**Bob Wiens** introduced our Speaker today, **John Van der Put** from TransCanada to discuss the Energy East Pipeline.

The Energy Industry is increasingly more complex and challenging and John Van der Put (Vice President, Energy East Stakeholder Safety and Emergency Response) knows this better than anyone.

John is responsible for effective communication and external stakeholder buy-in of TransCanada's safety and emergency response practices and processes. John has been in the oil industry since 1990 starting at Nova, and he continued on with TransCanada after they merged in 1998. He is currently a member of the Governing Council for the Association of Professional Engineers and Geosciences of Alberta

John began by advising us that the Energy East Pipeline is a 15 billion project that is privately funded and runs from Hardisty Albert to St John New Brunswick. One of the natural gas pipelines would be converted to transport crude oil, thereby reducing the cost of laying new and would have less of an environmental impact.

The crude would be delivered to three refineries, two in Quebec and one in New Brunswick. It is a 4500 km pipeline that would transport approximately 1.1 million barrels of crude oil per day from Western Canada to the East. The crude would be delivered to three refineries, two in Quebec and one in New Brunswick

Canada and the world oil demand will increase and oil will remain to be the largest energy source for some time.

The existing pipelines will not be able to handle the upcoming demand. Eastern Canada currently is importing more than 50% of their oil from Angola, Algeria, Nigeria, Norway, Saudi Arabia and the United States.

The Energy East pipeline will safely transport Canadian crude from the West to the East where we will be able to refine our own crude. Shipping oil by pipeline is 4.5 times safer than rail.

TransCanada is a leader in innovation, and integrity for pipeline safety, monitoring and response. They are working effectively with the communities to ensure knowledge and assurance. This will improve access to new markets and will be sold at current market value instead of at the current discounted price to the United States. It would have substantial economic benefits and add 55 billion to Canada's GDP, \$10 billion in federal taxes and create 14,000 jobs during development and construction and the first 20 years in operation.

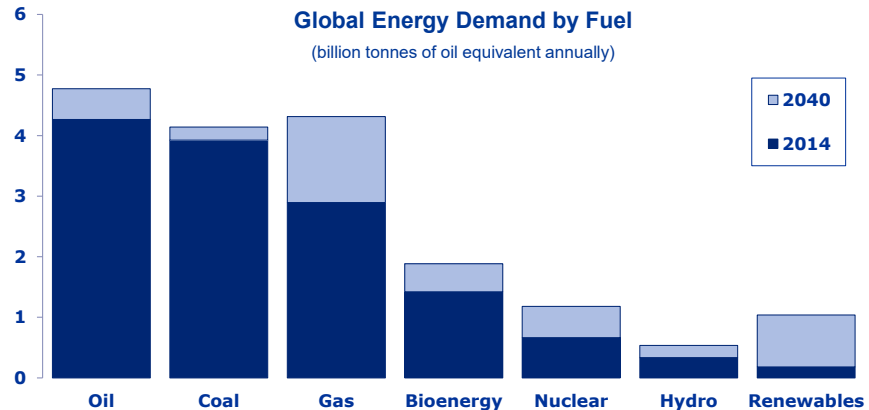

**Keith Davis** thanked John for coming and giving us a compelling presentation regarding the Energy East Pipeline. He thought this might stop the transfer payments to Quebec and would certainly help the western economy.

**President Farn** also thanked John: "In recognition of your presentation today we will donate \$100 to the Stay-In-School Scholarship Program".

**Today's Presentation will be available on our website**

**Photographer: John Shield**

**Guests: Roselyn Jack** introduced our guests: Dan Yauck (Guest: Penny Leckie), Ernie Zacher (Guest: Al Johnson), John Sharp (Guest: Al Johnson, John Van der Put (Guest Speaker), Don Dufault (Guest: Bob Wiens), Evangeline Sagucio (Guest: Sam Switzer), Glen Pomeroy (Guest: Larry Stein), and Ogden

**Health and Wellness: Jim Smith** is still at home with shingles

**Mustard Seed: Harry Pelton** is looking for 15 volunteers for preparing and serving dinner at the Mustard Seed on Tuesday March 14th

**L'Arche: Dave Tod:** Do you like Pancakes and Free T-Shirt. L'Arche Run needs volunteers for March 25<sup>th</sup> at the Eau Claire Market. See info in Bulletin on how to volunteer.

**Dream Home Moment: Craig Stokke Dream Home Chair:** The Dream Home is now going up. This is a 2700 square foot, 2 storey home with a developed basement which will be located in Carrington (Northwest Calgary).

