

## Art Borzel Tribute

Larry Stein began today's Tribute to Long Time Rotarian and friend, **Art Borzel**

Ladies, Gentlemen and Honoured guests; It is my esteemed pleasure to say a few words about **Art Borzel**.

Art was born on his grandfather's farm near St. Walburg, in Northern Saskatchewan (near Lloydminster) on September 6, 1932. He grew up as a poor hardworking farm boy doing whatever he could to bring money home. He had a trap line, worked early morning hours at a bakery and cleared bush. He was an athlete, playing baseball, curling and hockey. He even dabbled at waterskiing. He met famous athletes such as Gordie Howe and Yankee great Whitey Ford. It was Whitey Ford who got Art to do some batting practice in spring training. Through Whitey, Art also got to meet Yogi Berra and other Yankee players. Art had a lifelong affinity to baseball thereafter.

Art was involved in scouts, was a mechanic at GSL here in Calgary, took night school for accounting, was a computer guru and loved to fly airplanes. He was devoted to his family and to Rotary.

Glen Richardson, Art's long-time friend, sends his regrets for being unable to attend today. However; he provided these gems: Glen first met Art in Lethbridge in 1969 when they were hired to help start a Mercury Lincoln dealership by the name of College Mercury. Art was Secretary-Treasurer and Glen was the General Sales Manager.

After a year and a half of fun and some hard work they both realized that there were many unfulfilled promises and so they left. They set their sights on Fernie, BC when a couple of men wanted out of a dealership.

Surprisingly, they had jointly amassed the tidy 1969 sum of \$10,000 so Glen borrowed his parent's trailer and headed out while Art spent 6 weeks cleaning up loose ends in Lethbridge. But; unfortunately Art gave Glen the bad news that the Fernie deal was off and Glen returned to Calgary while Art went to an Edmonton Ford dealership for several years. Many years later it was revealed that Ford pulled the plug on the Fernie deal because of two Lethbridge employees that had raised so much "hell". I can't imagine who those miscreants were. After short stints at Brooks and then a Lloydminster dealership Art ended up at CharlesGlen Toyota when Glen Rumpel hired him as Secretary-Treasurer. He stayed there until he retired. Art: Glen says this: "Rest in Peace my friend". Andy: "Thanks for coming today".

Art was sponsored into our Rotary Club by Glen Richardson on January 7, 1989 and became a full member on June 11, 1989. Art was also a charter member of the Brooks Rotary Club and a member of the Lloydminster Rotary Club. His contribution to Rotary was long term and exemplary.

I had the pleasure of learning the Dream Home accounting role from Art since 1990. He was always most willing to help and pass on his knowledge. Our club and our charities have been financially enriched by his attention to detail and compliance with strict accounting principles, whether it be Dream Home, Stay in School or simple club treasurer business.

***Art passed away on February 5, 2019. His family and his Rotary friends will miss him.***

**Rotary Profile Video of Art: <https://vimeo.com/254022363>**

**Thanks to Steve and Jamie at Talking Light Media for preserving our precious Member Memories.**

Bryan Targett said that first I would like to thank Larry for giving me the opportunity to say a few words about Art. I first met Art when he joined our Rotary Club in 1989. He immediately became involved in many of our club activities and claimed his luncheon spot by the window.

However, it wasn't until we started the SISP that I really got to know Art. He became the treasurer of the SISP program and immediately became involved in developing a very accurate accounting system. At that time we weren't sure that the program would be successful so we watched every penny carefully.

If I needed to find out if an invoice had been paid or a receipt had been issued I contacted Art and he usually gave me the answer immediately. Once we began awarding scholarships it was important to keep track of the moneys that were issued on behalf of each student. Art recognized this need and developed an excellent excel program, so that at any moment we knew the amount that was still available to any student. This program, over the years proved to be invaluable to the operation of program.

In addition to his work as treasure Art worked closely with Keith Bekker, our financial advisor and kept us informed as to the progress of our fund. Art made my work as chairman of the SISP easier and I will always be indebted to his assistance.

***Rest in peace Art. I'll miss you as will all the members of Calgary South.***

**Allan Johnson** touched on Art's Curling days. Art, Bruce, Greg and myself started curling together in the Rotary Curling League over 20 years ago. Art was very passionate about the league and helped build the league to what it is today. Art treated everyone fairly. We would bonspiel all over the province, drank too much scotch, but had a great time. Art looked after our money and expenses....he was known as the 'money man'.

Art was great with names, he always remembered people's names even if he only heard it once and everyone really remembered Art.

