## Alberta Prion Research Institute Prion Diseases and Dementias

Bryan Walton introduced our guest speaker **Dr. Kevin Keough** by advising that **Dr. Keough** is the **Executive Director of the Alberta Prion Research Institute**.

The Institute is funded by the Government of Alberta as part of Alberta Innovates to build capacity for and excellence in research in prion and related diseases including many dementias. Dr. Keough has been involved in university teaching, performing research, and the management and commercialization of research at the regional, national and international levels for over 50 years.

Dr. Keough's participation is the creation of Regional and National agencies that promote and facilitate research and innovation, and has served on the Boards of Directors of over twenty agencies and companies with mandates for research and innovation.

Dr. Keough founded two biotechnology companies and a research and innovation management consulting company. Dr. Keough came to Alberta to take up the position of President and CEO of the world-famous Alberta Heritage Foundation for Medical Research. Prior to that he had been the first-ever external chief science advisor in the Government of Canada at Health Canada. He was the first Vice-President (Research and International Affairs) at Memorial University of Newfoundland before that.

Over the years Dr. Keough has been involved in many voluntary activities associated with the community and with science and innovation, including being a member of the Rotary Club of Edmonton for the past 13 years.

What is a prion?

Dr. Keough started by saying thanks for inviting him – he appreciates being able to spread the word about the great work being done. Prion is a rogue protein in our bodies – and we all have them. We have a large amount of prion in our brains and every once in a while one and more go rogue. The rogue protein changes shape and then attaches to the next protein and so on until a mass is created. It is like an infection because it can be difficult to deal with, but cannot be treated like an infection. The mis-shaped proteins last for a very long time. Rogue protein causes a lot of trouble.

The Alberta Prion Research Institute (APRI) was developed in 2005 in response to the BSE crisis. No one knew of the science to manage BSE. APRI is funded by the government – they have used \$77M over 16 years researching and testing. They have 380 researchers on a variety of components of the work.

Alberta is the center of prion research in the world – people come from all over the world to learn from us. There are many types of conditions as result of prion: BSE, Chronic Wasting disease (CWD) found mostly in deer but also in elk, Scrapie, and Creutzfeldt-Jacob disease (CJD). The current research is reducing the cost of removal of potentially BSC contaminated materials. An infected animal expels waste onto the ground, and then another animal eats that grass or drinks that water and then becomes infected. It is a real challenge to stop the cycle of re-infection. The research takes a long time and requires a lot of funding.

There is research showing similarities in human conditions like: Alzheimer's and Parkinson's disease, Frontotemporal dementias, Tauopathies, Amyotrophic lateral sclerosis and other dementias.

A large focus of the research is whether there can be management on the landscape – can we diagnose in the field? They are working on new therapeutics and biomarkers for diagnoses. They are working with the Alzheimer's Society to see where the commonalities are and to collaborate. Again, Alberta is leading this research and we are on the international stage!

**Wendy Giuffre** thanked Dr. Keough for his very information and a bit worrisome presentation. As a daughter of a mom with Alzheimer's, she hopes the research continues until a cure is found. In honor of the presentation, \$100 will be donated in your name to our Stay in School fund.

**President Bill** began the meeting today by saying he was glad to see a few snowbirds and also it was good to see **Dick Shaw** today.

**Joke of the Day: President Bill** had to work to find a joke about engineers – but he did!

### Engineer's Dream Salary

Reaching the end of a job interview, the Human Resources Manager asked the young engineer (who was fresh out of university), "and what starting salary were you looking for?"  
The engineer said: "In the neighborhood of \$100,000 a year, depending on the benefit's package."  
The HR Manager said: "Well, what would you say to a package of \$200,000 a year, 5 weeks' vacation, 14 paid holidays, full medical and dental, company matching retirement fund to 50% of salary, and a company car leased every 2 years – say, a red Mercedes?"  
The engineer sat up straight and said: **"Wow!!! Are you joking?"**  
And the HR Manager said: "Of course, .... But you started it."