**2025 RI Bid:** Also; Craig took the mic opportunity to let us know that the 2025 Rotary International Convention bid has been submitted. There are 13 cities in the running and Craig will keep us posted

**Country Thunder: Charlie Gouldsbrough:** Charlie and other committee members have been out and about seeking participation from other Rotary Clubs. 8 other Rotary Clubs have committed to helping out with Country Thunder this year and all of the clubs will be visited by March 15<sup>th</sup> by someone on the committee. Charlie reminded everyone to get their "ProServe" in place as we want the majority of the money to stay within our Club.

**Radium Fellowship Weekend: Pres. Ken Farn** advised us that this weekend will June 2<sup>nd</sup> to 4<sup>th</sup>. The golf and mixer and Dinner will be at Copperpoint Golf and Country Club this year.  
Friday Night Copperpoint Golf and Country club mixer  
Saturday Golf at Copperpoint Executive Course and Saturday Evening Dinner  
All-inclusive for \$150

**Community Hub: Pres. Ken Farn** announced that there is a 3:00 pm meeting today with Down-town Club, about Community Hub, a project with United Way and the City of Calgary to assist low income and homeless to get housing.

**Rotary Club of Calgary South Associates: Geoff Hughes** came to Pres. Ken and Past Pres. Murray Flegel a year ago with an idea, that he wanted to work on how to get younger people involved with Rotary.

Geoff Hughes has been working with some younger adults to find out what they would like or what stops them from becoming Rotarians. He is wondering how to get the 24-40 age group more involved and what that would look like, maybe being associates of Rotary?

The usual conversion rate of people who participate in volunteering for Rotary or Rotaract is 10%. Geoff Hughes stated that Rotary has been phenomenal for him personally and for his business. Geoff has been involved in the local and district level, including the RYLA Program.

Why are the 24-40 not joining or do not stay? Is it the time commitment? not a fit for lifestyle ? Many of them already give back and are business owners or executives.

Geoff set up an Associates club, which mirrors Rotary and is more flexible, monthly meetings, rotate meeting locations, and have adopted the culture of Rotary. This group is looking at possible projects? Country Thunder perhaps? Geoff is seeking suggestions on how to integrate the two clubs ... Please feel free to contact him and attend a meeting. They meet on the second Thursday of each month in the evening.

**50/50 Draw: Michael Zacharki** advised us the pot is at \$145.00 today and it was won by Al Johnson's guest Ernie Zacher.

**Sergeant -At-Arms: John Fitzsimmons** was quick to relieve anyone that was breathing of some of their money today. Do you have Pro-Serve? Pay up. This picture shows you how incredibly mean John can be ... Just Kidding, no fining for comments please ...

**The meeting was adjourned by President Farn for today**

## Leveraging and Collaboration

As Rotarians, we frequently look for ways to collaborate with other like-minded entities and to leverage our funds to **Do Good In The World**. Here is one story of how we did it.

In 2015, based on a funding request from a Colombian Rotary Club known to **Bob Wiens**, our World Community Service committee approved **C\$ 5,000** towards a Global Grant with the Rotary Club of Fonseca.

The former Rotary Club of Rocky Mountain House contributed C\$2,000 and the Fonseca Club reached out to their District and to the Rotary Clubs of Majadahonda (Spain) and Saint Medard en Jalles (France) to contribute a total of USD 10,000. District 5360 Designated Funds (part of your contributions to The Rotary Foundation) added a nice USD 15,000 and after matching everything through the Rotary Foundation, the project was approved with a budget of **US \$56,414**. Great leverage on our initial capital!

The hamlet of El Confuso, comprised of 60 families from the lowest economic strata, had a problem with a well that had become brackish and an overhead tank that was on the verge of collapsing. If you have ever tasted brackish water you will appreciate the necessity to change sources.

Our project provided a new drilled well with sweet water, a new overhead tank, a pump to fill the overhead tank, household water filters for each of the families and some training on operation and maintenance of the various components.

The families are organized and happy to pay for the operation and maintenance costs for the system.

Special thanks to **Rotarian Harold Bonilla** & his committee in Fonseca who put in a lot of hours making this project a success. **Outstanding!**

Fellow Rotarians: Since 2014 our Rotary Club has been supporting a program of Peace Studies first at the University of Calgary and for the past 2 years at Mount Royal University. The program at Mount Royal has evolved to become the Peace Studies Initiative and is an undergraduate program in the Faculty of Arts.

Our Club has donated \$3500.00 this year to support the presentation of the Calgary Peace Prize and to also help with the funding of lectures on Peace initiatives.

On March 15<sup>th</sup>, Mount Royal University's Peace Studies Initiative is pleased to announce that the 2017 recipient of the Calgary Peace Prize is the **Honourable Douglas Roche, O.C.** The Calgary Peace Prize Organizing Committee and the Peace Studies Initiative will present Mr. Roche with the Calgary Peace Prize award, followed by a presentation and a dialogue on peace.