When Sherry joined our team Art thought that Bruce should retire. Art also won the Good Time Charlie Trophy at the provincial bonspiel. As the curling league grew we divided our team into 2 to invite more people in and we curled each other many times after that and he always wanted to **win**. Art's team beat us more often than we ever beat him. I always said I would never want to curl against him in his younger days!!

Sherry cared deeply for Art and if she was speaking it would always be more mushy. Bruce always said that Art had a true competitive spirit. This spirit truly rubbed off on Art's children and grandchildren. Art's philosophy was: "Why play if not to win"? Art will be greatly missed by all of us.

**Larry Kennedy:** Good afternoon, President Ron and fellow Rotarians, and honored guests,

For the benefit of Art's family, I am Larry Kennedy and am honored to speak to the 12 years over which I have been privileged to get to know Art in his roles as Treasurer, Mentor, Friend and great curler.

When I joined the Club just over 12 years ago, I was introduced to Art right away. It seems that in Calgary South, if you become known as a curler - you got to know Art pretty quickly!! Al Johnson has spoken about Art as a curler, but I just want to add that I never enjoyed curling any more than I have over the nine years that I spent curling with Art on his teams in the Rotary League and in most years on his teams at the Rotary Bonspiel. Frankly, Art had forgotten more about the game than many competitive curlers ever understand. To say that Art was a "little bit competitive" is just a little bit of an understatement. It is not hard to understand where his grandchildren gained their competitive edge.

Our Club had the privilege of Art as Treasurer, of the Club and for many years of the Dream Home Project and the Stay in School Program. In fact, Art spent over 20 years giving to the Club in a number of Treasury roles. – Often many at the same time. It was in these roles in working along side of Art as Club and Dream Home project Treasurer, that I learned how far ahead Art was in wanting to learn technology and use it to great advantage. Art had moved the Club to early versions of computerized accounting systems as far back as least the very 2000's, and to cloud based versions of accounting systems in early 2010's. While those dates do not seem that long ago, it was very early adoption of the most current technology, and for a not-for-profit charity was incredibly early.

It may not be known to many in this room, and particular to many on recent Dream Home Committees that have relied on the Calgary Stampede SLIMS accounting and Rostering system, that we as a Club were far ahead of the SLIMS curve. In fact, in the early 2000's, Art along side of Mel Gray designed and developed a Microsoft Access Accounting and Cash out system, that in mid 2000's was provided to the Kinsman and Lions clubs and in the late 2000's became the underpinning of the current SLIMS system accounting and cash out modules. For anybody that has ever tried to work within and develop Access databases, particularly in the period that Art and Mel were developing the dream home systems, can appreciate his dedication to detail that was required. Art was at his happiest developing EXCEL spreadsheets to track and report on many of our clubs tasks. Many times I have answered my phone to Art's voice telling me that "hope you don't mind....but I think I have solved it." To which my usual response was "I didn't know that we had a problem". He was always a long way ahead of me.

Art was truly a Mentor to me, he was always there to be relied upon to provide advice, and "kick me in butt" on occasion – A true mentor. To Art's Family, thank you for sharing Art with the Rotary Club of Calgary South. He was truly a friend and mentor to me and to many in this room. He is truly missed.

**Jack Thompson** advised us he was not a curler and that's okay because Art would have taken great pleasure in beating Jack as well. As with every speaker today it was an emotional time at the mic remembering such a good friend. Art was so proud of his Rotary Family and looked forward to every activity, lunch and Rotary event. We were Art's Rotary Family and we are honoured to share our love for Art with his family here today. A Paul Harris

Fellowship award was presented to Andy Borzel in Art's Memory.

**Art's Grandson** took the podium to remember his Grandfather and to thank us but it was a tough and emotional moment for him so we supported him and gave a standing ovation in honour of his Grandfather, well done Jim.

### **Closing word from Past President Bill LeClair**

I am very pleased to have been asked to provide some closing words. On the Thursday and Monday evening before Art died, I had the privilege of being in his room one on one with him. The Thursday night conversation started with my telling him that three months before my mother died in P.E.I. I went to say my goodbyes. I asked her how she was feeling, and her answer was "I am on my way out." Art said the same thing.

I spent a fair amount of time with Art the first night as well as the second night and each night I went home with a deep sense of satisfaction that I had spent quality time with him. A week ago I had a conversation with Andy about his deep sense of satisfaction as well as a result of having spent quality time with Art.

Having heard what you have heard today, you all know what kind of person Art was and what he meant to each of us. Maybe we can all leave here today with a deep sense of satisfaction knowing that we spent quality time here today in his memory.

Thank you to all the Presenters, Art's family, and all of you. A very big thank you to **Larry Stein** for thinking to do this Tribute and for putting it together. I can't thank you enough.

