

IAN ANDERSON: TRANSMOUNTAIN PIPELINE

Chas Filipski introduced our speaker, Ian Anderson, The President of Kinder Morgan Canada.

Ian Anderson has served as President of Kinder Morgan Canada since December 2005. In this role, he provides executive leadership to Kinder Morgan's Canadian operations, growth pursuits and social responsibility initiatives. For Mr. Anderson, this means "articulating a clear vision for the company" and all projects, "diving fully into the details" and "building and growing the personal relationships" he believes are vitally important — both in business and life.

Before joining Kinder Morgan, Mr. Anderson held senior executive positions in finance, regulatory affairs, administration and business development at companies including Terasen, Centra Gas and Westcoast Energy. Mr. Anderson has helped shape Canadian utility and pipeline regulatory policy for decades, and has been an active advocate for meaningful and productive engagement and prosperity sharing between the energy industry and Aboriginal peoples in Canada.

Mr. Anderson is a board member of the Canadian Energy Pipeline Association (CEPA). In this capacity, and in his previous role as Board Chair, he has worked tirelessly to broaden the voice of the pipeline industry in Canada, and to ensure the voices of all providers — small and large — are being heard.

He is also a member of the Association of Oil Pipe Lines (AOPL) and was recently appointed to the Board of Governors of the Business Council of British Columbia (BCBC). Mr. Anderson is a Certified Management Accountant and a graduate of the University of Michigan Executive Program.

Originally from Winnipeg, today Mr. Anderson and his family call Calgary home. He is number one in demonstrating how his company impacts the public and leading in social responsibility initiatives.

IAN ANDERSON: TRANSMOUNTAIN PIPELINE

Mr. Anderson began by acknowledging the crisis in Fort McMurray and the First Nations members currently fighting wildfires as well.

The Trans Mountain pipeline was built in 1953. There is currently no more pipeline capacity. Rail is making up the difference. More capacity is needed.

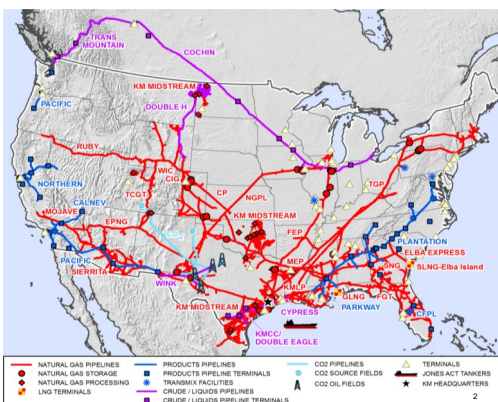

Unparalleled Asset Footprint

Largest Energy Infrastructure Company in North America

World class asset footprint:

- Largest natural gas pipeline network in North America
 - Own an interest in / operate over 69,000 miles of natural gas pipeline
 - Connected to every important U.S. natural gas resource play, including: Eagle Ford, Marcellus, Utica, Bakken, Uinta, Haynesville, Fayetteville and Barnett
- Largest independent transporter of petroleum products in North America
 - Transport ~2.1 MMBbl/d^(a)
- Largest CO₂ transporter in North America
 - Transport ~1.2 Bcf/d of CO₂^(a)
- Largest independent terminal operator in North America^(a)
 - Own an interest in / operate ~180 liquids / dry bulk terminals
 - ~152 MMBbls of liquids capacity
 - Handle ~65 MMtons of dry bulk products^(a)
 - Strong Jones Act shipping position
- Only Oilfields pipeline serving West Coast
 - Transports ~300 MBbl/d to Vancouver / Washington State; proposed expansion takes capacity to 890 MBbl/d
- Footprint drives growth project pipeline:
 - \$18.2 billion 5-year growth capex program
 - Secured by long-term contracts
 - Attractive, fee-based returns

(a) 2016 budget
(b) Includes KMI / BP JV terminals

Trans Mountain Pipeline

- Current Capacity
 - 300 MBbl/d ex-Edmonton
 - 241 MBbl/d to Puget Sound
- Regulation
 - National Energy Board Regulated
 - New 2016–2018 toll settlement

- Markets
 - British Columbia
 - Crude and Refined Products
 - Washington State Refineries
 - Westridge Marine Terminal
 - Offshore Markets

2015 Trans Mountain Pipeline Throughput by Destination

The United States have historically been a major market for Canadian crude but China is growing as a major market for us

Trans Mountain Proposed Expansion

The proposed expansion of **Trans Mountain Pipeline** will take several months. The Federal Government has added 4 additional months for public input. We believe they want to approve it. It has taken 5 years from planning to decision (December 2016) and it will take 3 years to build.