**President Bill** then invited everyone to join himself and Lisa Fernades in the singing of O Canada and Rotary Grace. It is always a pleasure to have **Hugh Delaney** sing!

**Bulletin Editor – Luanne Whitmarsh Photographer: John Shield**

**Luanne Whitmarsh** (Bulletin Editor) was delighted to sit at a table with very handsome men! She asked each of them for a quote, and here they are

**John Fitzsimmons** – you are who you have lunch with, and I am glad I am having lunch with you!

**Hugh Delaney** – We are lucky to have Bill as our President!

**Paul Brick** – Thanks for my new hip!

**Phil Jackson** – Great to have Luanne at our table!

**George Deegan** – Great to see the new members at our Club!

**Jim Burns** – Will this snow ever end!

**Dick Shaw** – I am glad to be here today!

**Head Table: Bryan Walton, Dr. Keough (Speaker), Dilan Perera, Brett Albers & Wendy Giuffre**

**Visitors: Shellie Marshall** introduced our visitors and Rotarians who are attending and then led the Club in our traditional rendition of Welcome.

**50/50 Draw: Mike Zacharki** delighted **Doug Lacombe** with \$144.00 for to-day

**Jack Thompson** and **President Bill** handed out the Paul Harris awards to the following Club Members:

**Kendall Bocking: PHF1**

**Dana Hunter: PHF2**

**Myrna Dube-Thompson: PHF3**

**Bryan Targett: PHF6**

**Kevin MacLeod: PHF5**

**Web site meetings:** Please note that due to technical difficulties the meeting did not record properly today. You can still see previous meetings for an online makeup though.

**Outgoing Exchange Student: Kathy Demorest** introduced Saim Ahmad by saying: I am delighted to have Saim Ahmad join us at our meeting today. Saim is our 2018-2019 International Outbound Exchange Student. He is currently 17 years old and attends William Aberhart High School. Saim comes from a very close-knit family; he has an older brother who is one his best friends! His parents are extremely supportive; they encourage him to always try new things and to travel to learn and grow as a person. Saim plays soccer for his school and has been a leader as captain of his team. He also enjoys his time on the yearbook committee.

Saim appears to have a need for speed with his favorites hobbies being snowboarding and longboarding, but not just ANY longboarding, Saim likes DOWN-HILL longboarding ANYTIME the weather permits! Saim also MAKES his own Longboards and Skateboards! This young man has a big heart, positive attitude and is excited and ready to embark on this incredible opportunity. Saim will be excellent ambassador to Canada, Alberta, and to the Rotary Club of Calgary South during his exchange year in Finland. Please welcome Saim Ahmad!

**Tony Fisher** invited Joelle Mar and Svetlana Miftahov Rapoport to the front of the room and he presented them with a cheque for \$60,000 for **Inn From the Cold Agency**.

**Dream Home Minute: Craig Stokke:** The Stampede is 4 ½ months away and most question can be directed to [shifts@rotarycs.org](mailto:shifts@rotarycs.org) please do not phone Craig or any other committee person as they are working or with their families and may not remember what you need. Thank you for your support and more information will come!

**Rotary International: Earl Huson** reminded us that you have only 2 days to get your early bird tickets for the national convention. Also, there are sweaters available for sale. Just connect with **Bryan Walton** for information! See more info on Page 7

**New Members Celebration: Joe Connelly** reminded us that **April 19<sup>th</sup>** is the New Members Celebration in the **Blue Room**! They are looking for items... maybe your vacation home in BC or Flames jersey!!?? They will also be doing a 'bag of wine' where you bring a bottle of wine and get a ticket – if you win, you get the wine!

**Sergeant-At-Arms: Jack Thompson** was the Sergeant-At-Arms (who quickly pointed out that **President Bill** robbed him of a few minutes of his time).

Jack let us listen to a video on his phone that ended in 'we don't give a s@@@t!!' He then he lightened the pockets of a few curlers, new members! **Bill Sumner** gave happily to celebrate is granddaughter Claire's being named as Outstanding Athlete at Queens University. Then, he charged **Frank King** and **Bob Brawn** for taking negatively about the Flames last week. Whew – then he was done!!

