCS we have provided medical equipment, clean water, farming aid, counseling for refugees and genocide survivors, and educational opportunities and tools. On your behalf, we have helped provide hope and a hand up to 100's of families all over the world and we are anxious to get back to it.

**President Murray** thanked **Jamie** for his presentation and noted how amazing it was to have leveraged so much more funding for these very important projects. He also extended thanks to **Don Taylor** and **Bob Wiens** for their contributions.

Date of Event: **August 19<sup>th</sup>, 20<sup>th</sup> and 21<sup>st</sup>** and shifts will be from 12 to 5.30 and 5.30 to 10.30. They have 3 different types of jobs

1. Selling Food and Drink Tickets
2. Bar Service
3. Selling 50/50 tickets

All volunteers have to be 18 and for jobs 1 and 2 they require a **PRO-SERVE certificate from AGLC**. It is obtained by completing an online programme and Norm tells us that a few of his more able buddies have completed it successfully. So for the rest of us it should not be hard! If you go to [www.aglc.ca](http://www.aglc.ca) then click on "**Tips for Training Serving Staff**" then "ProServe Liquor Staff Training" you will find a description of the program. Norm will be providing more information as we get closer to the event. This is a great opportunity to get your family members and friends involved ... they get to stay and enjoy the music at the event

To get the process started Charlie Gouldsbrough is starting to roster volunteers. He can be reached at: [charlie@albertasleepcentre.ca](mailto:charlie@albertasleepcentre.ca) or: Work: 403 319-0099, Cell: 403 852-7407

Charlie will need:

1. Name of your volunteer
2. Date to work
3. Shift you want to work
4. job you want to do
5. your email
6. Phone number

Rotarians from Districts 5360, 5390, 5370 and 5080 are invited to participate in the annual Waterton-Glacier International Peace Park Assembly at Glacier Park Lodge in East Glacier, Montana. The annual assembly will follow a major conference on important world transboundary conservation and peace initiatives and also celebrate the 100<sup>th</sup> Anniversary of the National Park Services in the United States.

Registration and program information is available on the Waterton-Glacier International Peace Park Website at [www.watertonglacierpeacepark.org](http://www.watertonglacierpeacepark.org). Hotel reservations must be made directly with the hotel by phoning 1-406- 892-2525 The block of rooms assigned for the conference will be held until July 1<sup>st</sup>. **Ask for Group Booking Code E16.**

Golfers who wish to participate in the Can/Am WGIPPA golf tourney may register at: [www.montanarotary.org](http://www.montanarotary.org) There is no payment required at this time, as payment will be collected at the course. Golfing starts on Friday, September 16<sup>th</sup> at 9:00 am - 5 tee times are reserved but more may be available depending on demand. Since the course is 9 holes, the options will be as follows: You can play just 9 or 18 and whichever 9 hole side is the best score will determine winners.

There is a special rate for players staying in the lodge of: 2 players with cart for 9 holes = \$85 and 2 players with cart for 18 holes = \$130. All players will receive a special tee prizes to remember the tourney, IE: balls, tees, cozies, etc.

***Play the course Bobby Jones played in the 1930's. Remember - "When this course was built, carts were things pulled by horses!"***

**ROTARY MATTAMY GREENWAY**

The following website provides a map of the Rotary/Mattamy Greenway and includes information on access points and parking. Please encourage everyone to use the Greenway and enjoy the amazing amenities along the way.

The good news is all this information is on the Parks Foundation website via the link that follows:

**<http://www.parksfdn.com/greenway/>**

On this link there are six access points that give good starting points on the Greenway. Each site when you click on it gives you parking locations and directions how to get there.

As the final areas of the Greenway are completed, more access points will be added.

Have a great time exploring our wonderful Rotary/Mattamy Greenway!

## HIKING CLUB: JUNE 22 2016

### Could this be the trail?

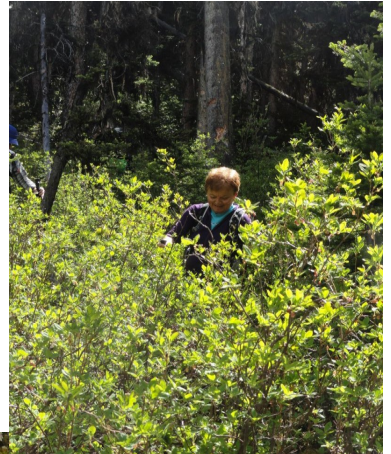

On a promising day 10 hikers set out on a new trail call Marushka Lake. We consulted the description but questioned "could this be the trail?"

After bushwacking down and back up a hill we determined that this wasn't the trail and had to go down a steep slope to pick up the trail.

All this didn't stop us from admiring the rare white coloured Paint Brush called Cusick's, the strange mushroom formation, and the small pretty Red Heather.

### This isn't the trail

We finally reached Marushka Lake and had lunch there on rather damp ground. Then we had a rather unprofessional serenade of kazoos playing Happy Birthday to our birthday girl.

After still more difficult terrain, we made our way back and spotted this creek at the end of the hike. Luck was with us because we were able to have ice cream and we were in the cars by the time the downpour came.

## HIKING CLUB: JUNE 30 2016

**June 29th and the hikers are growing. We had 11 people doing Lesueur Ridge under sunny, hot skies.**

Spreading Dogbane—not a pretty name for such a delicate flower

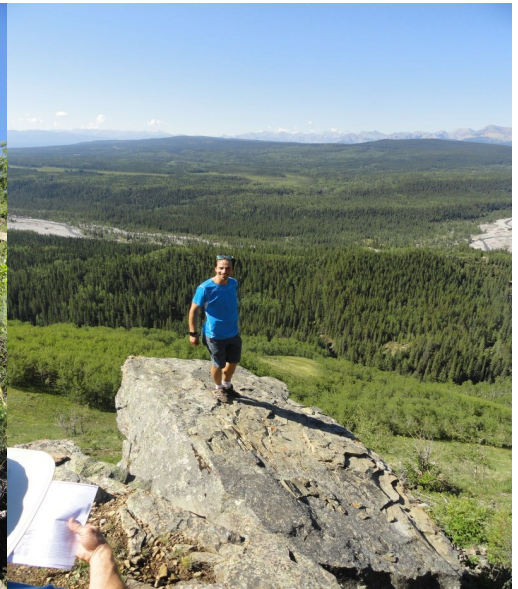

One of the many lovely flowers was this Brown Eyed Susan complete with a critter on it.

One of the features of this 10 km hike was how continuously steep the climb was

When we got to the view point, one of us took full advantage by climbing out on an out-hanging rock

The last picture shows a tired, dehydrated bunch waiting for more tired hikers to catch up before another big climb pretty well straight up

Another interesting rock was projecting from the mountain range and this one is the Devil's Thumb

### HIKING and WALKING CLUB

**HIKERS:** June 29th: 11 of us climbed Lesueur Ridge to view the gorgeous river and mountain landscape to the S. and W. A blue-shirted "bear" roared at us from the trees, but we bravely walked on.

**NEXT HIKE:** July 6, we will climb up to West Wind Pass, E. of Hwy #742. This round trip of 6km, height gain 375m, takes us to a vantage point to enjoy the lovely West Wind Valley. Keen-ers can ascend the adjacent tower. Please contact DIANE HEMING for more information at: [drheming@hotmail.com](mailto:drheming@hotmail.com)