Expansion to: 890 MBbl/d

- Dual pipe system: Light/Heavy
- Continue to serve local markets
- 630 MBbl/d tanker marine export capacity
- \$6.8B Capital Cost

Commercial Support

- 13 Companies, 708,000 bbl/d
- Long term contracts
- Commercial Terms NEB approved May 2013

Regulatory

- 145 draft conditions issued August 12, 2015
- Trans Mountain filed final written argument December 15, 2015
- Intervenor filed final argument January 12, 2016
- NEB Decision May 20, 2016
- Order in Council expected December 20, 2016

IAN ANDERSON: TRANSMOUNTAIN PIPELINE

Economic Benefits

KINDER MORGAN

Economic Benefits

KINDER MORGAN

Benefits to Governments

KINDER MORGAN

There are economic benefits to employment, GDP impacts as well as estimated tax revenue.

We have learned a great deal and much of our thinking has changed over the past 3-4 years. We have had the benefit of the lessons learned from Northern Gateway and Keystone. We have watched and learned. It is important to have boots on the ground so you can listen to and understand how people feel about the pipeline and the local issues. You learn about the community. These are generational decisions. You have to be cognizant of local benefits as well as government benefits.

First Nations do not have a veto but can make it very difficult to proceed. The first questions politicians ask is "How is it going with First Nations?"

The premier of Alberta, Rachel Notley is working very hard for these developments. She is asking all the right questions.

Jim Fitzowich thanked the speaker as a "recovering pipeliner" and encouraged Mr. Anderson in his proposal. He acknowledged it was a much tougher fight now than in 1996 when it only took 30 days to get President Bill Clinton's approval. Jim concluded by saying he had the unqualified support of the Club in his efforts.

President Murray also thanked the speaker by making a \$100 donation to the Stay in School program in his name.

Market Access Considerations

1. Pipeline Performance
 - Safety, integrity
2. Commercial Support
 - Long term, secure
 - Publicly supportive
3. Political Support
 - Federal processes and obligations
 - Provincial Conditions
 - Municipal engagement
4. Regulatory Process
 - Efficient and transparent
 - Inclusive
 - Predictable
5. First Nations
 - Involved and engaged
 - Not one voice, but consistent demands
 - Find shared prosperity
6. Environmental Issues
 - Climate change
 - Oilsands performance
 - Safety net protection
 - Local sensitivities
7. Local Benefits
 - National benefits translated to Local
 - Risk vs. reward
 - All issues are local
8. Third Party Endorsers
 - Producer voice
 - Business community
 - Labour and small business

KINDER MORGAN

9

CLUB NEWS

President Murray welcomed everyone to Rotary today and began with On this Date in History:

- 1908: 1st Alberta Provincial Music Festival is Held
- 1972: Birth of the Quebec Nordiques of the WHA
- 1975: Springfield Indians win Calder Cup-This had a special date for President Murray as he was a member of the Club and during the celebrations that night he got a phone call that his son Jared was born. Luckily he was still in "shape" to take the call as celebrations were early on!
- Today is Cinco de Mayo

We took part in singing O'Canada and Rotary Grace accompanied by Lisa Fernandes.

Head Table: joining **President Murray** today are: Chas Filipski, Ian Anderson (Guest Speaker), Brenda McKinley, Frank King and Bryan Walton

Our Bulletin Editor is **Carol Graham** and our Photographer is **Norm Legare**

Guests: Rod Bower introduced our Guests today.

Sergeant At Arms: Jack Thompson lightened all of our wallets at the meeting today. Anyone sitting with a member of the New Member's Auction as well as the rostering committee from the Dream Home were asked to "contribute". Special recognition was given to a beloved past member **Clayton Carroll**. Jack noted that Clayton had introduced **Jim Burns** to Rotary and then fined Jim \$15 for the free publicity. Jim gamely offered up \$20.00. Further recognition and fines went to **Tony Fisher** for a picture advertising his business, anyone sitting with **Bob Wiens** for an article outlining he and his wife Maureen's many years of good work in Columbia, and finally for anyone who did not see **Myrna Dube's** picture in the latest Rotary Canada magazine. Jack concluded his presentation by recognizing the folks in Fort McMurray and asking everyone to consider making a donation to help during this very tough time.