**CARE HOCKEY: President Bill** announced he is playing hockey in the Gordie Howe fundraiser and if you wish to donate, please see Bill. This benefits the research for Alzheimer's.

**Have a great long weekend everyone!**

**Dilan Perera** introduced **Brett Albers**: Fellow Rotarians and guests, I am very pleased to introduce to you the soon to be newest member of our Club. I met Brett about 7 years ago at the Elbow Springs Golf Club. In addition to being an excellent golfer, he struck me as being a warm, highly professional gentleman. I know Brett is very liked and respected at our golf club and I am sure he will be here at our rotary club as well. To tell you a bit about Brett.....he was born and raised in BC and started working in the lumber industry right after high school.

He was in charge of building super mills by the time he was twenty, making a lot of money, and enjoying the good life. When the softwood lumber crisis hit, Brett took a package and while upgrading the family cottage, completed the Canadian securities course. He also completed the computer automation technician course at Thompson Rivers University – both at his mother's urging. Incidentally, Brett's mom Theresa Gostola is here today to see Brett being inducted as a Rotarian.

Brett then joined TD Canada Trust at an entry level and was quickly promoted to the role of financial advisor. Within a few years, Brett was one of the top 10 financial advisors for TD Canada Trust in Canada. He then got a new job, and moved to Calgary. In 2012, Brett joined BMO Nesbitt Burns where he is already a successful investment advisor. The best thing that happened to Brett when he moved to Calgary is that he met his lovely wife Carey-Ann here. Brett and Carey-Ann are avid golfers and travelers and they also enjoy entertaining friends and family over dinners at their home. In fact, they have already joined our Club's dinner group.

With about a six handicap, Brett is probably going to be the best golfer in our Club and he is probably going to continue to get better at the game for another 25 years or so. Rotary is Brett's second service club membership; he has been a member of the Canadian Progress Club since 2011 and has served as a director in the Calgary chapter of that organization. With his warm personality, energy and service mindset, I am very confident that Brett will be an excellent long term Rotarian and member of our Club.

Ladies and gentlemen, please welcome Brett Albers.

**President Bill** invited **George Deegan** to do the induction: **George Deegan** inducted **Brett Albers** into our Club. Brett, I know our membership committee has done a good job in advising you about your obligations and expectations as a new Rotary member. So, I would like to tell you what I think Rotary is about. It is about 2 things - fellowship and service.

Both of these two are clearly defined in the 4-Way Test and our Rotary motto. The 4-Way Test was conceived by a Rotarian in Chicago in 1932 and is still valid today. It is a benchmark not only for our business life but also for our personal life.

Is it the truth? Is it Fair to all concerned? Will it build Goodwill and Better Friendships? Will it be Beneficial to all concerned?

Not only does the 4-Way Test set standards for service, it also emphasizes fellowship and friendships. The fellowship is obvious during one of our luncheon meetings but it can also be found when working in all avenues of service.

Our Rotary Motto 'Service about Self' needs no explanation. You will be given the opportunity to work on our various committees with members with a similar commitment to service. You will find that fellowship and service goes hand in hand.

Brett, my hope for you is that you get as much personal satisfaction out of Rotary as I have and as I know that your Sponsor Dilan Perera has. On behalf of our members, I ask **President Bill** to induct you into Rotary Club of Calgary South.