**The presentation will be at the Jack Singer Hall in the Arts Common from 7:00 pm to 9:30 pm (March 15th 2017)**

As supporter of this important initiative, our Club has been invited to attend this program and to recognize Mr. Roche for his long and sustained efforts towards international peace building and for raising awareness of human security issues and nuclear disarmament.

**If you would like to attend this program please send me an e-mail to:**

**[tgallen1@telus.net](mailto:tgallen1@telus.net) as have several tickets for the evening.**

## **2017 Recipient Douglas Roche, O.C.**

The Hon. Douglas Roche, O.C., is an author, parliamentarian and diplomat, who has specialized throughout his 40-year public career in peace and human security issues. He lectures widely on peace and nuclear disarmament themes.

Mr. Roche was a Senator, Member of Parliament, Canadian Ambassador for Disarmament, and Visiting Professor at the University of Alberta. He was elected Chairman of the United Nations Disarmament Committee at the 43<sup>rd</sup> General Assembly in 1988.

Mr. Roche was the founding Chairman of the Middle Powers Initiative, an international network of eight non-governmental organizations working for the elimination of nuclear weapons. In 2010, the City of Hiroshima named him an Honourary Citizen for his nuclear disarmament work and particularly for founding the Middle Powers Initiative.

The author of 21 books, his latest is *The United Nations in the 21<sup>st</sup> Century* (Lorimer, 2015). His Memoirs, *Creative Dissent: A Politician's Struggle for Peace*, was published by Novalis in 2008. A previous book, *The Human Right to Peace* (Novalis, 2003), was the Canadian Book Review Annual Editor's Choice scholarly selection for July-August 2005. He has contributed chapters to 20 additional books.

Mr. Roche holds nine honorary doctorates from Canadian and American universities and has received numerous awards for his work for peace and non-violence, including the Mahatma Gandhi Foundation for World Peace Award (Canada) and the United Nations Association's Medal of Honour. In 1995, Pope John Paul II presented him with the Papal Medal for his service as Special Adviser on disarmament and security matters, and in 1998 the Holy See named him a Knight Commander of the Order of St. Gregory the Great. He received the 2003 Peace Award of the Canadian Islamic Congress and the 2005 Luminosa Award for Unity from the Focolare Movement, North America. In 2005, he was given Lifetime Achievement awards from both the Canadian Pugwash Group and the Nuclear Age Peace Foundation.

In 2009, he received the Distinguished Service Award of the Canadian Association of Former Parliamentarians for his "promotion of human welfare, human rights and parliamentary democracy in Canada and abroad." He is an Officer of the Order of Canada. In 2011, the International Peace Bureau nominated him for the Nobel Peace Prize.

# 2017 Radium Getaway Weekend

Our annual Radium Getaway Weekend is coming up fast. Our dates this year are:

**June 2<sup>nd</sup> and 3<sup>rd</sup>, 2017**

And changes are underway. This year the activities will be centered at Copper Point Golf Club, Invermere's most luxurious and breathtaking golf and dining facility. The theme of this year's event will be "Something for Every Person and Every Budget" and will include dining, hiking, shopping, sight-seeing or just socializing and relaxing.

Activities include our traditional Friday evening mixer, with dinner on Saturday and lots more.

Costs are:

**\$150 per person for the entire golf/dining package**

(including carts) excluding accommodations,

or

**\$85 per person for those who choose not to golf**

**Tickets will go on sale soon, so start your planning now.**

**More details to come!**

**The Run for L'Arche is on March 25th and we need volunteer course marshals! The event cannot take place unless we have a minimum of 42 marshals. Currently only 16 people have signed up for this position.**

**We need you, your friends, your family etc. for only 4 hours on Saturday morning March 25. It's a LOT of fun for a great cause. Basically all you have to do is cheer the runners on. Easy eh? Click on the link below to sign up:**

## **IT'S A CRIME NOT TO READ ...**

The Calgary South Rotary Partners donate to "It's a Crime Not to Read", a program that the library runs in high needs area schools. Police officers, fire personnel and EMS regularly read to the children. A book is donated to each child.

On February 23rd a pizza party was held for the children at the Saddletown Library with a police officer and an EMS person reading to the children.

Maureen Watson and Pat Farn attended this event on behalf of Project Research. The pictures show us and a plaque that was placed in the Saddletown Library in 2014.

## OUR WEBSITE

[www.rotarycs.org](http://www.rotarycs.org)

Craig Stokke has done some recent updating on the Website Home Page (Public Area) of ClubRunner.

Members may need to look around a bit to re-find some of their commonly used areas.

Craig is undertaking a redesign of the Public Area in the future to simplify the menu.

The new layout makes more sense and should be easier for users to find what they are looking for.

**THANKS CRAIG !!!**