50/50: **Bill Sumner** gave the pot worth \$165.00 to **Kevin Hayes**. Congrats Kevin!

Brenda McKinley: Classification Speech

Before Brenda could begin, the Club sang her "Happy Birthday". She thanked all but asked that we not ask her age! Brenda is an entrepreneur after her former boss, the Sales Manager told the team: If you win the contest you can enter the next contest! Her company GPS Strategies is about digital signage which catches the attention and adds an up-swing in overall sales. Brenda has been a resident of Calgary for 22 years and has two children ages 26 and 28. She is an avid volunteer. One example of this is a goal achieving course she provides which helps people in both their relationships and careers.

Brenda concluded by urging all of us to give 100% unless you are giving blood! **Good job Brenda!**

CLUB NEWS

Stripe Removal: Wendy Giuffre: Bryan Walton told the Club that Wendy liked two things about our Club: the warmth of the members and the impact our Club has on the community. He noted that Wendy was born in Calgary, went to William Aberhart and then the University of Calgary. Her expertise grew in the HR field with solid experience in the oil and gas field. She decided to offer a turnkey HR service to companies. She has a blended family of five children and has always been a busy volunteer serving as a Past President for the Calgary Boys Choir and involved in services for abused women, among other things. Welcome to Wendy as a full-fledged Rotary South member!

President's Party: Keith Davis advised the membership that he had the hottest tickets in town available for sale. It is for the President's Party on June 10 and they are \$35.00 each with a choice of steak or lobster. **Roxy Acheson**, resplendent in a Flames jersey has the tickets.

Frank King dazzled in a bright red jacket as he sat at the head table today. **President Murray** asked Frank to stand and model his jacket while explaining the significance. The jacket is a rare recognition, similar to the Green jacket given for the Master's tournament in Augusta. Frank was instrumental in bringing the Gordie Howe Pro-Am Hockey tournament to Calgary 5 years ago and not just content with that but he negotiated to keep the funds in Alberta after the first year of the tournament. As a result of his energy and hard work, those funds are building a 115 room assisted care facility with Manor Village. This care facility will provide much needed assistance to patients with dementia related conditions. Frank al-

ways has the energy to do something else. **President Murray** suggested there might be a coaching job for Frank next year! **Thanks again Frank for all that you do.**

Dream Home: Dana Hunter reminded us that last week she gave us a call to action to fill those dream home shifts. Now she has a problem: **"We're full!"** Due to the action by the Club to fill those shifts so quickly Dana and her Committee need to set up a program for "Spares". She didn't anticipate she would need this so quickly. The Committee is getting this program together for those who haven't reached their 8 shifts.

