## New Host Family

Our exchange student, Valentin Frauenknecht, is being hosted by **Kathy Demorest** for the balance of his exchange through the Stampede. If you and your family wish to include Valentin in a family outing, a meal, or another special event please contact **Kathy Demorest** to schedule the event.

Every day, our club does meaningful work worth sharing. But our social channels only reach people already following us. To grow our impact, we need your help reaching beyond our existing audience. By simply sharing Rotary Club of Calgary at Stampede Park posts on LinkedIn, you can help introduce Rotary to new people, strengthen awareness of our work, and expand our reach across Calgary and beyond.

Please take a few minutes to watch this short video, where Public Image Chair **Chad Hason** walks through how quick and easy it is to share club updates with your network using just a few clicks.