**President Bill** inducted Brett and the Club welcomed him with a loud round of applause!

**PORTER, James Sargent**

**February 2, 1920 – Weyburn, Saskatchewan**

**March 13, 2018 – Calgary, Alberta**

James S. (Jim) Porter of Calgary, AB, passed away on Tuesday, March 13, 2018 at age 98. Jim was born and raised in Weyburn, SK, oldest son of John and Blanche McNett Porter. He graduated from Weyburn Collegiate Institute and attained his Bachelor of Science in Geology and Animal Husbandry from Iowa State University. He was a captain in the US Army 96th Infantry division from 1943 to 1946 in Philippines and Okinawa. He returned to Weyburn where he lovingly raised a family with his wife Jean, and managed Prairie Agencies with his brother. In 1972 they moved to Calgary. Jim enjoyed family trips, reunions, and later, world travel. He held leadership positions at Knox Presbyterian (Weyburn) and Grace Presbyterian (Calgary), Rotary clubs in Weyburn and Calgary South, SK Arts Council, SK Library Association, and Masons. Jim is survived and sorely missed by his children, Janet Johnson (David), Katherine Porter, and Robert Porter (Pamela); grandchildren, Katherine Glading (Ethan), Christopher Parker (Jessica), Karen Johnson (Steve Ewald), David Parker (Katie), Casey Johnson (Ross Vandergrift), Cecilia Porter (Chris Lundy), and Andrew Porter; and great-grandchildren, Claire Parker, Albert Glading, Elizabeth Glading, Will Parker, Evan Parker, Brodrick Parker, and Brinley Parker. He was predeceased by his beloved wife of 70 years, Jean Bitterman Porter, his brother Charles Porter, and his step-brother Walter Comer. The family would like to thank the 'angels' at Granddaughters Personal Care for Seniors who cared for both Jean and Jim beyond all expectations for the past four years. **A Memorial Service will be held at Grace Presbyterian Church (Calgary) on Saturday, June 16, 2018 at 2:00 p.m. Reception to follow.** Condolences may be forwarded through [www.mcinnisandholloway.com](http://www.mcinnisandholloway.com). A Memorial Gathering will be held at Weyburn Public Library, Friday, September 14, 2018 at 2:00 p.m. In lieu of flowers, memorial donations can be made to Grace Presbyterian Church (1009 15th Ave SW, Calgary, AB T2R 0S5) or Weyburn Public Library (45 Bison Ave, Weyburn, SK S4H 0H9), or Internet for Humanity (Box 52020, Beacon RPO, Sidney, BC, V8L 5V9), or to the charity of your choice. In living memory of Jim, a tree will be planted at Fish Creek Provincial Park.

Subject: Rotary Jerseys

To: Henry Popoff <popoffh@telusplanet.net>

*Here is an email for those of you participating in the Rotary International Conference:*

Hello Rotarians,

Each of you expressed an interest in ordering a jersey (or two) when I canvassed you back in December. I have now chosen a supplier and embroidery/silk screening jobber for the order. The all up cost is \$35 per jersey and they come in men's sizes only of S, M, L and XL. Please confirm the number and sizes that you wish me to order for you as soon as possible.

Kind regards,

Hank

**MUSTARD SEED DINNER: APRIL 30TH: *WE NEED VOLUNTEERS***

I attended the Weekend Orientation for Youth Exchange this weekend. It was a wonderful weekend of learning, awareness, and most definitely fellowship for the students and the entire Youth Exchange Team! It was a pleasure to get to know all 3 of the Rotary Club of Calgary South's students currently involved in our "Youth Exchange" program. Attached photo is, left to right: Paul Siska (Rebound Student from Spain), Maisa Costa (Current Inbound from Brazil), Saim Ahmad (2018-2019 Outbound Student going to Finland).

**NEED A MAKEUP?? JUST WANT TO WATCH THIS WEEK'S MEETING??**

Members have said that it would be nice to be able to do an online makeup for information that is about Rotary Club of Calgary South. Why pay for an online service when the money donated could go back to our own Club. Thanks to Steve Mason, Craig Stokke and President Bill this is now a reality. For a \$20.00 fee you can watch our meeting and receive a makeup at the same time.

Online meetings are a great way to stay connected to the Club and if you want or need a makeup you can simply pay \$20.00 online and you will receive the makeup.

- Just go to: [www.rotarycs.org](http://www.rotarycs.org) At the Home Page go to: **"Member Resources"**
- Now go to: **"Calgary South Virtual Meetings"** which is just below "Bulletins"
- Click this and you will be taken to a screen which allows you to view our meetings.
- If you **Register and pay online** you will be able to receive a makeup. The makeup will count for 14 days before or after the date that you paid online just like any other makeup.

We are going to take 3 months to trial this and we hope you will all get online and see what you think.