**President Ron Prokosch** opened the meeting of May 16<sup>th</sup>, 2019 with greetings to all our special guests, the family and friends of **Art Borzel** and the friends of **Carol Rosdobutko** and any other visitors and guests. We were invited to join our pianist, Lisa Fernandes, in the singing of O Canada and Rotary Grace followed by our lunch.

**President Ron** asked **Dr. Bill LeClair** to assume the podium and present the Governor General's Sovereign's Award to our own **Carol Rosdobutko**.

**We Interrupt your Meal to Bring You a Big Deal**

Some of you may recall that during my years as President I asked Carol to do her Classification Talk. She started by holding up 4 signs to help all of us pronounce her name. The most important sign was the one that said: But. When she was a little girl in school the teachers would teach by putting words in sentences. Hers was "Carol is my first name but some people cannot pronounce my last. Today a bigger version of that little girl is receiving a huge award: The Sovereign's Medal for Volunteers. I had never heard of this until Carol informed me. The Sovereign's Medal for Volunteers recognizes exceptional volunteer achievements from across the country and abroad, celebrating a wide range of voluntary contributions.

As an official honour created by the Crown, the Sovereign's Medal for Volunteers is part of the Canadian Honours System. The program has incorporated and replaced the Governor General's Caring Canadian Award, which was created in 1995, by then - Governor General the Right Honourable Romeo LeBlanc. The Chancellery of Honours, part of the Office of the Secretary to the Governor General, administers the program. Please note that Honour is coming from Number 1 Sussex Drive Ottawa not 24. Nomination Process and Eligibility Criteria

The Sovereign's Medal for Volunteers recognizes living Canadians who have made a significant, sustained and unpaid contribution to their community, in Canada or abroad. Non- Canadians are also eligible if their contribution brings benefit or honour to Canadians or Canada.

Nominations for the Medal for Volunteers are accepted throughout the year by the Chancellery of Honours and reviewed by an advisory committee, which makes recommendations to the governor general. Here is a short paragraph called a citation which reflects the reasons for her medal.

Carol Rosdobutko was instrumental in setting up a training program at the Rotary Club of Calgary in 2008, in managing volunteers during fund raising events, coordinating the distribution of Christmas hampers, and planning weekly activities. She has also been a volunteer at the neo- natal intensive care unit of the Calgary Children's Hospital and at the Canadian Breast Cancer Foundation.

There are various ways the medal can be presented but we have decided to go a different way and while I realize this may be a stretch but let's just say I am the Governor General for a day.

I am very pleased to have **Luanne Whitmarsh** present this medal to Carol and am very happy to see her friends and associates here to share the moment with her.

**Carol Rosdobotko** responded to Bill's remarks by saying: Thank you so very much President Ron, Guests and Fellow Rotarians. I am honored and humbled to have been awarded the Governor General's Sovereign's Medal for Volunteers.

Dr. Bill – thank you for your wonderful words. Luanne Whitmarsh; thank you for presenting the medal. Thank you to my dear friend Sophie Armstrong for nominating me for this honour. Sophie recognized my volunteer spirit after only knowing me for a short time. I would also like to thank my parents who encouraged me at a young age to give

back to the community. Fellow Rotarians – thank you for the honour of allowing me to be part of this incredible organization that does so much good in the world.

I've always been a helper at heart and once I became a Rotarian I realized I'd found a home. With a strong belief in "Service Above Self", I get energized knowing that I'm making a difference in someone's life. In my opinion, the best part of volunteering is meeting and working alongside amazing people. And some of those amazing people are in this room – great friends and fellow Rotarians.

Thank you to my friends and everyone here to today for being part of this wonderful acknowledgement of my passion for volunteering! I am honored and humbled.

#### **Announcements:**

**Visitors and Guests:** There were too many guests today to introduce them individually – we welcome you to our meeting and we sang our Welcome Song.

**BUILDING A VIBRANT FUTURE THROUGH YOUTH LEADERSHIP - ROTARY CLUB OF CALGARY SOUTH DONATES \$1 MILLION TO THE CALGARY STAMPEDE FOUNDATION**

On Thursday, April 4, 2019, representatives from the Calgary Stampede, the Calgary Stampede Foundation and Rotary Club of Calgary South gathered in celebration of youth empowerment at a signing ceremony, where Rotary Club of Calgary South generously donated \$1 million to the Calgary Stampede Foundation.