**BE A GIFT TO
THE WORLD...
HAVE A GREAT
WEEK!**

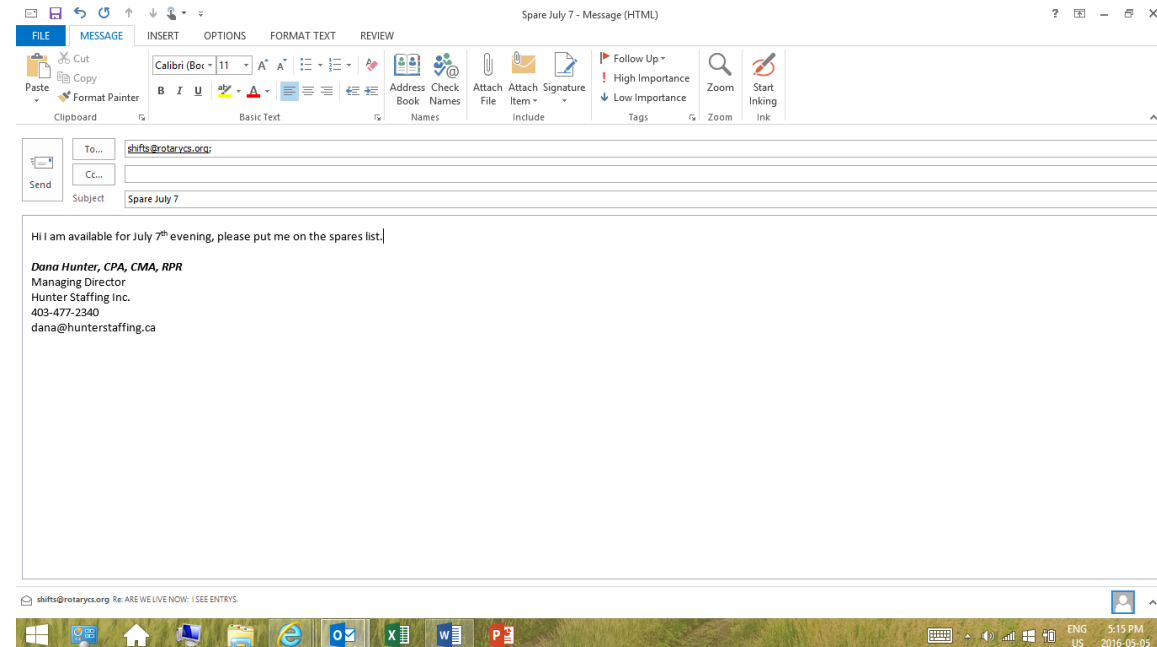

Dream Home and Split 'Em 50 – Spares List Registration

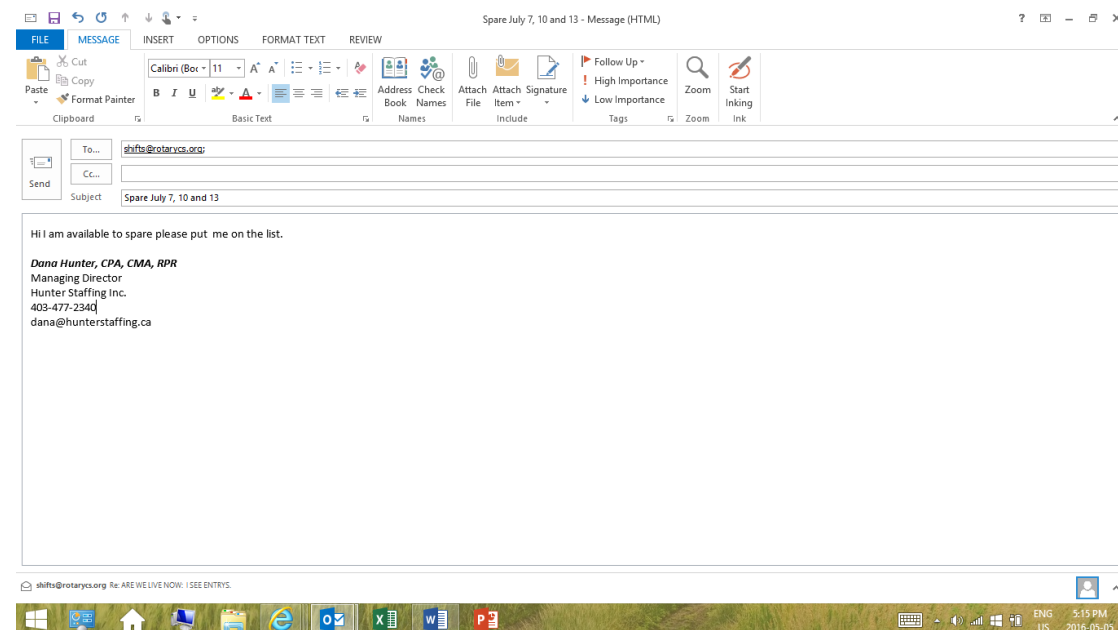

Due to the overwhelmingly positive response to our request for volunteers this year, we have filled all 1100 available shifts in just 7 days. My hat is off to all of you! This places our club in the wonderful position to create a spares list to draw from if for some unforeseen reason a member or volunteer must cancel a shift.

If you are available for a shift, please send us an email at shifts@rotarycs.org. For our team to administer this quickly and efficiently we are asking that you provide a separate message for each day from July 7 to 17 that you would be available. Shift times are from 11:00 am to 5:30 PM and 5:30 PM to midnight, please indicate your preference. And if you have more than one volunteer for the shift please list all available names in the message. As we are partnered with the Kinsmen team for Split 'Em 50 this year we also want to know if you would Sell in a Kinsmen booth so we can share your information with their rostering team. Shifts worked for Kinsmen as a Seller will be counted towards your 8 shifts.

This is what we would like to see:

This is BAD:

All requests will be managed on a first come, first served basis so please provide your details As soon as possible.

DISTRICT NEWS FROM DG MARTIN HARVEY

Dear Rotarians,

I am getting many e-mails and calls asking **"What can we do"?**

As you now know, you can contribute via District 5370's Charitable Foundation or you can double your money through The Canadian Red Cross. Certainly cash is desperately needed.