***Rotary Club of Calgary South generously donates \$1 million to the Calgary Stampede Foundation***

“We are extremely excited and proud to continue our working relationship with the Calgary Stampede and the Calgary Stampede Foundation through the development of Youth Campus,” says Ron Prokosch, President of Rotary Club of Calgary South. “Over the years, Youth Campus will support thousands of youth in their chosen development in both leadership and art. Together, the Rotary Club of Calgary South and the Calgary Stampede will extend our reach in both culture and the community,” adds Prokosch.

The million-dollar donation will go directly towards empowering youth leaders in our community through two youth leadership initiatives: the revitalization of Oliver House in Youth Campus on Stampede Park and the start of a bursary in support of Calgary Stampede Foundation youth programs. Oliver House will be used by youth program leaders from both the Calgary Stampede Foundation and

other community organizations. The vision is for leaders to come together in this space to cultivate new ideas for youth achievement, develop best practices for community learning and collaborate on education models. These leaders will inspire youth to take risks, test out what it is like to be a leader and facilitate big picture conversations. Currently, Youth Campus sees more than 300 users each day. The revitalization of Oliver House will help advance the Calgary Stampede’s vision of having upwards of 1,000 community users in Youth Campus.

***Representatives from Rotary Club of Calgary South showcase the vision for Oliver House***

The brand new bursary benefiting the Calgary Stampede Foundation programs will go towards supporting participants in each program who have a financial need. The goal of this bursary is to make sure that these youth development programs remain accessible to all exceptional youth in our community, regardless of financial status. “This tremendous gift from Rotary Club of Calgary South clearly exemplifies how we are Greatest Together,” says Bob Thompson, Chair, Calgary Stampede Foundation. “Our relationship with the Rotary Club of Calgary South has been long-standing, with a collective belief that stronger youth make a stronger community. This donation will directly support two important initiatives and help drive Youth Campus’ goal of supporting and advancing youth in our community.”

***The Calgary Stampede, the Calgary Stampede Foundation and Rotary Club of Calgary South gather in celebration of youth empowerment***

Over the past 60 years, Rotary Club of Calgary South and the Calgary Stampede have worked together to build a more welcoming, friendly, accessible and vibrant Calgary. This long-standing partnership between the two organizations first started in 1957, when the Rotary Club of Calgary South moved their headquarters to Stampede Park. In 1958, Rotary Club of Calgary South partnered with Calgary Stampede Lotteries to offer the first ever Rotary Dream Home prize, which is still one of the highlights of the Stampede Lottery to this day. Each year, many Rotary Club of Calgary South volunteers donate their time in July, selling lottery tickets on the Stampede Midway.

# 2019 Invermere Getaway Weekend

Our annual Windermere Valley Getaway Weekend is coming up fast.

Our dates this year are:

## Fri., May 31 - Sun., June 2, 2019

And changes are underway. This year the activities will be centered at Copper Point Golf Club, Invermere's most luxurious and breathtaking golf and dining facility. The theme of this year's event will be "Something for Every Person and Every Budget" and will include dining, hiking, shopping, sight-seeing or just socializing and relaxing.

Activities include our traditional Friday evening mixer, with dinner on Saturday and lots more.

Costs are:

**\$150 per person for the entire golf/dining package**  
(including carts) excluding accommodations,  
or  
**\$85 per person for those who choose not to golf**

An email with the Registration has been sent out to all Rotarians and another attached to this week's Bulletin

## Rotary Dream Home & Showdown 50/50

# Big changes are coming in 2019!!

Thank you for your support of the Rotary Dream Home / Showdown 50/50 lotteries. We wanted to let you know there are BIG changes in store this year.

### We're going Ticketless:

In previous years there were several steps involved in buying lottery tickets at the Calgary Stampede. First, a buyer would have to visit multiple ticket selling locations (to buy tickets for different prizes), then they'd have to proceed to a ticket printing booth, and finally they'd have to separate their tickets and drop them in the bins. All that changes in 2019.

We're making it easier for our ticket buyers and our volunteers.

This year, Rotary and Kinsmen volunteers will be provided iPads that are specially designed to sell tickets for their respective lotteries. The iPads will have a very simple graphical interface that will allow our volunteers to quickly and easily assist ticket buyers in selecting the right ticket package(s) and place their order online through our app.

Ticket ordering will be a one-step process that is quick and secure. We'll even be able to scan the buyer's drivers license (to input their name and address into the order).

### Benefits:

Significant cost savings. Printing, auditing and storing millions of tickets is VERY expensive. Eliminating these costs will save tens of thousands of dollars each year, allowing the clubs to invest significantly more money in worthwhile community projects and charities.

Increased on-park points of sale (and potentially fewer overall volunteers required). The elimination of "ticket printing" allows us to re-purpose some of our previous printing booths into new selling locations. Our goal is to leverage these new points of sale so we can provide better service, fewer lineups and increased sales.

New ticket packages. We're no longer bound by the previous limitations of printing and selling sheets of "paper tickets". This means we can be much more strategic when developing our ticket packaging and pricing strategies. This year, in addition to our regular lotteries, Rotary and Kinsmen volunteers will also be selling Stampede Lotteries 4X Packages directly through their iPads. The 4X Package includes tickets on the Rotary Dream Home as well as select Kinsmen Wheels prizes. Kinsmen volunteers will also be able to offer tickets on all the Kinsmen prizes from all selling locations.

**It's the future.** During the 2018 Calgary Stampede, Stampede Lotteries surveyed ticket buyers about their buying preferences. The survey results were quite clear; EVERY demographic (age group) indicated favourable support of ticketless on-park lotteries. Not to mention, we'll save a lot of trees too.

### Rostering GoLive / Booking Shifts:

With the transition to ticketless this year, rostering has been delayed until May 30th, 2019. At that time, Rotarians and volunteers will be able to log into SLIMS and book their shifts. Further information will be provided as we get closer to GoLive.

Should you have any questions about rostering please send an email to [shifts@rotarycs.org](mailto:shifts@rotarycs.org)

\*\*\* Reminder: there are no ticket printing shifts this year. Ticket sellers must be 18 years or older.

### Ticketless Training:

**Ticketless training is available to ALL volunteers.** We understand this is a big change, and change can be scary, that's why we are offering multiple training opportunities for all volunteers. Having said that, we're confident that volunteers will be VERY comfortable with all aspects of ticketless (including using the iPad) after attending one of the training sessions below.

**While we've highlighted the benefits of going ticketless, there are risks. Most notably, our greatest risk is having unprepared sellers and volunteers.**

We would love to have ALL our volunteers (Rotarians, Kinsmen, partners, friends and family, community groups, etc) attend one of our free training sessions scheduled for June:

The training dates are as follows (times TBD)

#### Saturday Mornings:

June 1, Tenderfoot Room, Stampede Park  
June 8, Legends Room, Stampede Park  
June 15 Legends Room, Stampede Park  
June 22 Tenderfoot Room, Stampede Park

#### Tuesday and Thursday Evenings:

June 4, Tenderfoot Room, Stampede Park  
June 6, Tenderfoot Room, Stampede Park  
June 11, Maverick Room, Stampede Park  
June 13, Maverick Room, Stampede Park  
June 18, Maverick Room, Stampede Park  
June 20, Maverick Room, Stampede Park  
June 25, Tenderfoot Room, Stampede Park  
June 27, Tenderfoot Room, Stampede Park

Spaces are limited so please register soon. To register for one of these events please send an email with your preferred date to [shifts@rotarycs.org](mailto:shifts@rotarycs.org).

Note: Saturday sessions will be held in the morning and Tuesday and Thursday sessions will be held in the evening. Times TBD.

# On June 15th, I'm Biking For Brains!

Dear Friends,

This year, I'm riding in the 2019 Branch Out Bike Tour in support of the Branch Out Neurological Foundation.

And I need your help.

I'm setting some lofty goals and planning to sacrifice my legs for a great cause! I've tiered my fundraising goals with bike ride distances. If I raise:

**\$1000 I'll ride 80 km**  
**\$2000 I'll ride 100 km**  
**\$3000+ I ride the whole 160 km**

With 1 in 3 Canadians directly impacted by a neurological disorder, chances are high we ALL know someone affected by mental health or a brain disease. The Branch Out Neurological Foundation accelerates tech solutions and non-pharmaceutical approaches to neurological disorders including Alzheimer's, Parkinson's, MS, Depression, Concussion, etc.

To support me and this incredible cause, please visit my fundraising page online.

Last weekend I was in RYLA camp (Rotary Youth Leadership Awards) and I was happy to make new friends and spend time with some of the exchange students. We did activities and listened to speeches about what makes you a good leader and how can you impact others lives.

On Monday I visited the Rotary Club of Calgary West and gave a presentation about my experiences in Canada with two other students.

I have less than 2 months left in Canada and I'm trying to figure out how to get all my stuff back to Finland. I only had one suitcase when I came and now just my clothes only take already 2 suitcases...

This weekend I'm going to High River and I'll be in a parade pushing the Rotary District 5350 float with the other exchange students and some Rotarians. In few weeks I'll be going to Ottawa and I'm looking forward to that!

We, the exchange students and Rotex from this District are hosting a fundraiser dinner on the 15th of June in Okotoks.