As a District we are also considering other options that would support people in getting back on their feet again - funds that will be desperately needed "down the road" and we will update you soon.

In the meantime please be guided by your own judgement.

Your response to this disaster has been overwhelming . **Thank you for caring.**

In Rotary

DG Martin Harvey,
District 5360

RONALD MACDONALD HOUSE DINNER

Hello everyone:

**We had a great dinner service at the
Ronald MacDonald House on Friday, April 29th**

Thank you to Terry McDonough, Jim and Maureen Hutchens and my wife Nadia Pelton and myself

We all helped in the preparation and serving of the meal and had a lot of great times doing so.

Thanks again to those that were able to contribute

... **Harry Pelton**

PARTNERS IN PRINT

ROSTER PHOTOS NEEDED ASAP

We now have 58 pictures for the Partners new directory. We want our new members to be able to identify us by a current picture. I think we have all changed since 2008. Make it a digital picture, portrait orientation (make the picture taller than wide), head and shoulders shot. Do not disguise yourself with sunglasses or hats. I know we can do this ladies. If we don't get an updated picture you might have to appear in the roster as a rotary wheel. This applies to the **spouses of all new members** of the Rotary Club of Calgary South as well. We want to be able to recognize you. Thank you to all who have sent a picture. If you haven't please send by email to: patfarn@telus.net

HIKING WITH THE PARTNERS

Carole Brawn organized the first city walk on Tuesday morning through Griffith Woods. This was ranch land, owned by the Griffith family donated to the city for park land. Seven of us, plus one small dog, wound our way in the cool morning air, and finished with drinks at a nearby cafe. As inspiration, we are using Lori Beattie's book, CALGARY'S BEST WALKS. We welcome anyone to join us: for exercise, fellowship, and to learn more about our city.

Next week's walk will be organized by Susan Brick. Please contact Susan (403 271 7734), or Constance Jackson (403 931 4018) for information.

PARTNERS IN PRINT

Lunch Bunch: Our next lunch is on May 19th at the Saskatoon Berry Farm. As they do not take reservations I am putting the start time for 11:30 am. Please RSVP to: susan.brick@shaw.ca or to leave a voicemail at 403-271-7734, by Wednesday May 18th. Thank you

ANNUAL ROSE TEA: CAREWEST SARCEE

May 5th was the Rose Tea at Carewest Sarcee. We had many hands making short work of preparing the rose vases and serving cake. The residents were entertained by singer/guitar player Larry Kostyniuk. The residents sang along to the tunes. The most poignant one was a lady who is aphasic and can not speak but she can sing and sing she did! Thanks to everyone who helped.

DREAM HOME 2016

The Dream Home is in the brand new Community of Harmony, just west of Springbank airport.

This is the 21st Home by AVI to be featured as a Stampede Dream Home.

This is the highest valued house in our history at \$924,000.

Pictured here are: Christian Orme (Marketing) and Julie Punter (Interior Design) from Homes by Avi with Craig Stokke and Dana Hunter

Homes by Avi has a 20 year relationship with the Rotary Club and this year's Dream Home is number 21. The team at Homes by Avi consider three connections with the Dream Home-the winner, the Stampede and our Rotary Club. The Dream Home location in Harmony is a master planned Lake Community with a golf course, open air museum, among other amenities.

Some of the design features in this home are as follows:

- Two large bedrooms and two full bathrooms;
- 10 foot ceilings to create volume and drama;
- Open kitchen and eating area with direct access to a 150 foot private outdoor deck
- Pocket office adjacent to the kitchen providing a dedicated home organization/tech centre;
- Whirlpool's new "White Ice" appliances;
- Double wall ovens, gas cooktop;
- Fireplaces in living room and Master bedroom.

TRANSPORTATION: Contact Gui Salazar at: (403) 875 5146 (Cell) or (403) 281 9719 (Home) or: salazars@telus.net if you know of anyone that may need a ride to meetings

CLUB CONTACT INFORMATION

EVENTS

We have a number of events upcoming and we would ask that you **please register or decline** for these events as they come up.

We must give 5 to 7 days notice to our catering groups and when we don't have the right numbers we often pay for food we do not need.

Sometimes committee members do not receive meals because we have members showing up at the last minute.

If you say you are attending and then do not attend that means that your meal was paid for by the Club.

Thank you for your consideration and cooperation.
